WE WE WE

Have no agents out soliciting orders. Depend wholly upon the quality of our goods and the very low prices at which we sell them to keep up our large trade.

WE WE WE

Sell such goods as Tea, Coffee, Spices, Soap, Starches, Tobacco, Cigars, etc., on about the same basis of profit as we do Sugar, Flour, etc., which is not customary.

WE WE WE

Can save any large buyer of Tea, Coffee or Cigars money, and if he is a dealer give him goods that will bring him trade and build up his business in these lines.

WE WE WE

Have the least expense attached to doing business of any house that we know of.

WE WE WE

Only ask that you compare our goods (especially Tea, Coffee and Cigars), and prices with what you are in the habit of paying, then do as your judgment would dictate.
