THE WORLD OF BUSINESS

STOCKS AND BONDS.

New York, June 26.—Speculation at the stock exchange today was decidedly irregular. The sales footed up 211,149 shares. The standard stocks such as the Grangers, anthracite coalers and trunk lines showed few features of interest, and in fact were inclined to lag. The changes in these issues as a rule were confined to the fractions. Near the close the grangers ran off 5 to 10 per cent, on the revival of stories of damage to the crops. The low priced issues were firm throughout. New England was strong for a time and rose to 51, but when the inquiry from the shorts abated and efforts were made to liquidate the stock settled back to 48 1/2. In the industrial sugar was the most active, 20,000 shares being traded in. The prices declined from 115 1/2 to 113 1/2 on reports that prominent inside interests have parted with their speculative lines. Chicago Gas was rather weak on stories that standard oil representatives in the district had sold their stock. General Electric was quiet, and discharging and cattle feeding firm. In the inactive list, New York, New Haven and Hartford brought 21 1/4 against 20, the last previously reported sale. The market closed barely steady. Net changes show losses of 1/4 to 1/2 per cent. outside of sugar, which dropped 2 per cent. The range of today's prices for the active stocks of the New York stock market are given below. The quotations are furnished The Tribune by G. D. B. Dimmock, manager for William Linn, Allen & Co., stock brokers, 42 Spruce street, Scranton.

Table with columns for Am. Tobacco Co., Am. Sugar Ref., etc., and a section for WEAK, NERVOUS MEN. Includes text: 'Why not treat with a physician to whom you can tell your troubles and tell him you? Why send your money miles away from home to some one you never saw when you have the greatest Specialist near you with whom you can talk it over and be cured.'

INDUSTRIAL TOPICS.

The Johnson Steel company has posted notice of a 15 per cent. increase in wages to the men in the converting mill, dry house and machine shops, in all about 280. The increase is entirely voluntary on the part of the company. J. Morton Brown, manager of the Woodstock Woolen mills, of Norristown, has no objection to a 10 per cent. increase in wages, but he will not sign with Tuesday an increase of 20 per cent. had been made in their wages. The change will affect fifty operators.

At 3:30 o'clock yesterday afternoon John J. Scanlon, of Main street, and Miss Kate Caffrey, of the East Side, were married in St. Thomas church. The ceremony, which was witnessed by many friends, was performed by Rev. G. J. Lucas, D. D. As the bride party walked up the aisle, Miss Little, of Scranton, played Mendelssohn's wedding march. The bride wore a gown of white, with a colored corded silk, trimmed with steel buckles, and hat to match. She was attended by her cousin, Miss Ruane, of Pittston, who wore peach silk, silk, trimmed with velvet. The groom was attended by his brother, James J. O'Rourke. The bride party enjoyed a short drive, and on their return a reception was held at the home of Mr. and Mrs. Martin Caffrey, the parents of the bride. The bride and groom, both well-known and respected residents of this borough, their many friends will wish them much happiness and success during their wedded life.

Intelligence reached here on Monday last that in the first five months of the year was 2,536,694 tons more than in the same months last year. This is an increase of over 15 per cent. and even though the rate per ton per mile was much less than a year ago, yet an increase in total receipts is quite natural. The decrease of \$128,294 in operating expenses in the face of an increase of 15 per cent. in the volume of coal traffic, and it is safe to say also an increase in the volume of merchandise traffic is an entry that may be looked upon with suspicion. Operating expenses are an elastic price to companies that are hard pushed for money. But there are two things that are worthy of notice in considering this report. The first is that in five months 16,875,251 tons of coal have been produced, against 14,281,777 tons last year, showing that the output has been raised and the business of agents and shippers trebled upon. The second is, did the Central railroad receive in hard cash \$1,789,571 in the first five months of the year? How much of this amount is still year?

F. Kane, of Scranton, was a caller in town yesterday. Judge Gehlert, of North Main street, left here yesterday for Mount Airy, N. C., to spend a few days with his brother. Albert Clave, of North Main street, is improving his property by putting down a new sidewalk. All property owners ought to follow his example. There will be a meeting held at St. Thomas church next Sunday for the purpose of organizing a temperance society. All young men desiring to become members should attend. M. F. Fadden and Frank Walsh will play Charles Goron and Charles Hudson a game of alley ball for \$10 a side. Answer through The Tribune.

