EASTERN LEAGUE.

Yesterday's Results. Springfield...... 15 Wilkes-Barre.....

It was a great day for the leaders yesterday, Wilkes-Barre being the only first division club to lose. As Syracuse won, one day's playing may change the positions of the two clubs. Buffalo's victory places that club three games ahead of Scranton.

It was reported from New York yester-day that Tommy Bannon would be played temporarily at first base until Doyle recov-ers from his higury. Wilson, who has been playing the position, was not a success.

He left there at 5.10 a. m., rode via Port Jervis and Bushkill to Stroudsburg, El/2 miles, where he stopped for dinner and reached Scranton at 8.10 o'clock. He covered 108 miles. A century run is by no means a small accomplish-ment, and the minister's feat is given added importance from the fact that from Stroudsburg he wheeled over the Pocono mountains. Mr. Ballentine is a contradic-tion of the usual athlete. He is of slight figure, looks like a close student and does not at all resemble one who could per-form such a feat.
