LOVE LANDS HER IN PRISON.

Hard Lines of a Young Woman Who Elopes With the Hired Man.

Crown Point, Ind., July 1.—Miss Edith Gant, a charming young woman of 19, who has been living with her uncle, Henry Brown, near Shelby, is in jail here, the result of an elopement. She is the victim of a cowardly lover and a broken-down freight train, the latter fact explaining why the couple did not reach this place in time to get married before the angry uncle appeared and put a stop to further proceedings.

Early yesterday morning Miss Gant and the hired man eloped. As they were without funds Miss Gant took \$300 from her uncle's trousers' pocket while he slept. The couple then boarded a freight train which broke down near Lowell, delaying them four hours, during which time the uncle discovered his loss and swore out warrants for both of them for larceny.

The hired man ungalantly deserted Miss Gant and cannot be found. She was placed in jail here and her uncle vows she must take the consequences. Miss Gant will be tried for larceny at the July term of court.

MYSTERIOUS DISAPPEARANCE.

Mr. Edward S. Ridgeway Suddenly Disappears Together with the Terrible Pain He Has Experienced from Scotches for the Past Seven Years.

Dr. Smith and staff, the magnetic physicians at 312 Wyoming avenue, Scranton, Pa., cure him of scotches and just before his mysterious disappearance he called on them and told them he was going to Pittston, Pa., and handed them the following letter:

Scranton, June 2, 1895. Dear Doctors:—If in the years to come a testimony regarding a cure upon one that is truly grateful will be of any value whatever to you, accept this letter as a token from one who derived more benefit from you and your method of treatment than ever before. Having been afflicted with scotches in its worst form for a period of seven years and having consulted physician after physician without finding even temporary relief, I feel it my duty as a man to proclaim the glad tidings far and near, for the benefit of my fellow sufferers, and at the same time let the public in general know that they have in their midst Dr. Smith and staff, magnetic physicians who cure chronic diseases and who treat those who take treatment of them honorably. They did me more good than all the doctors I ever consulted, and I know from personal observation while waiting in their offices for treatment that they not only give a correct description of disease and that, too, without asking a question, and when they are not confident of making a permanent cure they tell the person just what they think. I have heard them time and again say to a sick person, "I do not think our treatment will cure you and we advise you to treat it as you see fit, but if you insist we will do all we can for you, nothing more. When they are confident of a cure they say so out and say when I want to know how long it will take to cure me they say so. When I had been suffering the tortures of the scotches for the past seven years from scotches in my right hip and leg, I had spent hundreds of dollars on doctors without any benefit whatever. They told me it would not be long before I could get on my feet and I did not feel confident they could help me. With this understanding I consented to treatment and from the first treatment I began to improve and have kept on doing so from the first and today I am a well man, and I go to Pittsburg tonight to make a contract to sell my machinery to the amount of \$1,200. So you can all see how well I am. After seven years of illness I resume labor as a contractor. Sincerely, Ed. S. Ridgeway.

Dr. Smith and staff are performing many strange cures in Scranton. They are less than one-third of what they will be twenty days from now. Now is the time to get treatment. Do not wait until you are obliged to pay full rates. Time is hard, make a dollar while you can. They have a certain number of patients you can only be treated by special appointment. Dr. Smith is prepared to give you any amount of proof. His ability as a physician, surgeon and magnetic healer. Consultation free. From 10 to 5 daily except Sunday. No. 312 Wyoming avenue, Scranton, Pa.