WALTER MONTROSE. Mrs. Walter Lathrop, who has spent a short time with relatives, has returned to her home at Wilkes-Barre. Winnie Hancock, of Lestershire, N. Y., is visiting friends here. Miss Fanny Stevens is visiting relatives at Elk Lake. Miss Grace Camp is home from Factoryville are: Will Denison, Fred Scott, Walter Lewis, Glen Guy, Stanley Newton and Miss Burns. A very enjoyable evening party was held at the home of Miss Leonard last evening. A large number of her friends attended. George H. Watrous is in New York on business. Mrs. Warner and daughter Mary at-

tended the funeral of their cousin, Mr. Houston, at Philadelphia. Bruce Titman is improving very rapidly from the injury he received while playing ball. The Franklin Forks base ball team played the return game Saturday. It proved to be another victory for the Montrose team by the score of 29 to 5. The Montrose ball team is building a grand stand on the ball ground. It will seat, when finished, about 100 people. The Rev. Mr. Elwyn officiated at the Episcopal church Sunday morning.

DALTON. The Women's Christian Temperance union held a social at their rooms last Friday evening. A very interesting programme was rendered, and refreshments were served. Rev. Elmer Shoemaker and wife, of Brown City, Ill., are visiting relatives of this place. Among those who attended the commencement exercises at Keystone academy last Friday were: Misses Ruth Ball, Edith Carlton, Carrie Stoll, Lizzie Smith, Mary Gardner, Bertha Alice, Mrs. W. A. Dean, Elda Schoonover, Messrs Harry Watts and W. C. Dean. Nelson Derheimer, of the Wyoming seminary, is spending his vacation with his parents, Mr. and Mrs. J. W. Derheimer. William Smith has purchased the old mill property, known as "Stratos Mill," and he is preparing to erect a new grist mill. G. W. Carleton and family have moved into their new house. Mrs. William Miller is visiting her daughter, Mrs. John Griffith, of Pittston, Pa. The trustees of the Methodist church met last Thursday evening and authorized the secretary, J. W. Derheimer, to receive bids for the painting of the church. Mr. and Mrs. A. B. Davis spent Sunday with Mr. and Mrs. E. M. Sherwood, at Wilkes-Barre. Miss Cora Evans, of Scranton, was visiting at this place Saturday. Rev. W. H. Sowell was visiting friends at York state a few days last week. R. E. Smith has improved the looks of his residence by a new coat of paint. We admire Conductor Bonds' new train very much. Rev. C. H. Nowling will preach a special sermon on "Christian Citizenship" next Sunday evening. Mrs. N. T. Purdy spent Sunday with her daughter, Mahel, at the Bloomsburg State Normal school. W. Clark Dean, of Phillips Exeter academy, has returned to his home at this place. James P. Dickson, our burgess, sprained his ankle one day last week. A party of young people spent a very pleasant evening at the home of William Griffith, the occasion being in honor of their grandnephew, Miss Jennie Griffith's, seventeenth birthday. Those present were: Misses Ruth Ball, Lizzie Smith, Elda Schoonover, Mahel Helzer, Kitty Griffith and Florence Miller. Messrs. Edward Carlton, George Waldon, Merton Purdy, Harry Watts, Roy Decker, Frank Miller and Samuel Miller. The foundation for the new look-up has been laid. It will not be a very "mammoth" building, but perhaps it will come very handy sometimes. Ralph Hofferker, of Peckville, was at this place Saturday. Mr. and Mrs. R. Bush, of Bloomsburg, are visiting friends at this place.

Bright's Disease of the Kidneys Can Be Positively and Permanently Cured—If You Will Only Consult Dr. F. B. SMITH And Staff, at 312 Wyoming Avenue, You Can Find Speedy Relief.

Bright's disease of the kidneys has been a puzzle and a study to the medical profession for years, and with but little hope of ever performing any wonderful cures. They have traveled on and on in the same old rut until they have completely despaired, and they will invariably say, "It cannot be cured." Scores and scores of men and women die annually from this disease after having been told there was no help for them. THIS IS FALSE! THERE IS HELP! If you will only avail yourself of the opportunity YOU CAN FIND A SPEEDY AND PERMANENT RECOVERY BY CONSULTING DR. F. B. SMITH AND STAFF AT 312 WYOMING AVENUE, the most eminent and thoroughly educated physicians living. The following very interesting case speaks for itself: Mr. Henry E. Avery, who resides on Providence road, consulted Dr. Smith and staff some two weeks ago, suffering from one of the worst cases of Bright's disease the doctors ever saw. He was bleeding from the nose, his urine was so loaded with albumen that in holding it became solid, and he had recovered had only a matter of a few days when a death would have put an end to his sufferings. As above stated he began treatment some three weeks ago and, strange as it may seem, today he is completely cured, every trace of albumen having left his urine and the bleeding has rapidly disappeared. Are you sick or ailing? If so, don't let prejudice overcome your judgment, but consult Dr. Smith FIRST OF ALL! CHARGE OUT of mere curiosity if nothing else and INVESTIGATE HIS METHOD OF HEALING. He invites investigation. Office hours 9 a. m. to 5 p. m. daily.
