Harper Makes a Record for Rochester Against the Bisons.

Buffalo, N. Y., June 14 .- "Ole Boy" Harper, of the Rochesters, is entitled to sleep on a feather bed with two extra elderdown pillows tonight, for he used the Buffalos today as they have not been served on the home grounds this season. Not content with striking event Scranton would sign Massey, of out ten men, he even refused them a little single till the fourth inning, and then during the entire game gave but five connections for a total of six bases. Vickery, on the other hand, was found easily, and a record of twelve hits and fourteen bases were piled up against him. The victory for Rochester is due to the magnificent work of the pitcher. Jolly Berger officiated behind the bat, and he pushed the game along by eating up four beautiful foul files. The Buffalos played a fast game, but all the visitors' dirves had a surplus of steam and whiskers. Attendance, 1,000. Score:

It is reported that Zimmerman's recent action in regard to the proposed match race with Johnson was a "bluff," and that the champion is so much afraid of losing his title that he will not compete with Johnson, as a possible defeat would lower his "market value" in Australia.

See here, get Johnson to put up \$5,000, you put up \$5,000 and we'll put up a like sum and get any of the cracks who want to come into the race at \$5,000 entry fee and we'll go into it."

This was a staggerer, and was evidently meant to put an end to all further parleying, the meaning of which was, only too evident. Le Cato, however, was not to be bluffed. Raising the ante \$5,000 a clip was going it pretty strong, but the Pennsylvania man was game. After a mo-ment's conference with Welse he came back to McDermott and said: "I'll take
