All of the events were hotly contested. The racing started at 1 o'clock and tasted until dark, and even then one race was unfinished. The track was fast, but a fairly strong wind blew up the stretch. Anothe

Cheerful was at Hobert's wheel as they got the word. The king of pacers pased the first quarter, going as true as a die, in .30%. Up the back stretch the runner moved up a little. As he swept by the half the time, 1.91%, showed he was behind time for a 2 minute gait. Geers did not

pick him up on the upper turn, but Cheerful was sent to his flank. As they dashed by the three-quarters in 1:31% Cheerful came up abreast and Geers piled the whip and called on the superb son of Hartford for the effort of his life with whip and word, and with Cheerful neck and neck they came down to the wire. Geers was using all his power to make a new record, but it was iseless, and he went under the wire in 2:02 flat, the second fastest mile ever paced in the world, and the fastest of he year.
