The Snobbish Committee of Wheelman Refuse Credentials to a Colored Member ON OTHER SIDE OF CHANNEL of the League at Asbury Park.

Asbury Park, N. J., July 9.-The sec ond day of the National League of American Wheelmen meet here proved most enjoyable. The weather could not have been fairer, the placid ocean more tempting or the roads in better condition for riding.

Today the only excitements have been the ride to Long Branch, through Interlaken, Deal Beach and Elberon, by the famous surf road, the great parade and the discussion of Miss Kittle Knox's case. Miss Knox is an extreme ly comely colored girl from Boston who recently won the first prize in the Malden cycle parade for wearing the most tasteful and artistic women's wheeling garb, and who has been a member of the league for six years. joining long before the comparatively recent uproar about the race question, as a result of which the membership was limited to white persons alone.

THE NARCOTI CHEMICAL CO.,
Springfield, Mass.
Gentlemen;—I have used tobacco for over twenty-five years, chewing and smoking every day from 7 a. m. to 9 p. m. stopping only for meals.
On Monday, Feb. 4. I called at your office in Springfield, and bought a bottle of the Cunn which I used as directed, and on the tenth day the desire for tobacco had left me and it has not returned. I did not lose a meal while taking the Cunz. My appetits has improved and I consider NARCOTI-Cunn a grand thing.

CHAS, I LINCOLM.

Mr. Frank H. Morton, of Chicopee Falls, Mass., late inspector of public buildings for Massachusotts, says: I used tobacce for twenty-five years, and was a confirmed smoker. In just eight days treatment with Nanozzi-Curri was through with tobacce, in fact the desire for tobacce vanished like a dream. Very respectfully.

FRANK H. MORTOK.
