"Ay, I just tak' whisky when I have hargies for dinner, and I tak' whisky when I have nae hargies."

Worn Out Women.

Should read this letter. It shows the wonderful building-up powers of Hood's Sarsaparilla, the great blood purifier.

"I wish I could stand in some public place and cry to alluring humanity, 'Hear this, ye people, what wonderful things Hood's Sarsaparilla has done for me and my family.' I cannot express what I suffered. Only one of my sex knows what a woman can suffer in my condition. I was prostrate with nervousness and weakness. The head aches drove me frantic. I decided to take Hood's Sarsaparilla. I am overjoyed to say that I am now well, hearty, rosy and plump."

Hood's Sarsaparilla is the best medicine for those suffering as I have suffered." Mrs. C. C. KIRKPATRICK, Pine Grove, Penn. \$1; six for \$5.

GOING OUT OF BUSINESS, POSITIVELY

The ill health of Manager Goodman will cause The Empire Dry Goods Co. to go out of business altogether. The stock will be closed out until everything is sold. Sale begins Saturday, July 6, at 10 a. m. Two days the store will be closed to mark every item in store in plain figures. The people of Scranton never had such an opportunity to buy a staple, clean stock at your own prices, and almost anything and everything in the household line. It would be too expensive for us to go into details as to what the stock consists of. Everybody knows the line of goods we carry, and it is only a question of how long the stock will last at such sacrifice prices. Building must be vacant by September 1, and every kind of goods must be closed, cost or below cost, or at any rate. Remember, Saturday, 10 o'clock at the old stand, Goodman's Cut Price Store, 516 Lackawanna Avenue. 20 Salesladies wanted.
