Buffalo, Aug. 28.—Buffalo defeated Scranton today in a whirlwind finish in the ninth inning. The Buffalos virtually won the game in the first by touching Miller for four runs. Though shut out in the second, Baffalo came near to scoring, and Johnson went in the box in the third. Herndon was effective in the first, but in the second and third he went to pieces, the visitors getting six runs on three bases on balls, three doubles and one single. Then Lampe went in the box and the scoring ceased. It was a beaufful pitchers' battle with honors even till the Buffalos' half of the ninth, when singles by Lewee and Lampe and a base on balls to Bottonus filled the bases.

en drove the ball to right field for three and was scored by Shearon's single. Attendance, 1,200.

REFEREE OF THE BIG FIGHT. Fitzsimmons Will Not Name His Choice

The Dallas club officials are not settled in mind as to how they will choose the referee for the great fight. The club is to select all the officials, but they must be to the liking of the dighters. It was generally understood that a referee would be selected three weeks before the fight. The point is not clear in the articles. Fitzsimmons comes out with the statement that he will not consent to the selection of a referee until the very day of the contest. "I want a fair deal," he said, "as this is a very

important matter to me."

"The club desires you to submit early in October a list of names of men who in October a list of names of men who would suit you," the New Zealander was informed. "That makes no difference to me," was the reply, "The day of the fight is time enough, and I shall not mention a man until then. I want a man who is familiar with the rules, and who has had eperience. I do not propose to get the worst of it."

W. A. Brady said that he did not apprehend any difficulty in this direction. "Any fair man will suit us," he said. "We have named several capable men. Now let Fitz put in a list. The whole thing can be settled in five minutes."

Now let Fitz put in a list. The whole thing can be settled in five minutes."

It is generally understood that the referee of this engagement will get \$1,000 and expenses. "Honest" John Kelly agreed to act as refree at the Corbett-Mitchell fight in Jacksonville, when just such inducements were offered. He settled the claim a short time ago, it is said, for a mint julep.

Contrary to the usual experience, fifty or more men are after the job, all of them being eager to have themselves well advertised as on the eligible list. Fitzsimmons will not favor one of them, but Brady and Corbett probably have one of the number. Who the choice of Fitzsimmons is no one at present knows.

Evangelist Schiverea preached to an audience much larger than usual last evening. He spoke on the text: "What will it profit a man to gain the whole world and suffer the loss of his immortal soul?" Skeptics, he said, will argue that God is unjust, for if any man shall suffer everlasting punishprent, then is not God an unjust God for creating that man at all? The speaker confuted that argument with the one that man is a free moral agent and has it in his power to accept or reject God when he arrives at the age of accountability. His dis-course was mainly in pointing out how easy it is for man to be a Christian. A easy it is for man to be a Christian. A moonday gospel meeting will be held at the tent today from 12 to 12.30.
