LOST IN ROCHESTER.

rantons Played Ball with The fouths and the German Umpire Ob ected-Ward Was Sout to the Bench and Radford Fined \$25. Special to the Scranton Tribune.

Rochester, N. Y., July 18 .- The Scran bons made a great mistake this aftermoon at Riverside park in attempting to play ball with their palates instead with their hands, feet and stomach It took them three innings to absor this fact and to realize what a profitiess thing it is to fight against the decisions thing it is to fight against the decisions of a league umpire, particularly those of a league umpire, particularly those of a league umpire, particularly those the visitors took a drop to themselves the visitors took a drop to themselves and created their transme chinning. Keenan, I. Struck out—By Barnett, 5; off Keenan, I. Three-base hit—Minahan.

Two-base hitz—Moss 2, Eagan, Griffin, Two-base hitz—Moss 2, Eagan, Two-base hitz—Moss 2, Eagan, Two-base hitz—Moss 2, Eagan, Two-base hit gracter on them, "Piggy" Ward ing character on them. "Piggy" ward had been sent to the bench and Paul Redford souked \$25, both for contuma-

rious behavior. The Brownies realized that they were fighting for sixth place to a greater exent than the Scrantons did, and acted dingly. Harper was in the pink Hop and almost at the last Manager Barnie decided to put against him the invincible Meaney. It took but an saning or two to show the erowd that Rochester had a cinch on the game. The locals were putting up come in the game today on the Toronto

need to get runs. Two Scranton Has-Boons.

In the second inning Sweeney conwith a single, all this before Brecken ing to Rogers. With only one man i the morgue, things looked bright for a least three runs for Rochester, esecial when Berger got four wide ones an Hamper climbed to first on a scratch It that ought to have sent him down Eagen turned the trick, however, by neebbing O'Briens long fly and sending

ettring the side.

A bad fumble by Huston, Lush' acrifice and Hamburg's timely single gave the locals another tally in the third. Irritated by a blank in the fourth, they laid themselves out to do Mesurey in the fifth. They did it, through a series of singles by Hasn-Knight, if....... 5 burg, Sweeney, Breckenridge and Ber- Rogers, 1b....... ger, and a base on balls, all of which netted three white marks. All this Dixon, 2b. time the Scrantons had accomplished Murray, rf...... nothing and visions of a "skunk" began McAuley, c...... to inspire the hooters.

Scrappy Times in the Third. In the third, while at the bat, Ward was shooed off to the bench for making es at Doescher. Radford disagreed gled in the third, but their fellows couldn't but them home.

Smith went to Gret and replaced Stearns, who took Ward's place at second. Finally, in the sixth, Harper stopped a bit for water and then the singled-result, four runs. Barnie's men couldn't keep up the spurt, how-ever, and in the seventh and eighth they went out in order, while the des gathered three more runs out flunks by Stearns. The game ended with Scranton getting two runs out of and singles by Luby and Smith.

All of the errors made by the visitors re costly. Harper hypnotized all ing tris varied display of snakes, twists and curiers before their eyes.

Tonight Manager Barnie pro ce it so hot for the locals that the will have to loose their newly-acquired grip on sixth glace. None in town be-lieve, however, that Bill will keep his word. Score:

> Elected by the Christian Endeavor Society-Personal Mention.

[The West Side interests of The Tribune have been placed in the hands of Emerson Owen, to whom all news announcements and complaints may be addressed.]

Never has a more florce battle been waged on the West Side than that of yesterday. Although Mr. Phillips will pe elected, as the figure on shother page will show, yet every vote was sought with great eagerness by both sides. Noteworthy among the triumphs was the fight of 22-year-old Edwin G. Peters. He won by the small majority of one vote, in a total of 73. His partner polled two votes less, while the other Quay delegates came under the yoke with 73 and 72 to their credit, thus

splitting the contest even. John R. Farr, despite the attempted ssassination by the Republican, was lovally vindicated by a large vote from the railroad element. Other features are reported in the regular account. The final result on this side is 23 to 10, in Phillips' favor. Today the convention will be held in Mears' hall at 3 o'clock
