SCRANTON LOSES.

Quarles Pitched a Good Game Against the Ponies, but His Support Was Very Poor-Clark Made a Three-Bagger. Special to the Scranton Tribune.

Springfield, Mass., June 13.-Ragged field playing by Scranton robbed today's game of what might have been a beautiful pitching contest between Quarles and Coughlin. Quarles was hit for only two more bases than Springfield's pitcher, and for only two re hits. The Ponies' errorless fielding did more toward winnning the game than did Coughlin's pitching.

The game was listless from the sec Springfield led by only one run. The home team scored five runs, only one of which was earned, in the last two innings. The players on each team ance, 1,200, Score:

For Scranton Radford and Sweeney put up a good game in the field. Clark's only hit was a triple. Stearns and Sweeney were the only Scranton batsmen to solve Coughlin's delivery.

Buffalo Ilits Durven of Rochester with

Surprising Regularity. Buffalo, June 13 .- Today's game with Rochester was a pretty one all through, though at no stage of the contest was the result in doubt. Buffalo hit the ball with an even regularity that insured success, and in only one instance was an error of the opposing team responsible for a tally. Both Duryea and Mc-Ginnnis pitched good ball, but Mc-Ginnis was more successful in keeping ond to the eighth inning, during which the hits scattered. In the third inning only did Rochester bunch at all, and on two singles, a double, and a wild pitch, two runs were made. Attend-

STATE LEAGUE. At Hazleton-Hazleton, 7; Pottsville,

WAS VERY EASY. M. C. A. Fielding Errors and Inability to Hit Flannaghan Made Yesterday's Game a Sincoure for the Carbondale

State League Team. A toy game of base ball was played at the park yesterday between nine Scranton backnumbers, now playing Mr. Barnie was Wednesday night jus for Carbondale in the State league, and the Young Men's Christian association team of this city. The amateur team he should stop over today (Thursday) met its first defeat of the season by score of 8-3. The game was a sincefrom Rogers and probably saved the cure for the visitors and devoid of team. He has been given authority to interest. Of the eight runs scored by the Carbondale team only one was earned, and, considering that only one of the visiting strangers went to first on a pitcher's error, the game was won

with ease. For the Young Men's Christian asso ciation Dean pitched better than amateur ball and with better support might have made the contest more interesting Five of the Carbondallans reached first on errors. In the six of the nine innings the local players were retired one-two-three. Mallott scored in the first, with two out, on a hit, a wild throw by Sales and a passed ball. In the eighth a fumble by Sales of Hoffner's grounder, White's single and Brooks' sacrifice scored another run. Owens on first, White at second and Third Baseman Mallott did the best work for the locals.

Only in the fourth inning were there less than four Carbondale players facing the pitcher. McLaughlin relieved Flannaghan from the eighth inning.

Menney, Engan and Huston, of the Dis banded Harrisburgs, Sign Scranton Contracts-President Betts Last Night Had Not Been Informed of the Deal.

Harrisburg, Pa., June 13.-After straggling and uncertain existence of several weeks the Harrisburg base ball club has disbanded. President Hanlon, of the State league, was present at the obsequies. It is understood the league will go ahead on the six-club basis. Lack of patronage was the cause of the early dissolution. Huston, Eagan and .173 Meaney have signed with Scranton; and other players have offers. President Hanlon has called a meeting of the league at Hazleton tomorrow. Meaney and Huston are both fielders and pitchers; Eagan is a second

baseman and fielder.

Late yesterday afternoon a wildeyed rumor was galloping around among base ball circles to the effect that President Freedman, of the New Yorks, had offered Fielder Bannon, Shortstop Murphy and a sum of money in exchange for Big Bill Clark, th heavy-hitting first baseman of the Scranton club. The rumor was given credence because it came direct from Scranton director and was strengthened by another statement by the same director that Manager Barnie was in Harrisburg yesterday and had arranged to sign Pitcher Meaney and Eagan, but was waiting for President Betts, of Scranton, to decide whether the New York or Harrisburg deal was

the more advisable.

President Betts was seen at his home on Olive street by a Tribune reporter last night. President Betts said:

"The report is false-at least I have no knowledge of Manager Barnie's presence in Harrisburg, nor do I know MILD, that President Freedman, of the New SWEET Yorks, has offered players or money for Clark. Last Sunday and Monday Manager Barnie was in New York and saw Mr. Freedman at the Polo Grounds, but could get no encouragement for the release of any New York players who would strengthen the Scranton team. Mr. Freedman remarked that we had in Clark a good first baseman who would be worth considerable to any National league

team. Mr. Barnie agreed with him. "The last I have seen or heard from before the club left for Springfield Before parting it was understood that in New York and make a further effort to secure new players for the engage or release players according to his own judgment. If Scranton does not soon have players equal to those of any club in the league it will be be cause they are not obtainable. "Our first object is to strengthen the team, and it is not probable that we shall release Clark, who is one of our best and most reliable players."

DIAMOND DUST.

With apologies to Casey: O, somewhere in this cloudy land, the sun is shining bright,

The band is playing somewhere, and some where hearts are light; And somewhere men are laughing, and somewhere children shout, But there's no joy in Scranton, for Springfield beat them out.

Second Baseman Ward, with a plaster of paris hobble on his left foot, saw yesterday's game from the grand stand. President Betts and Manager Barnie prayers of the cranks behind them.

Manager Arthur Irwin has "farmed out" Pitched Smith to the Hazleton club, and it is quite likely that Beam will be loaned to Pottsville.

Massey, the ex-Scranton first baseman now with Carbondale, is in disguise. He wears a moustache. Massey still wears batting clothes and is a nightmare to State league pitchers.

Rattles had a great deal to do with the Young Men's Christian association's errors in their game with Carbondale yesterday. Pitcher Dean, "Wick" White and Mallott were the only players who didn't have the

An agent of the New York Base Ball club was sent to Washington Tuesday by President Andrew Freedman to try to sign the Mahoney boys-Ed and George-to play town university before noon, and was closeted with the two promising ball play-ers for several hours. The negotiations are not entirely off, but it is doubtful if because they are averse to entering the professional ranks. Should New York succeed in getting them it would be a tenstrike for that club,

NARCOTI-CURE is the only remedy in the world that acts directly on the nerves and drives the nicotine from the system tn from four to ten day. It leaves the patient in better health than before taking, and is warranted free from any injurious

ingredients. NARCOTI-CURE is popular because it allows the patient to use all the tobacco he wants while under treatment, or until the "craving" and "hankering" are gone. It is then no sacri-

ffee to throw away tobacco forever. NARCOTI-CURE is sold at the uniform price of \$5.00 a bottle and one bottle cures.

Money refunded if a cure is not effected when taken according to directions.

Gentlemen:—Replying to yours of the 1st, would say that I have used tobacco for 43 years, and of late have consumed a 10-cent plug a day, besides smoking considerably. I commenced to use tobacco when I was it years old, and have never been able to give up the habit until I took Narcott Cura, although I have tried other so-called rains dies without effect. After using your remody four days, all "hankering" for clewking disappeased, and in four days more smoking became unpleasant. I have no further desire for the weed, and experienced no bad effects, whatever. I am calning in flesh, and feel better than I have for a long time. To all who wish to be free from the tobacco habit I would say, use Narcott-Cure.

W. N. WAITE.
