WE WON BOTH GAMES.

Bunched Scranton Hits Took the First from the Canadians—We Took the Second by the Same Offense with Delaney's Kind Assistance.

Several dozen Scranton rooters were obliged to put porous plasters and cooling lotions and other things on their voices after the two games won from the unfortunate Canadians yesterday afternoon, and which were witnessed by 2,200 persons. The first game particularly offered an opportunity for losing one's voice, finding it again and then abusing it in wild, delirious and hysterical howling. Even Jack Neat, whose vocal organs have withstood a great amount of misuse, had to poultice his throat and put it to bed early so as to have it in good running order for today.

Ward's foot has recovered its usefulness and its owner appeared on third in place of Captain Brady, who caught cold during the 3-inning toy game of Monday. "Piggy" on third was like a cat in a strange garret and after two errors in the second and fourth innings, which permitted two Canadian runs, he settled down to business-like playing and successfully accepted the few chances that came his way.

That First Game Was Ours.

Meaney pitched the opening game, Luby was in right and Alex. Smith caught, and this trio, with the other players, very nearly represented Scranton's best hitting combination. All their smashing powers were needed, as Toronto had the game well in hand until the sixth, when Gray's gymnastics lost their charm and he was solved for doubles and singles galore, and incidentally five runs, four of which were earned.

The Canadians became somewhat frolicsome in the ninth, but good fielding prevented more than one run.

A double by Radford, Shinnick's poor throw of Eagan's grounder, and Meaney's single scored two in the first.

Toronto scored twice in the second on J. Smith's two-bagger, Ward's wild throw and a double by Lake. Singles by Freeman and J. Smith and Catcher Smith's wild throw to nip his namesake's steal brought in another for Toronto in the third. They scored again in the fourth on Ward's error of Demont's grounder, and outs of Meara and Lake. Score, 2-4.

Bannon's Liner Did It.

For Scranton Meaney singled in the sixth and reached second on Huston's double. They scored on Bannon's liner to center. In the seventh Radford walked to first, reached second on a passed ball and scored on Eagan's single. Eagan was forced by Stearns, who ... second and third. Meaney was ...nned and Huston made a double, scoring Stearns. Bannon singled and the two were left on bases by Smith's out at first. Score, 7-4.

With one out in the ninth, Lake singled and scored on the same offence by Gray and Shinnick. Lutenburg and Freeman flew out to Huston and Bannon.

Won the Second Game Too.

Old Pop Payne ought to be ashamed of himself. Under forced circumstances he is old enough to be a grandfather, yet he had the leather-faced assumption to go in the box against Delaney. Delaney is small, but there are many of him, and although his speedy right arm is only convalescing, it promises to be quite healthy if given a little mild exercise like that of yesterday. He shot the ball across the plate in regular derby day fashion, and the Canadians eyes are bulging yet. Not more than one hit per inning was made off him except in the sixth and ninth, in each of which the Canadians singled twice, and in three innings not one of the Torontos found the ball.

The game reached a heart-breaking climax in the ninth when the visitors missed an opportunity to win. With two out the bases were filled on singles by Demont and Meara and a base on balls to Casey. Big Ed. Crane was sent to the plate in place of Dietrick to bat in the festive runs. He missed one strike and with a called strike and three balls Swartwood called the third strike, and the agony was over.

Delaney Made a Double.

For Scranton, Delaney opened the third with a double, reached third on Radford's sacrifice and beat the ball in after Eagan's fly out to Meara.

Radford scratched a triple in the fifth. The hit was good for two bases, but the ball hid itself in the grass along the left field fence. Radford scored on Eagan's single.

With one out in the seventh Radford sent one into left field for two bases and scored on Stearns' single and Demont's muff, on which Stearns reached second. Stearns came in on Meaney's single.

Toronto's only run was made in the sixth by Shinnick, who singled and reached third on a hit by Freeman and scored on J. Smith's out to Bannon.

WON OUT IN NINTH.

Four Hits and Two Errors Permit Bisons to Defeat Wilkes-Barre.

Wilkes-Barre, Pa., June 25.—Buffalo redeemed what seemed an irretrievable defeat in the ninth inning, with Wilkes-Barre four to the good, by making four successive singles, and on these hits and two errors, made five runs with no one out, winning the game. Betts was reserved to pitch for Wilkes-Barre, and although he was hit hard according to the score sheet, the majority of the hits were of the fungo order. Vickery pitched a fine game and the lead Wilkes-Barre made off him was from clean hitting, six runs being earned. Wilkes-Barre was weak at short, playing Diggins in place of McMahon, who is injured. The weather was fine and the attendance was about 800. This was depleted owing to the bicycle races which were being held during the afternoon at West Side park. The score:

Springfield—Rochester.

