MISSIONARIES TO SPEAK.

Interesting Services to be Held at Several of the City Churches.

Harry W. Luce, of Scranton, one of the members of the Students' Volunteer movement, will have charge of a series of meetings which will be held at the various churches of this city shortly.

The meetings will commence on Thursday evening, Sept. 5, and will be held in the Baptist, Methodist and Presbyterian churches.

Arthur B. Williams, a student of Yale university, will be one of the speakers. He is preparing himself for a medical missionary, and as soon as he has finished his course will leave for foreign fields.

Mr. Williams will address the meeting at the Baptist church Thursday night and Mr. Luce at the Methodist and Presbyterian churches.

Both gentlemen will be present at the Presbyterian church on the Sunday following, in the morning. They will divide their time in the evening.

Both young men are able and eloquent speakers, and should receive the utmost encouragement from the church people. Mr. Luce will leave next year for his work in the foreign missionary field.

TWO ACCIDENTS.

Both injuries Are Very Painful, but Not Serious.

Frank Hoban, of South Church street, met with a very painful injury yesterday morning. He was using a pair of scissors in some work he was doing when they suddenly slipped, catching his fingers between the blades. The sharp steel entered the flesh to quite a depth, making an ugly wound.

The case is especially sad, as Mr. Hoban is about three inches long. The sharp steel entered the flesh to quite a depth, making an ugly wound.

Mr. Hoban was called on by Dr. Niles responded. He dressed the wound, being compelled to make five stitches in it. Mr. Hoban will be unable to use the injured member for some time.

While working in Master Mehan's kitchen's shop, Frank Jones, an employe of the Delaware and Hudson, was with an accident that will prevent his being out for several days. Mr. Jones was moving a pair of heavy adjustable tongs, at the time, when they slipped and caught his foot, severely bruising and crushing it. He will use crutches for some time.

WEDDED ON THURSDAY.

Frank McAndrew Leads Miss Theresa Burke to the Altar.

Thursday evening at St. Rose church occurred the marriage of Miss Theresa Burke, of 114 Chestnut street, to Frank McAndrew, of Jersey. Rev. J. J. Curran performed the ceremony which united the young couple.

The bride wore a handsome cream dress with velvet trimmings. Miss Mary Smith, of Archbold, who acted as bridesmaid, was attired in brown cashmere.

The couple were driven to the bride's home after the ceremony, where a reception was tendered the happy couple. They left on the 10:29 Delaware and Hudson train for a tour which will include New York, Boston, Philadelphia and other places.

Both people are well known in this city, the bride being very popular and enjoying a large circle of friends. The groom, although a resident of Jersey, is also well-known, and both receive the well-wishes of friends, both in this place and Jersey.

DEATH OF A CHILD.

The Little Child's Mother Killed Not Long Ago.

At the home of Mr. and Mrs. George Chapman, on Jeffrey street, Thursday night, occurred the death of the infant child of Frank Lesterson.

The case is especially sad, as Mr. Lesterson lost his wife by a terrible accident less than a month ago. The child was in its mother's arms at the time she was struck by the cars at the head of No. 3 plane. It was thought that the child was uninjured at the time, but it must have been hurt internally, as it has never been well since.

The fact that it was deprived of its mother at such a tender age made it more hard for the willing friends to care for it. The immediate cause of the child's death was cholera infantum.

The funeral services were held at the Presbyterian church, after which the remains were taken to Wayne county for interment.

ANOTHER RUNAWAY.

Farmer Burns, of Aldenville, Figured in One Yesterday.

Joseph Burns, of Aldenville, had an experience Thursday which will not repeat in a hurry.

Mr. Burns came to this city with produce and, having finished his run, was in his way home. Mr. Burns was in a hurry, as it was getting late, and to start the horses gave them a cut

A terrible runaway accident occurred this side of Lynn station last night. As the Montrose train was making its home trip, Engineer Deabler saw the train of Peter Johnson, of Bush, her mother, Mrs. Hannah Strickland, and three or four children in the wagon, running at a terrible speed. In a few moments the family were all thrown out, excepting the baby, and the horses dashed madly on. The train was stopped and Mrs. Bush was found with her skull crushed and back protruding, and the others more or less injured. Mrs. Strickland having an arm broken. They were put on board the train and brought to their home. In the morning the horses were pursued and the wagon found overturned with the baby under it, seemingly also badly injured. It is probable that Mrs. Bush will be dead by the time this reaches the eyes of the reader of this paper.

GRATITUDE.

Another man expresses his gratitude to Dr. Smith and staff for curing him of a bad case of catarrh of the head. Mr. Gust Lager called on Dr. Smith and staff. He was suffering from a bad case of catarrh. It had caused catarrhal inflammation of the throat and had extended to the inner ear, impairing his hearing and causing peculiar sounds in his ears, which annoyed him very much. He would frequently imagine some one had spoken to him when, in fact, there was no one near him at the time. He commenced taking magnetic treatments. The first two weeks he thought he was worse. The second two weeks showed a slight change for the better. He kept on improving and in ten weeks was satisfied that he was cured. All chronic diseases are cured by these doctors. Call and see them. Consultation free, 9 to 5 daily, Tuesdays and Fridays, 9 to 9, at 605 Linden street.

TO OUR PATRONS:

Washburn-Crosby Co. wish to assure their many patrons that they will this year hold to their usual custom of milling STRICTLY OLD WHEAT until the new crop is fully cured. New wheat is now upon the market, and owing to the excessively dry weather many millers are of the opinion that it is already cured, and in proper condition for milling. Washburn-Crosby Co. will take no risks, and will allow the new wheat fully three months to mature before grinding.

This careful attention to every detail of milling has placed Washburn-Crosby Co.'s flour far above other brands.
