dence Against Wilkes-Barre. Providence, June 15.-Providence de feated Wilkes-Barre today in a game that was filled with brilliant features. The home team struck a batting streak, and in the second and third innings hammered Bausewein for four runs. Meekin was substituted, but nothing would have checked the champions, and they made their score seven before the visitors could break the ice. Hodson was pitching great ball for Providence. In the ninth three singles in succession saved Wilkes-Barre from being shut out. Then, with two on bases and none out a triple play, in which Cooney caught a line drive, jumped on second base and threw to first before the base runners could get back to bases, made a brilliant finish of a rattling game. TIM HURST ARRESTED.

Refereed a Coney Island Fight Which Was Stopped by Police. Timothy Hurst, one of the Eastern league umpires and "Young Corbett" and Eddie Pierce and their handlers were arrested Saturday night in the Seaside Athletic club's arena, West Brighton, Coney Island. The club's The Finest That Are Offered argument before Judge Gaynor had The Finest That Are een that if the law had been violated in the past it was strange that the police had made no arrests; consequently the blue coats went to the scene of action, fully instructed as to what methods they should pursue.

The officials of the club protested, but Inspector Murphy and Captain Clayton were obdurate, and refused to allow "h Dixon-Erne fight to begin. The Cornell men rowed forty-five strokes per minute, while the Henleyites rowed much less. The latter held the Americans for a furlong, when the Cornellians went to the front. The gap was steadily opened until a point about hundred yards from Fawley Court was reached, when the Americans were three lengths ahead. The Cornell men turned and went to the end of the course. Coming up the river the crew made sharp bursts of speed and rowed well together.

Gentlemen:—Replying to yours of the 1st.
would say that I have used toharco for silyears, and of late have consumed a 19-cent
plug a day, besides smoking considerably, I commenced to use tobacco when I was II
years old, and have never been salle to give
up the habit until I took Narcoti-Cura,
aithough I have tried other so-called remadies without effe t. Atterusing your remady four days all "hankering" for chewing
disappea ed, and in four days more smodin: became unpleasant. I have no further
desire for the weed, and experienced no
bad effects, whatever. I am raining in
flesh, and feel better than I have for a long
time. To all who wish to be free from the
tobacco habit I would say, use NarcotiCura.

Yours truly,
W. N. WAITE.

If your druggist is unable to give you full particulars about NARCOTI-CURE, send to us for Book of Particulars free, or send \$5.00 for a bottle by mall.