Springfield, Mass., June 25.—Springfield could not do anything with Baldwin today, and Rochester won without much effort, despite the fact that the visitors put up a very poor game in the field. Springfield played good ball, but the visitors batted Coughlin much harder than the Ponies could hit Baldwin. Springfield led until the sixth inning, having hit Baldwin quite freely up to that time. After that he did not allow them a hit or a run. Schiffler and Garry and O'Brien made the star plays of the day. The score:

NATIONAL LEAGUE.

Home clubs and the leaders had things pretty much their own way yesterday in the National league. Boston batted its victory from New York and has a lead of four games over the Pirates, who, by losing to the Colts, are in a fair way to tumble possibly to sixth place today. By winning from Washington the Orioles go from fifth to third in place of Cleveland. Cleveland won from the Colonels but the percentages among the four clubs following Boston are so close that one day's play will change the positions into any possible combination. The same applies to Philadelphia, Cincinnati and Brooklyn. Washington, St. Louis and Louisville are not in the race, while New York is on the toboggan and will keep on sliding until Rusie and Meekin recover from their injuries.

DIAMOND DUST.

Scranton has won seven of the last nine games played.

Bannon batted in three of the runs in the first game.

Scranton vs. Rochester, at Base Ball park at 4 p. m. today.

Providence, June 25.—The Providence-Syracuse base ball game scheduled for today was postponed on account of rain.

Radford's three hits in the two games were for a total of seven bases. His sacrifice contributed toward Delaney's run.

If something happen to hold the Ponies down, and Wilkes-Barre, Buffalo and Syracuse keep up their see-sawing, we will have a show for our white alley.

It's just as well for Scranton that Mark Baldwin won for Rochester against Springfield. This makes it probable that Baldwin will not be a factor in Rochester's games here today and tomorrow.

Tommy Johnson is slated to pitch today. Smith will catch and Meaney will play in right field. Luby will be put in the box just as soon as his arm recovers from its recent period of idleness, which may be tomorrow.

The Baltimores have made an addition to their pitching corps in Arlington Pond of the University of Vermont, who has been a terror among college players. With him in the box the Vermonters won games from Harvard, Yale, Brown and the Holy Cross teams.

Catcher Merritt has been purchased from Cincinnati by Pittsburg. Catcher Kinslow has practically deserted the Pittsburgs, and has been suspended without pay and fined $150 by Manager Mack.

Umpires are treated much better in the Eastern league than they are in the National. Their decisions are respected. People in the large cities have become disgusted with the constant fault-finding of some base ball writers, managers and players. It is the great drawback to the sport.—Washington Star.

New York's new first base guardian, the swarthy skinned Clark, made an excellent impression on the spectators, fielding his position in a manner to indicate that he will soon be among the league stars.—Boston Paper.

Amateur Ball Notes.

The Boosters accept the challenge of the Bloomers and will play them at the time and place mentioned. P. Cummings, captain; E. Todd, manager.

The Reporters' Base Ball club and the clerks of the municipal building will play on Saturday afternoon at 3.30 at Schwenk's park, South Washington avenue. The Reporters' club is as follows: John J. Gordon, second catcher; Will F. Jansen, catcher; John T. Brown, pitcher; Thomas A. Donahoe, first base; Wallace G. Moser, second base; Emerson D. Owen, short-stop; J. F. Mitchell, third base; Peter F. Cusick, left field; C. J. Ruddy, center field; C. E. Daniels, right field. The same clubs met a week ago last Saturday on the James Boys' grounds and the clerks won.

A detailed account of yesterdays's bicycle races in Wilkes-Barre appears on The Tribune's second page.

Date Not Yet Fixed.

An error was made yesterday in announcing that the Republican county committee would meet on Saturday to fix a date for holding the county convention. The time for the meeting of the committee has not yet been decided upon.

IN PROFESSIONAL CLASS.

Class B Riders Cause a Sensation in Bicycle Circles.

Philadelphia, June 25.—There was considerable excitement in cycling circles today. The story of the suspension of Sanger and Simms was continued, and those two noted riders will probably soon be riding in the professional class. Both have expressed their willingness to ride as professionals, and they probably only want sufficient inducements to cause them to jump into the professional ranks. An indication of this state of affairs was shown by dispatches which the Pennsylvania Bicycling club has received, asking if it would give $1,500 for a race between Sanger, Tyler and Johnson. The applications come from the first two men, as Johnson is already in the cash class.

