They excelsior hall, on Wyoming avenue, were married on Oct. 13, 1888, and lived Besides the active and honorory members of the popular organization and Lamoreaux says, her husband deserted about 100 of their friends, there were present seven gentlemen as a committee from the Monhagen Hose com pany, No. 1, of Middletown, N. Y. This party comprised the following: Charles Higham, first assistant chief of the Middletown Fire department; E. E. Weed, assistant foreman of the Monhagens; E. S. Merrill, secretary; Captain A. E. McMintyre, of the Twenty Fourth Separate Militia, of Middle town; K. W. Stiab, Gerson Lepfield, and W. D. Dusenberry, W. H. W. Jones, of Binghamton, ex-chief of the Tioga Fire company of the Parlor

City, was also present. More than ordinary care had been taken by the committee on preparation in the arrangement and decoration of the hall. What pleased the eye most was the reflection of the patriotic colors, bunting and flags, blended with potted plants, ferns and blooming flowers, produced by the subdued light of

the arc lamps. The stage was surrounded and banked with evergreens, behind which the piano was hidden, at which Professor Karl R. Saft was the musician Above the stage were three portraits; in the center that of the late ex-Mayor Robert McKune, to the right that of the late ex-chief of the Scranton fire department, Harry Madison, and on the left another ex-chief, the late Emanuel Zitzelman. These three distinguished firemen had been members of the Crystal Hose company, and the first mentioned was its first president. In the company at present are fortyfive active members and fifteen honorary members. Harry R. Long is fore-man, and D. J. Newman is president.

Arrival of invited Guests. As those who had the good fortune to be invited reached the hall thereception committee provided seats for them, and when the last had arrived there was a row of occupied seats two lines deep around the sides of the hall. The clock is of French style, open face and richly embellished with gold settings. The candlesticks are in keeping with the grandeur of the clock. On its base is an inscription as fol-"1893-1894: Crystal Hose Co., No. 4, of Scranton; presented by Monhagen Hoce Co., No. 1, of Middletown, N. Y." This inscription was enclosed within two medallions, joined together by the engraving of an owl.

When the Monhagens were here on fireman's day, the "Owls," connected with the Crystals, took charge of them with the Crystals, took charge of them at night, and the result was that Scranton, by gaslight, was on that evening garnitured with a kaleidoscopic vestment of coloring material. Mr. Newman, in a short prefatory

speech of acceptance, introduced E. E. Robathan, who acquitted himself meritoriously, and accepted the splendid present with many thanks, and an assurance that it would be treasured as

invaluable. Upon the conclusion of his eloquent PIERCE'S MARKET, PENN AVE.

speech Mr. Robathan arose to perform another function. He paid a high com-pliment to Foreman Harvey R. Long, and called him the ideal fireman of the Crystals. And in token of their appre ciation he said that the comrades had selected a medal to present to Mr.

Mr. Robathan pinned it on Mr. Long's breast, and the recipient thanked then sincerely and cordially. The refreshment rooms were on the second floor and the guests partook of

All Her Life-Happy Release at Last of Miss Alice Young, Who Resides at 392 Alexander Street, Rochester, N. Y.

(From the Rochester Democrat and Chron-Our representative was received very asantly at 392 Alexander street, by Mis-

Alice Young, who told how since childhood she had been held in the bondage of pain from her back, never remembering the time that she had not suffered pain or aches in the region of the kidneys. Many were the means she used to find relief, but there seemed no remedy for her case and she remained a captive; then along come these little enemies to backache, Doan's Kidney Pills, and a half box releases the bonds, as one by one the aches and pains disappear, she finds herself a slave to pain no more, by their continued use. She

says: "I was entirely relieved of all my suffering and now I am perfectly strong, healthy and well." "How did you take this remedy?" Miss Young was asked by our representative. She replied that she followed directions explicitly. Miss Young then told how the malady affected her, saying her symptoms were: "Stooping, bending over, walking or standing any length of time always gave me a pain in the small of my back. I had a pain in the kidneys all the time and if I caught cold it would always settle there; the pain I suffered was of a very exhausting nature; at night I could only lie flat on my back, any other position caus-ing pain and suffering; the nerves passing up my back were affected and this brought with it severe headaches, but as I said be fore, Doan's Kidney Pills have remove all pain and suffering entirely and I neve felt better and healthier in my life."

Doan's Kidney Pills are for sale by al dealers, price 50 cents, mailed by Foster Milburn Co., Buffalo, N. Y., Sole Agent for the United States.
