CONTESTS IN THE LEAGUES to Ward to Smith. Time-1.50. Attend-ance-2,000. Umpire-Swartwood. CASE OF HOSS AND HOSS. Wilkes-Barre Won in the Morning and Syracuse in the Afternoon. Syracuse, N. Y., Sept. 2.—One a piece was the result of two games at Star park today, the Wilkes-Barre nine winning in the morning and the home team coming out ahead in the afternoon. The first contest was witnessed by a small crowd. Costly errors and inability to hit Keenan after he had taken Coakley's place in the first inning were the causes of the Syracuse defeat. Brooklyn Is Crowding Philadelphia Hard for Third Place. BALTIMORE INCREASES LEAD St. Louis Succeeded in Taking One Game from the Orioles-Scranton Won One and Lost Two to Toronto. Providence Took Two. Over 5,000 people attended the after-noon game and the struggle was an innoon game and the struggle was an in-teresting one. Heavy batting on both sides marked the exhibition. The seven runs that the Stars piled up in the sixth inning gave them a lead that was more of a handicap than the visitors were able to overcome. Sandy Grif-fin made three of the Wilkes-Barre nine runs and seemed, by his playing, to be trying to show the home team that they had lost a good man. New York has an opportunity to revenge World's fair scores with Chi-cago, while Brooklyn and Philadelphia cago, while Brooklyn and Philadelphia sre in a deadly heat for third position. STATE LEAGUE. At Reading-ANTHRACITES SHUT OUT.

Were No Match for the Champion Y. M. C. A. Teum. About 500 persons witnessed a fine exhibition of base ball at the park yes tetrday between the Young Men's Christian association team of this city and the Anthracite club of Moosic. The Young Men's Christian Association team demonstrated the fact that it can be classed with any semi-professiona

team in the state.

The game was a battle royal between The game was a battle royal between the opposing pitchers and was much closer than is shown by the detatiled score, Dean having a slight advantage, though not striking out as many batters as did Lucky. Five Anthracite batters were all that could reach first base and only three of these were able to hit this phenomenal young twirler.

twirler.

The feature of the game was White's stop of a hot grounder in the second inning, after a desperatet dash, and the batting of Owens, this auburnhaired youngstetr making three hits, with a total of four bases. For the Anthracites O'Neil caught a magnificent game and was a great help in steadying Lucky at critical times.

The Young Men's Christian association made four runs in the second inning by clean hard hitting, three in the eighth and two in the ninth on a base eighth and two in the ninth on a base on balls to Brooks and two two-bag-gers by Owens and Gillern. Score:

Esper, the Baltimore pitcher, has not hit a single batsman or made a wild pitch his whole season.

The record McMahon has made since his return to the game for Baltimore has never been equaled. He has pitched nine games, winning them all for Baltimore, and four of them are recorded as shutouts for the opposing team.—Wilkes-Barre Record.

"Circle," the Pittsburg correspondent of Sporting Life, says of our George Meekin, recently released by Wilkes-Barre: "That man has as much speed as Rusle or Hawley, but he can't pitch in the league, for after a couple of men get on bases he cannot swallow his own saliva." bases he cannot swallow his own saliva."

A mail vote of the directors of the National league decides that the game won by the Bostons from Washington on the last visit of the Senators, and which was protested on account of one of Umpire Burnham's rulings, should be thrown out altogether and will have to be played over. This takes one victory from the Boston club's standing and one defeat from the Senators.