Another ripple was added to the excitement later in the day, when the news was circulated that Chairman Gideon had swung his axe among the class A men, and that a number of heads had dropped into the class B basket. The men affected are Church, Rumford, Buzzard and Manning. The first of these was transferred for riding in a trade team, the other three for a little bit of combination riding at Tioga last Saturday afternoon. It is likely that all of these men will ride as professionals hereafter. One or two of them have already entered for the professional events. Probably the greatest surprise of the day, however, was the statement that the noted old pure amateur road rider, Frank Dampman, had voluntarily joined professional ranks.

The foregoing dispatch is confirmed by The Tribune's report on Page 2 of the Wilkes-Barre races yesterday, in which class B men participated.

RACING AT SANGUS.

Four Events Contained Fields of High Bred Horses.

Saugus, Mass., June 25.—In spite of the heavy rain of last night the second day's racing at Franklin park was very successful. It was a day in which many of the high-bred cracks were entered. The attendance was fully 5,000 and the track was in fine condition, but a little heavy. The big event of the day was the 2.09 pacing class, in which were entered Gil Curry, Paul, Barney and Whirligig. Paul won the first heat in a walk-over, but Barney took the three last, winning the race. Paul was second and Curry last. Summary:

2.23 class, trotting (concluded)—Quality, first; Dot, second; Seylex, third. Best time, 2.18.

2.09 class, pacing—Barney won; Paul, second; Whirligig, third. Best time, 2.13¾.

2.13 class, trotting—William Penn won; Edith, second; Wistful, third. Best time, 2.15¼.

2.17 class, pacing (unfinished)—Whistle and Antidote each took a heat. Best time, 2.17.

CITY WILL HAVE TO PAY.

Judge McPherson Decides Against It on a Reserved Point.

After a fight of several years the city of Scranton will be compelled to pay the Providence and Abington Turnpike and Plank Road company for the repairs made on West Market street by the company and charged to the city. Judge John B. McPherson, of the Dauphin district, who specially presided here three weeks ago when the case was tried, yesterday filed an opinion so deciding.

To secure the removal of toll gates from the turnpike within the city limits, the city councils entered into an agreement with the Turnpike company to keep the road in good repair. The gates were removed and for a time the city made repairs, but three years ago the road was in bad condition and the company repaired it and charged the cost to the city. This bill councils refused to pay, and in September, 1892, suit was brought on it.

Later the councils referred the matter to ex-Judge Jessup for an opinion, who advised that payment be made. Councils, however, decided to go to trial and three weeks ago the issue was heard before a jury. A claim of $4,682.91 was made by the company, being the amount of their bill with interest. The jury awarded $2,249, which was subject to a reserved point as to whether or not the city councils had the power to enter into such a contract. Judge McPherson decided that it had and ordered judgment for the amount of the verdict to be entered against the city.

CAPTAIN FELLOWS RE-ELECTED

Short Sketch of His Notable Military Career—Bennie Evans Injured in the Dodge Breaker—Clash Between City and Traction Company.

[The West Side interests of The Tribune have been placed in the hands of Emerson Owen, to whom all news announcements and complaints may be addressed.]

Captain Eugene D. Fellows, who was last evening re-elected captain of Company F, Thirteenth regiment, National Guard of Pennsylvania, is now the senior captain in the Thirteenth regiment, which gives his company the

CAPTAIN EUGENE D. FELLOWS.

right of line. The election was conducted by Major Whitney; David J. Davis was clerk and R. W. Luce and John R. Edwards, tellers. Captain Fellows was elected by the vote of 46 to 6 over Lieutenant Fred W. Mason.

Captain Fellows has been a member of the National Guard of Pennsylvania continuously for fifteen years. The following is his complete record as contained in the report of the adjutant general published in 1894: He enlisted as a private in Company D, Thirteenth regiment, May 15, 1880; was promoted to corporal Aug. 11, 1881; sergeant, March 30, 1883; first sergeant, March 23, 1885; second lieutenant Jan. 22, 1886; first lieutenant, May 3, 1889. When Company F was organized in June, 1890, Mr. Fellows was unanimously selected for captain, accepting the position with considerable hesitation on account of the great difficulty in getting a new company ready for the annual encampment on so short a notice, and also the financial responsibility which devolves upon the captain of a new company, as the state makes no extra allowance in such a case.

It Was a Big Undertaking.

