IS CAMERON QUAY'S MAN?

Harrisburg Patriot Confirms a Prevailing Suspicion.

JEFFERSON COUNTY FOR QUAY

Tals News Conveyed to the Govern Yesterday - The Visit of Senators - Bills Approved by Governor Hastings.

Special to the Scranton Tribune.

Harrisburg, Pa., July 2.-The Patriot will say tomorrow: "The long enter tained suspicion that Senator Quay's real candidate for president is his colleague, Senator Cameron, has found gentleman who is interested in Republican club organization and was anxious that the Pennsylvania organization convention in Cleveland, had proposed to put Governor Hastings' picture on the badge as Pennsylvania's presidential candidate.

"There was some difference of opinion as to what should be done, however, and the matter was finally referred to Senator Quay, who was at that time in Washington and had not begun his active fight against the administration. Mr. Quay's reply was by letter to the effect that he had no objection to the use of a picture of the governor, but it would be a mistake to assume that Governor Hastings would be presented in the next national Republican convention as Pennsylvania's candidate for president; that if Pennsylvania had a candidate for president it would be Senator Cameron.

"The authenticity of this information cannot be successfully disputed. .It is in fact supported by other similar letters written by Senator Quay. They serve to demonstrate that should he prevail in securing control of the delegation to the national Republican convention next year, the vote would be given to Senator Cameron as Pennsylvania's candidate for president."

be for Senator Quay. Senator Fruit and Representative Marshall have the general appropriation bill in charge, and at the governor's request they held a consultation with State Treasurer Jackson to see where the state stands on revenue. Mr. Marshall says he does not anticipate much of a cut in the appropriation bills. It is well known that the treasury is

FATAL FIGHT IN OKLAHOMA. Two Persons Killed in an Encounter Be-

tween Officers and Prisoners. Oklahoma City, O. T., July 2 .- As the result of a jail delivery at this point confirmation in a recent incident. A at 6 o'clock this evening, two people are dead and several wounded more or less severely. When Jaffer Garver entered the corridor of the jail at the usual time to lock the prisoners in their cells, should make a good display at the late Robert Christian, Vic Casey and Wiltiam Christian made a savage onslaught on him with weapons which they had managed to secrete. He was struck a terrific blow over the right eye and knocked insensible. The prisoners dashed over his body and away to freedom, scattering the people on the crowded streets and keeping at bay their pursuers with a rapid discharge of revolvers, which in some manner they had obtained. Vic Casey jumped into a passing vehicle containing a man and a woman, and at the point of a pistol compelled them to jump out.

Almost before they had time to obey his command. Chief of Police Jones opened fire on the escaping prisoner, who promptly returned the fire. A perfect fusilade then took place between Christian and Casey and several officers. Casey and Officer Jones were instantly killed and another man was shot throught the leg, and a woman was slightly wounded by a spent bullet. One of the Christians then mounted the dead officer's horse, while the other compelled a citizen to get out of his buggy and then drove furiously out into the country, closely pursued by a posse of infuriated citizens.

Vic Casey was 19 years old. He killed Deputy Marshal Sam Farris, at Lukon, O. T., last summer. He would have been released on bond tomorrow. Bob and Will Christian were noted thugs and desperadoes, and were confined on the charge of killing Deputy Marshal Turner, of Tecumseh, O. T., several months ago.
