THE ESTIMATE OF EXPENSES

Resolution Introduced by Mr. Gibbon Thanking Those Who Aided in the Passage of the Indigent Insane Bill-Reports of Officers.

At the poor board meeting yesterday afternoon the finance committee estimated the necessary expenditures of the district for the current year to be: For salaries and services, \$14,000; outdoor relief, \$16,000; supplies, \$19,000; improvements and repairs, \$17,000 (including final payments on buildings and for land); printing and stationary, \$600; furniture, \$300; miscellaneous, \$2,000;

The assessments have been adjusted by the county commissioners with sufficient exactness to make a safe basis for a tax levy. The valuation is for Scranton, \$17,225,315; for Dunmore, \$1,-103,689; total for the district, \$18,629,005. 4-mill levy on this amount would be \$74,516.01, and less 10 per cent for commissions, exonerations and abate-

The committee also reported the extraodinary expenditure of \$60,000 for improvements, all of which was done without raising the tax levy. The finances and credit of the district are in a very good condition.

Mr. Gibbon's Resolution,

Mr. Gibbons in a felicitous speech called attention to the success which has attended the board's efforts to secure state aid for the idigent insane in district almshouses, and in conjunction therewith introduced the following resolution which was unanimously adopted:

Whereas the bill relating to the in digent insane in poor districts and providing for the same allowance for their treatment as is given by the commonwealth to state hospitals for the in-sane was passed by the recent legislature, though the earnest and untiring efforts of the legislators for this county and has become a law by the approval of His Excellency Governor Daniel H. Hastings, and,

Whereas, The bill was drafted and and its enactment secures many thousands of dollars to the treasury of the Scranton poor district from the commonwealth every year, thus lightening the burden upon the taxpayers, and, Whereas, The taxpayers of the Scran-

ton poor district are grateful to those who were instrumental in securing for them this great benefit and advantage. hall. therefore be it Resolved, That the board of poor di-

rectors of the Scranton Poor district, in behalf of the taxpayers thereof, hereby tenders a vote of thanks to E. J. Lynett, secretary of the Scranton poor district, who drafted the measure and made argument before the governor for its approval; to the Alex. T. Connell, member of the house of representatives, from the Second district of Lacka-wanna county, who introduced and championed the measure in the house; Hon. John R. Farr and Hon. Charles P. O'Malley, members from the Sec-ond and Fourth districts respectively, who efficiently aided in securing its passage through the house; to Hon.

James C. Vaughn, senator from the the bill in the senate, and secured its Daniel H. Hastings, governor, who. appreciating its justice, made the bill a law by giving it his approval.

Suggestion by Mr. Shotten. At the suggestion of Mr. Shotten a committee was appointed to examine into the method in vogue in state institutions in employing and accounting for the state appropriations and also to look into the salaries paid and services received from attendants, with a view of comparing the services and remuneration of the employes of this dis-

Dr. Benj. F. Evans, resident physician, reported that during June he had treated 114 patients, 74 sane and 40 insane. On June 1 there were 134 patients in the asylum. One was received and one discharged during the month.

#### THEY CLAIM BIG DAMAGES I

Watson and Zimmerman See Herman Barring, Truth and Times.

SAY THEY HAVE BEEN LIBELED

Claim Damages in the Sum of \$25,-000-Language That Barring Is Charged with Using.

Actions to recover damages for alleged libel were begun yesterday by George M. Watson and R. A. Zimmerman, law partners, whose offices are on Washington avenue, against Herman Barring, of the firm of Barring & Me Sweeney, the Scranton Truth and the Scranton Times. In each case the sum of \$25,000 is asked as compensation for the injury that is alleged to have been done the attorneys by the publication of certain statements reflecting on their honor and integrity. Papers in the three cases were filed by Attorneys I. H. Burns and Charles L. Hawley, who

represent the plaintiffs. On June 20 George Per was arrested at Wilkes-Barre by the Barring & McSweeney detectives and held in ball for a further hearing on a charge of conspiracy. It was alleged that Mr. Perrigo had gone among the property owners in the Lackawanna and Wyo ning valleys and conspired with those who owned land along the lines of the electric railways, to bring suits for damages against the companies under the recent decision of the supreme court affecting the rights of electric railways. What Barring Is Charged with Saying.

It is set forth in the declaration in the Barring case that that gentleman, n speaking about the Perrigo case, "George M. Watson and R. A. Zimmerman are the fellows we want. They are guilty of the crime of barratcrime of barratry and put them in the penitentiary."

This statement, the plaintiffs claim, has greatly injured their business in many ways; caused people to shun them, and put them to great expense to famatory rumors occasioned by the uttering of the said words."

On June 21 articles were published in the Truth and Times setting forth the details of the alleged conspiracy cles also stated that warrants had been issued for the lawyers and would be served at once. Up to this time, however, Mr. Watson and Mr. Zimmerman say they have heard nothing official about these warrants.

Wilkes-Barre Record Retracts. A story was published in the Wilkes-Barre Record on June 20 similar to that in the Truth and Times, but recently that paper published a retraction.