Captain Fellows was obliged to assume a debt of $1,000 upon the organization of the company, for which he made himself personally responsible. This has been paid off and the company has a very fair balance in the treasury. Company F, under the command of Captain Fellows, has attained a high rank and has the reputation of being one of the foremost companies of the Thirteenth, which means one of the foremost companies of the state.

Great interest has been manifested of late in military matters by the members of the company, the attendance has been excellent, numerous applications have been received for admission to the company, and they West Side is deservedly proud of its military company. Since his connection with the Thirteenth regiment Captain Fellows has attended the fifteen encampments that have been held and has been present on every important occasion at the various places which the regiment has been ordered to.

His record as a marksman is very good. He has qualified every year for fifteen years, and since the institution of the sharpshooter score by Lieutenant Governor Watres, when he occupied the position of state inspector of rifle practice, Captain Fellows has qualified every year as a sharpshooter, having made a score this year of 47 out of 50 points.

Is a Member of the Bar.

He is a member of the Lackawanna county bar, to which he was admitted six years ago, before which he was principal of one of the city schools. He was elected secretary of the board of control two years ago, and re-elected recently for a second term. He is surpassed in general thoroughness on all subjects by only one other attribute of his character, that of true, genuine courtesy, in his dealings with his fellow men. His re-election is a deserved tribute to his worth as a citizen.

Clash Between Corporations.

The Traction company again ran up against the city yesterday afternoon, when trouble was experienced in the West Lackawanna avenue paving operations. The company agreed to pave between its rails on the avenue with the same material with which the street is to be furnished, namely stone, of a superior quality. Yesterday morning the company's workmen placed several yards of inferior stone, and property-holders Luther Keller and others sent for City Engineer Phillips to have the work stopped. Mr. Phillips arrived on the spot and immediately stopped the operations, claiming that the company was using bad material. At 3 o'clock in the afternoon Inspector Peter Ross noticed that the same material was being used. He ordered the men to stop, but they refused. Mr. Ross sent for the city engineer, and upon his arrival the second time Mr. Fox, of the Traction company, agreed to stop work until the best stone can be secured.

Crushed by a Fall.

Peter Kline, a miner residing in Morris court, was killed yesterday morning by a fall of coal in Storr's mine. After the fall workmen gathered around the unconscious man and he was borne to the surface, from whence the mine ambulance conveyed him to his home. As he neared the residence Mr. Kline died from the effect of the injuries. A wife and five children survive. The dead man was popular on this side, especially among the German residents. The funeral announcement will be made in the next issue.

Injured at Dodge Breaker.

Bennie Evans, son of Thomas Evans, of Bellevue street, fell down a chute at the Dodge breaker yesterday afternoon and received painful injuries. The boy is about 17 years of age and is employed as a slate picker in the breaker. While performing duties shortly after noon he accidentally fell into the chute. As he slided down, his arm came in contact with a projecting iron, the member being ripped badly near the elbow. He also suffered bruises as a result of a fall of several feet from the mouth of the chute to the coal beneath.

Narcoti-Cure

CURES THE TOBACCO HABIT
IN 4 TO 10 DAYS
OR MONEY REFUNDED.

Use All the Tobacco You Want Till Your "Craving" Is Gone.

NARCOTI-CURE is the only remedy in the world that acts directly on the nerves and drives the nicotine from the system in from four to ten day. It leaves the patient in better health than before taking, and is warranted free from any injurious ingredients.

NARCOTI-CURE is popular because it allows the patient to use all the tobacco he wants while under treatment, or until the "craving" and "hankering" are gone. It is then no sacrifice to throw away tobacco forever.

NARCOTI-CURE is sold at the uniform price of $5.00 a bottle and one bottle cures.

Money refunded if a cure is not effected when taken according to directions.

Gentlemen:—Replying to yours of the 1st, would say that I have used tobacco for 46 years, and of late have consumed a 10-cent plug a day, besides smoking considerably. I commenced to use tobacco when I was 11 years old, and have never been able to give up the habit until I took NARCOTI-CURE, although I have tried other so-called remedies without effect. After using your remedy four days all "hankering" for chewing disappeared, and in four days more smoking became unpleasant. I have no further desire for the weed, and experienced no bad effects, whatever. I am gaining in flesh, and feel better than I have for a long time. To all who wish to be free from the tobacco habit I would say, use NARCOTI-CURE. Yours truly,
W. N. WAITE.

If your druggist is unable to give you full particulars about NARCOTI-CURE, send to us for Book of Particulars free, or send $5.00 for a bottle by mail.
