Wilkes-Barre loses its one-day hole on third place and Syracuse again goes up next to Providence as a result of yesterday's games. The Alligators met defeat in a close game and the result is charged against Umpire Doescher. The game won by Syracuse from Scranton was merely an exhibition of splendid contest from Springfield. whose hits were twice as many as those of the victors. Of the two games won by Providence from the Canadians, one was due solely to the latter's errors. Standing of Eastern League Clubs.

GANNON WAS INVINCIBLE.

Holds Scranton Down to Four Single Hits-Luby's Wildness Assists Syracuse in the Run-Getting-

When Smith, for Scranton, opened resterday's game with a bewhiskered hit off Gannon, the Syracuse southpaw, It looked to be an easy thing. But Gannon was a delusion and a snare and permitted only another single by Smith and one each to Bannon and Luby.

It was a contest devoid of features, and was a pitcher's battle only up to the fourth inning, when Luby lost his previous good control of the ball and three runs were scored on two walks to first, Bannon's error and a single by Hess. Although six Syracuse batsmen struck out, two runs were secured in the fifth inning by Luby's wildness, and a force hit, while four singles in the seventh produced two more tallies. Although no one of the four strike

outs credited to Gannon were made when men were on bases, the Scranton batsmen were unable to push the leather into a place of safety.

Scranton's Only Run.

Bannon secured Scranton's only run in the fourth. He singled to short center, reached second on Welch's failure to stop the hit and made a daring steal to third. He came in on Stearns' out to left field. At no other period of third. In four innings the locals were retired one-two-three.

No game on the home grounds this leason has offered so little to create enthusiasm, which fact is evidenced in part by the "assist" columns of the detailed score. It was through no fault of Scranton's fielding that the game was lost, as every chance was accepted successfully, save Bannon's one missed grounder, which let in only one run. Gannon had Barnie's men completely at his mercy, and that is the chief reason for the defeat.

Harper and Coakley were the opposing pitchers, the former winning his game solely through Doescher's unfortunate decision at second in the first inning. Two Wins for Providence. Providence, R. I., July 31.-Providence won two games from Toronto today. In the first the home team outbatted and outfielded the visitors, and won by a big margin. The Toronto team had hard luck in this game and made costly errors in attempting brilliant plays at critical times. In this game Lutenberg, the Toronto first baseman, had his nose broken in a collision with Lake when both were trying for foul fly on the base line. He will be able to play tomorrow, however.

The second game was a splendid exhibition of snappy and effective ball playing on both sides. Providence had to earn every run to win the game. Toronto made a great finish, but could not

Buffalo Played in Luck. Springfield, July 31.—Luck ran atl Buffalo's way today. Springfield outbatted the visitors two to one, and yet lost by as big a score. The Springfield made few errors, but they were costly and their hits, while frequent enough, usually came when there were two out. Hurst made a very poor decision at the plate in the sixth inning, which robbed Springfield of one run, and, perhaps others. Buffalo put up a good game in the field, and their few hits off Coughlin came when they were needed. There were many brilliant plays.

NATIONAL LEAGUE.

New York, by defeating the Senators yesterday, makes its first pronounced jump upward which seems bound to continue just so long as the leaders are scheduled to fight among themselves and during the visit of the western clubs in the east. One of the surprises of the last few days is the reversal of form in the Louisvilles, who won yesterday against Breitenstein.

DIAMOND DUST.

Syracuse today. Scranton was the first club to win three traight from Syracuse.

In the last three games the first Syra-cuse player on the list has struck out. It is probable that Manager Kuntsch, of the Syracuse club, will go to Allentown or Carbondale today on a still hunt for two players, an outfielder and an infieldor. Falling to secure them, he will lay a wice in anticipation of the disruption of the our-club State league.

Manager Barnie left the city yesterday on a still hunt for an infielder. He was in cold day. The infield work of both Allentown, and following his departure word was received here last night that Shortstop Sweeney, late of the Allen-towns, would be in Scranton today to replace Heine, who has been released

Since his retirement from the Scranton team, Paul Radford has received numer-ous offers, but is not anxious to sign the rest of the season, and it is possible that he will retire for good. He is not de-pendent on base ball for a living. One by one the old-timers are passing off the field.—Pittsburg Chronicle-Telegraph.

The Syracuse Herald says: "At this ON OTHER SIDE OF CHANNEL time last year Troy had gone to bits and Binghamton was going. All clubs in the league are likely to stick it through this season. Buffalo, Providence, Rochester and this city are well ahead of the game, enough ahead to assure a profit for the whole season. Toronto is doing all that can be expected with a bum team, Pennsylvania is turning out better crowds than were looked for, but the managers there are not getting rich. Springfield is not supporting the 'Ponies' as they deserve.'

CONNELLY PLAYED POSSUM. He Drops to the Floor to Avoid Being

Knocked Out by Dixon. Boston, July 31.-George Dixon, champion featherweight of the world, won another victory this evening at Union Park hall, this city, by defeating Tommy Connelly, ex-champion amateur featherweight of America, in the fourth round. It was the most disappointing fight that has taken place in Boston for years. Dixon clearly showed his superiority over Connelly while the fight lasted. In the fourth round both men clinched and Connelly suddenly went to the floor, apparently knocked out, but not from a blow.

He lay there until the referee had

counted nine seconds, when his trainer entered the ring and picked him up. Connelly was as fresh as when he entered the ring. As soon as Referee "Bill" Daly announced Dixon as the winner, Connelly approached the ropes unassisted, and said: "I am not licked, and will fight Dixon any time." From appearances it was clear to the spectators that he did not care to go on with the fight and laid down to avoid being knocked out.

GRAND CIRCUIT RACES.

Azote, the Big Californian, Averages 2.08 1.4 in the Free-for-All. Cleveland, O., July 31.-An October sky, wind shifting to the south, a fast track and between 5,000 and 6,000 people were the conditions at Glenville for the third day's grand circuit meeting today. Interest centered in the great free-for-all trot, in which Azote, Hulda, Fantasy and Ryland T were entered.

At the last minute Hamlin drew Fantasy. Hulda was the cynosure of all eyes and a favorite with the audience. In the betting Azote, the big California gelding, was a favorite at \$25 to \$15 for the field. He won as he pleased in three straight heats and broke the Glenville track record, the heats averaging 2.084. First race, free-for-all trotting; purse

McCarthy is a total wfeck. He presents a far different appearance than when he met George Dixon in Troy several years ago. As a fighter he is done, and is now numbered among the good old "has beens."
