## A Young Man Made Happy and Relieved of an Unsightly Disfigurement by Magnetic Treatment.

"How unsightly!" is frequently the re-nark made by some one who is blessed a day and five hours on Saturdays, on with good health when meeting a perso who is suffering from what is termed Goitre or Thick Neck. It is indeed unsight Gress earnings of forty-four rathroads ly to the observer; but not more so than annoying to the unfortunate sufferer. Many for the second week of July, 1895, are computed at \$4,836,154, against \$3,744,129 persons have gone through life with this for the corresponding week of 1894, a annoying blendsh, thinking there is no help for it, but they were mistaken, for there is net increase of \$1,002,025, or 29.17 per sure cure in magnetic treatments, as the Reading coal it is said is being of-fered in New York at pronounced reunl entargement of his neck. He called ductions from circular rates, and at ductions from circular rates, and at prices which make other companies feel a Goitre. He commenced to take medicing that there is no money in it for Read- and to paint it with iodine. He kept uing and against which they do not wish this method with slight changes for two compete.

this method with slight changes for two years, but received no benefit. The Goitre of the puddlers of the Columbia Iron company were increased today from \$2.50 to \$3 per ion, and the reason of the columbia Iron it would cause him to have a charlest sensation in his throat when swallowing, and was generally annoying to him at all times. He saw Dr. Smith's advertiments and made up his mind to call on him, which he did without delay and was avorably impressed with the methods sed by Dr. Smith and staff and at one ommenced to take magnetic treatment and much to his gratification in a very short time commenced to see the Gottre at \$2.05 per ton, which is away below previous prices. Chesapeake and Chio growing smeller and in two months it had is also delivering coal at very low entirely disappeared and he was dis-charged by the doctors a well and happy rates. The coal brought by Buffalo, Rochester and Phisburg is shipped nan. Dr. Smith and staff are located at very little profit, if any, to the carrier 5 daily except Sunday. Tuesdays and Fr
