Worn Out Women

Should read this letter. It shows the wonderful building-up powers of Hood's Sarsaparilla, the great blood purifier.

"I wish I could stand in some public place and cry to alluring humanity, 'Hear this, ye people, what wonderful things Hood's Sarsaparilla has done for me and my family.' I cannot express what I suffered. Only one of my sex knows what a woman can suffer in my condition. I was prostrate with nervousness and weakness. The least noise would drive me frantic. I decided to take Hood's Sarsaparilla. I am overjoyed to say that I am now well, hearty, rosy and plump."
