## INDUSTRIAL TOPICS.

All the laborers of the Sharon Iron works have decided to ask for an advance of 20 per cent. in wages. They are now receiving \$1.15 per day.

The Carbon and Iron Steel company's plant at Ferryville has resumed operations after a shut-down of over a year. Improvements amounting to \$100,000 have been made to the plant.

The coal shipments over the Reading railroad for the week ending June 15 were 276,613 tons, an increase of 20,028 tons compared with the same week last year. For the fiscal year to date the shipments are 6,770,648 tons, an increase of \$725,821 tons over the preceding year.

Within a few days an advance of \$2 per ton on steel rails is expected. The concerns in the rail pool are the Carnegie Steel company, the Illinois Steel company, the Pennsylvania Steel company, the Cambria Iron and Steel company and the Lackawanna Steel company.

The Reading railroad's anthracite coal tonnage for the week ended June 15 amounted to 276,613 tons, against 306,652 tons for the corresponding week last year, a decrease of 30,039 tons; for the fiscal year to date the tonnage aggregated 6,770,648 tons, an increase over the same period last year of 725,821 tons. The decrease for the week is due to the fact that production in June, 1894, was the heaviest on record.

It is said that there are in Kansas 28 well-built towns without a single inhabitant. Saratoga, in that state, has a \$30,000 opera house, a large brick hotel, a \$20,000 school house and a number of fine business houses, and yet there is not a single person to claim that city as his home. At Fargo a herder and his family constitute the sole population of what was once an incorporated city.

### PRETTY WEDDING IN BLAKELY

Will W. Jones and Miss Katie Berkheiser kneel at Hymen's Altar. By far the most notable event in Blakely in this month of marriages was the wedding which took place last evening at the spacious home of Mr. and Mrs. John K. Berkheiser, on First street, when their cultured daughter, Katie, was united in wedlock's holy bonds with the groom, Will W. Jones. The large home was prettily decorated and trimmed throughout with wild flowers, laurels and maiden hair ferns and cut flowers and potted plants were everywhere in profusion.

The ceremony was performed, was perhaps more tastefully arranged than the other rooms. In one end was a solid bank of ferns bedecked with roses, while suspended from the ceiling hung a huge ball made of moss. It was a fine 'clock' when Mendelssohn's wedding march, played by Miss Annie Widdowfield, pealed forth and the bridal party entered, the bride leaning on the arm of the groom, Miss Katie, in white, the groom in a dark suit, and Harry Edwards-Jones acted as second best man. The nuptial knot was tied by Rev. George E. Guild, of the Providence Presbyterian church, and all through the ceremony Miss Widdowfield sang softly the music of 'I Promise You.'

At the conclusion of the ceremony a wedding supper was served, of which the following guests partook: Mr. and Mrs. James A. Jamison and Miss Lizzie Scott of Frackville; Mr. George Scott, Misses Irene and Effie Scott, of Erie; Dr. D. W. Jones, of Baltimore, Md.; Mr. and Mrs. A. J. Hood, of Plymouth; Miss Mabel Evans, of Dickson; Mrs. A. A. Cunningham, of Frackville; Mr. and Mrs. John K. Berkheiser, and Mrs. J. W. Jones, Mr. and Mrs. W. H. Davis, Mr. and Mrs. Charles Thomas, Mr. and Mrs. W. J. Schumfeld, James W. Kennedy, Mr. and Mrs. J. W. Patton, Mr. and Mrs. George Pater, Dr. and Mrs. A. F. Crum, Mr. and Mrs. W. H. Berkheiser, Mr. and Mrs. William Harper, Mr. and Mrs. W. W. Watkins, Misses Maggie W. Jones, Gertrude Edwards, Nettie Frow, Jennie Penman, Jennie McCann, Annie Widdowfield, Messrs. M. J. Jones, W. D. Parry, F. B. Mitchell, J. W. Jones, Jr., Arthur and Willie Widdowfield, of Oliphant. Mr. Jones is the foreman of the Oliphant Gazette, a young man highly esteemed and well known in the community. His wife is also the possessor of a wide circle of friends, who join in wishing them well.

Is a Necessity—Health Must Be Had to Obtain It—If You Are Suffering from Any Kind of Chronic Disease, Consult the Most Powerful Magnetic Physicians Living, Dr. F. B. Smith and Staff, at 312 Wyoming Avenue, Scranton, Pa.—Mr. J. B. Saunders, of Pittston, One of the Many Happy Men That Have Obtained Relief and a Permanent Cure by Means of Magnetism.

Mr. Saunders has been affected with CATARRH OF THE BLADDER for more than a year. He first began to complain of a burning sensation in the bladder, which became more aggravated at night and during the forepart of the day. There was a constant burning in the bladder at night and a frequent desire to urinate. He also complained of dizziness with a clouded sensation in the brain as though he was losing his mind. The desire to urinate at night robbed him of sleep and brought on nervous prostration. His digestion became impaired, causing a deadly sinking sensation at the pit of the stomach. He grew from bad to worse until he became a confirmed invalid. He had consulted any number of physicians without even finding temporary relief and had about given up in despair, when hearing of the marvelous cures that were being performed by the EMINENT MAGNETIC PHYSICIANS, DR. F. B. SMITH AND STAFF, at 312 Wyoming Avenue, he decided to consult them. This was three weeks ago, and from the first he began to improve rapidly. He says he felt a decided improvement after the first MAGNETIC TREATMENT, and is delighted with the success of it, and recommends any one suffering from a similar cause or any chronic disease whatever to Dr. F. B. Smith and Staff, at 312 Wyoming Avenue, Scranton, Pa. Dr. Smith treats all forms of chronic diseases, and will cure seven cases out of ten that have been pronounced incurable. If you or any of your friends are sick, don't give up in despair, but go and have a friendly talk with Dr. Smith and staff. If he can or cannot cure you he will frankly tell you so, without money and without price. Consultations free from 9 a. m. to 9 p. m. daily.
