

WEAK, NERVOUS MEN.

Why not treat with a physician to whom you can tell your troubles and will cure you? Why send your money miles away from home to some one you never saw, when you have the greatest Specialist near you with whom you can talk it over and be cured?

JUST THINK OF IT!

One of the Frightful Facts Revealed by the Last Census.

It is hard to be called upon to see the point of a joke without being given sufficient time to see it in. A gentleman with a serious face said at a recent small gathering of people:

"What are we coming to? Statistics show that in Massachusetts there are 20,000 people, all natives of the United States, who cannot speak the English language!"

"Impossible," every one exclaimed. "It is true, nevertheless," persisted the grave-faced man.

"And native Americans, you say?" "Certainly—and all under two years of age!"

THE KANSAS BEARD.

The Roller Towel Whisker Which Makes The State Famous.

In a humorous article on the whiskers of Kansas, a local writer describes one style of beard that bids fair to make Kansas famous. He says: "There is still to be found in Kansas an old-fashioned wind-catcher which may be called the 'family or roller towel' whisker."

"This beard is worn by men with smallish heads and does duty as a necktie, napkin, plaything for the children, savings bank, where the shaving money is invested, and lung pad. It is found generally upon retired school teachers, a few lawyers and an occasional Campbellite minister."

Printing for Grocers. Circulars, cards, booklets, letter heads, etc., printed so well at The Tribune office that they will sell goods for you.

MONEY

Is a Necessity—Health Must Be Had to Obtain It—If You Are Suffering from Any Kind of Chronic Diseases Consult the Most Powerful Magnetic Physicians Living, Dr. F. B. Smith and Staff, at 312 Wyoming Avenue, Scranton, Pa.—Mr. J. B. Saunders, of Pittston, One of the Many Happy Men That Have Obtained Relief and a Permanent Cure by Means of Magnetism.

Mr. Saunders has been affected with CATARRH OF THE BLADDER for more than a year. He first began to complain of a burning sensation in the bladder, which became more aggravated at night and during the forepart of the day. There was a constant burning in the bladder at night and a frequent desire to urinate. He also complained of dizziness with a clouded sensation in the brain as though he was losing his mind. The desire to urinate at night robbed him of sleep and brought on nervous prostration. His digestion became impaired, causing a deadly sinking sensation at the pit of the stomach. He grew from bad to worse until he became a confirmed invalid. He had consulted any number of physicians without even finding temporary relief and had about giving up in despair, when hearing of the marvelous cures that were being performed by the EMINENT MAGNETIC PHYSICIANS, DR. F. B. SMITH AND STAFF, at 312 Wyoming Avenue, he decided to consult them. This was three weeks ago, and from the first he began to improve rapidly. He says he felt a decided improvement after the first MAGNETIC TREATMENT, and is delighted with the success of it, and recommends any one suffering from a similar cause or any chronic disease whatever to Dr. F. B. Smith and staff, at 312 Wyoming Avenue, Scranton, Pa. Dr. Smith cures all forms of chronic diseases, and will cure seven cases out of ten that have been pronounced incurable. If you or any of your friends are sick, don't give up in despair, but go and have a friendly talk with Dr. Smith and staff. If he can or cannot cure you he will frankly tell you so, without money and without price. Consultations free from 9 a. m. to 9 p. m. daily.
