## **CONTESTS IN THE LEAGUES**

Baltimore-Pittsburg Game Prevented by Wet Grounds.

CLEVELAND WAS GENEROUS

Lost to Boston and Baltimore's Lead Continues Unimpaired - Herndon Was a Puzzle That Scranton Could Not Solve at Buffulo.

Luck appears to be favoring Baltimore with her choicest smiles just now. Yesterday the champions were scheduled to play Pittsburg, who have scheduled to play Pittsburg, who have been an important factor in the race for the pennant this season. Wet grounds prevented the game. Then Baltimore's luck took its turn. Cleveland, the club that is trying to displace Baltimore as the leader, went up against Boston, and lost, although on the previous day they defeated the Hubites two to one.

Hubites two to one.

Scranton lost its game to Buffalo through inability to bat, and Wilkes-Barre also sustained a defeat at Rochester. Hodsen gave a remarkable exhibition of pitching at Syracuse, holding the Stars down to two hits.

Wilkes-Barre and Scranton are the only two clubs of the Eastern league that have not played 100 games or more—and today's Scranton game will make the one hundredth for the home team. Wilkes-Barre will number its games with three figures after tomorrow. The clubs are so far anart in row. The clubs are so far apart in percentage that there is but little in-terest in the race for position except between Wilkes-Barre and Syracuse.

DIAMOND DUST. Tim Hurst umpired his first game at Washington Wednesday after being made a National league umpire.

First Baseman Clark, of the New York club, will probably be released, as Bannon is doing great work in that position.—Philadelphia Record.

Tim Hurst will finish the season as a National league umpire. President Powers, of the Eastern league, has given way to the major organization. St. Louis has just four men capable of

playing in the big league. They are Coole, Ely, Petts and Breitenstein. Some of the others are but little above the ama-teur ranks.—New York World. ## FLEETWOOD'S NEW RECORD

Established by Robert J. in the Precfor-All Pacing.

IT WAS A VERY EXCITING RACE

Robert J. Was Opposed by John R. Gentry. Mascot and loe Patchen-Lattor Did Not Pace a Mile

Without Breaking.

Fleetwood Park, N. Y., Aug. 29.—A record breaking crowd gathered at Fleetwood park today to witness the \$5,000 pacing free-for-all, in which Joe Patchen, Robert J and John R. Gentry came together for the first time. There were 10,000 persons on the track when the horses appeared at 2.15, and they were still pouring through the gates in great numbers. Joe Patchen was a hot favorite at 4 to 5, Robert J at 7 to 5, John R. Gentry at 3 to 1 and Mascot at

20 to 1.

The first heat was a good deal of a fluke. Gentry was laid up, Robert J going to the front, followed by Patchen and Mascot, a length apart to the half in 1.02. At the Point of Rocks Joe Patchen and Robert J broke simul-taneously, and Mascot took the lead; taneously, and Mascot took the lead; but Robert J caught quickly, and coming very fast in the stretch, easily beat Mascot out in 2.06%. Gentry was third and Patchen, who made a bad break, was fourth. Robert J won the second heat all the way. Joe Patchen broke before he reached the first turn, after which Curry laid him up.

They Forced the Race. Mascot and Gentry went after the Hamlin gelding, forcing him to pace the first quarter in 30½, the half in 1.6% and arst quarter in 30½, the half in 1.6% and the three-quarters in 1.33¼ without touching the limit of his speed. Mc-Henry made a hard drive in the stretch with John R. Gentry, getting up to within an open length of him, but failing to bring Geers to a drive with the record holder, who crossed the line a clever winner in 2.04½, the fastest time ever made by a pacer or a trotter on the ever made by a pacer or a trotter on the

Fleetwood track. Mascot was three or four lengths away and Joe Patchen landed just inside the distance. Robert J won the third heat, John R. Gentry second, Mascott J. John R. Gentry second se

cot third, Joe Patchen fourth. Time, In the third heat the quartette went away closely bunched at a record smashing clip. Running for the Point of Rocks Robert J. was ahead, but Patchen was seen to be gaining stead-ily but slowly, when all of a sudden the black horse made a tangled break and fell away behind. Gentry, too, faltered, for Patchen had run into his sulky, tearing off the rim of the wheel.

Stern Chase to the Wire. From there to the wire it was a stern chase after Robert J., whom Geers had simply to steady, and let sail without coming to a drive. Gentry was four lengths behind at the finish, Mascot as far back of him and Joe Patchen just inside of the flag. Geers said after the race that his horse was driven almost at his best today, and the fast time of the second and third heats would indicate that Robert J. has recovered his old time form.

old time form.

The race was a disappointment to horsemen inasmuch as Joe Patchen never paced a single heat without a break, thus leaving in doubt the question as to whether he could speed with Robert J. The summaries tell the story of the other two races on the The special feature of the card to-
