Providence, R. I., June 17 .- In the early part of the game between the Proviience and Scranton teams today it looked as though the champions were going to be shut out. For four innings the Grays were unable to get but one hit off Johnson's pitching, and he was given dashing support. In the first inbatting and gained three runs.

In the fifth Providence hammered Johnson's delivery all over the lot, and a couple of bases on balls and daring pase running gained the lead, and practically won the game. After that the Scrantons played a gallant uphill game. They batted Rudderham hard and steadily, but were held in check by dashing fielding. In the eighth a ouple of errors in the Scranton outfield gave the home team one, and in the ninth a combination of hitting, base on balls and one excuseable error allowed the home team to get five runs. Brady made a run for Scranton by a base on balls, two steals and a hit by Eagen. Attendance, 800. Score: PROVIDENCE.

## LEADERS STRUGGLE.

Springfield Wins from Wilkes-Barre by Superior Hitting and Fielding. Springfield, Mass., June 17 .- The first home game between Springfield and Wilkes-Barre drew out a large crowd to see the leaders play ball. It was a rattling game, with plenty of ginger

both teams had a share.

Springfield played a better fielding game than the visitors, but the chances that Wilkes-Barre missed were most of Cincinnati . them very difficult ones. Springfield hit Campfield much harder than Wilkes-Barre did Coughlin, but their hits were kept so well scattered that they did not count much in the score till the latter part of the game.

For six innings it was nip and tuck, with Springfield one run to the good. In the seventh Springfield got another run, and in the eighth pounded Camp-by Campfield were the features of the game. Score:

## NATIONAL LEAGUE.

Because Leveland and Boston played two games yesterday the National league race today presents an evennes among the leaders that has never been known in the history of base ball. Boston's percentage was reduced a point o by reason of an even split with Cleveland, and Baltimore and Pittsburg draw nearer the leader by winning 2 from the Browns and the Quakers. By winning from the Colonels, the Giants go up from seventh to a tle with Cintie with Philadelphia in seventh posi-

At Hazleton-Hazleton, 5; Allentown, 5. At Pottsville-Lancaster, 7; Pottsville, 13. TRI-COUNTY LEAGUE.

Schedule Prepared at the Pittaton Meet-ing of the Clubs. Sunday afternoon at the St. Clair hotel, Pittston, a meeting of representa-tives of the base ball clubs in the Tricounty Amateur league was held. Th West Pittston club was admitted to

nembership. The schedule committee arranged the games for the coming two weeks, and tomorrow afternoon the Plymouth club will play at the base ball park. The Wilkes-Barre club will play the West Pittstons at Pittston.

Next Saturday the Pittstons will play at Plymouth and the Scrantons at Wes Pittston. On Wednesday, the 26th, the Wilkes-Barres will play at Plymouth and on Saturday, June 29, the Scrantons will play at Plymouth and the Wilkes-Barres at West Pittston

DIAMOND DUST.

Sweeney has reported to the Rochester club in Syracuse. A New York base ball writer has it ru-

ored that Whitehead will play third base for the Giants. Tomorrow will be played in this city a game scheduled between Scranton and Plymouth, of the Tri-County league.

night's boxing match at Coney Island have been admitted to ball in \$500 each. Allentown wins the first series of the State league. At the Hazleton meeting a schedule was arranged only to July 8 which is by many considered to mean that the league will die on that date.

"Clark was the first player Tommy Cahill signed for Scranton, and Tommy didn't know whether he had signed a cake of ice or a load of ashes," was the characremark made by Larry Ketrick. Larry's remark may lack poetical expression, but it is true. Clark is one of th heapest salaried players on the team, yet he has shown himself to be the most valuable. His errors are few and he can hit anything. Yesterday he had his threebase-hit complaint with him.

Pitcher Quarles, just released from the Scranton team by Manager Barnie, yesterday accepted a proposition to go to Pottsville. He will remain in Scranton until tomorrow. It is rumored that some of the association's officials have not taken tindly to Quarles' release and will make an effort to have him reinstated. There are new ideas in base ball the same as in other things. Barnie was given carte blanc to release or sign players at will. He has his reasons for releasing Quarles. If the association officials mean to reject he manager's action, they, to be con ent, must get a new manager or recall the privilege they gave Barnie.
