to go on. I further say that I shall move for the final disposition of the case on the third Monday of September." The cases against the subordinate keepers were also postponed until the same date. **NR. QUAY'S APPOINTMENTS** He Names an Executive and Advisory Committee of Eleves. BLUE AND GRAY DAY.

SELECTION FROM LACKAWANNA

Ex-Lieutenant Governor Watres Named as Member from Northeastern Fonnsylvania-New Members of State Committee.

Philadelphia, Sept. 3.—Senator Quay arrived in this city today, accom-panied by State Committee Secretary J. B. Rex, who boarded the train at Huntingdon. Mr. Quay was visited during the day by many of the leaders. He made preparations for the coming campaign. Ex-State Chairman Gilke-son arrived about noon, and after the two rivals in the famous factional con-flict had shaken hands and exchanged amicable words, the ex-chairman turned over the books, papers and oth-er property of the committee to his suc-cessor.

Mr. Quay announced his appoint-ments, subject to the ratification by the state committee, of the following eleven persons as members of the ex-ecutive committee, which is to be an

auxiliary to the state committee and advisory to Chairman Quay: Frank Willing Leach, of Philadelphia, chair-man; Senators Boles Penrose and C. Man; Senators Boles Ferrose and C. Wesley Thomas, Philadelphia; Lieuten-ant Governor Walter Lyon and Con-gressman John B, Robinson and ex-State Senator Thomas V. Cooper, Delaware: ex-Lieutenant Governor L. A. Watres, Lackawanna; State Senator William H. Andrews, Crawford; Lyman D. Glibert, Dauphin, and S. A. Davenport, Erie. "The idea of an executive committee," said Mr. Quay, "is a new one, but 1 expect it will work well in the conduct of the campaign, and be as ser-viceable and efficient as it has proven to be in national campaigns. The state committee, however, has yet to pass judgment upon my plan. A meeting of the state committee will be called for the last week in September." Committee Members at Large. The senator also appointed the fol-

One of the Important Events of the Cot-THEY DON'T WANT THE EARTH ton States Exposition. Atlanta, Ga., Sept. 3.—The executive ommittee of the Cotton States and International exposition has invited the veterans of the federal and confederate armies to come here on Blue and Gray day, Sept. 21. It is expected to be one of the greatest days on the exposition Clothes, an Increase of Salary,

calendar. There will be 100,000 Grand Army of the Republic men in Chattanooga on Sept. 19 and 20, and it is expected that fully one-half of the crowd there will come to Atlanta on Blue and Gray day. Thousands of confederate veterans Philadelphia, Sept. 3.-The sixth an-nual convention of the National Asso-ciation of Letter Carriers began here will also come and with the general in-flux of visitors, an estimate of 100,000 in attendance on that day is considered safe one.

GHASTLY EVIDENCE. Portions of Benjamin Pietzel's Body Have

Been Exhumed and Will Be Produced at the liohnes Trial.

Philadelphia, Sept. 3.—The body of Benjamin F. Pietzel, whom H. H. Holmes is accused of having murdered, and which was exhumed last Saturday and which was exhanced last Saturday for the purpose of removing the skull from the trunk, was dug up again to-day by order of District Attorney Gra-ham. A portion of one of the legs of the corpse was amputated and parts of the clothing of the dead man were se-oured for the surross of making more cured for the purpose of making more complete the identification of the re-mains as that of Pietzel. Little doubt remains that the grand jury will soon be called upon to indict Holmes for the murder of Pietzel, and that Mrs. Pietzel is to be brought to Philadelphia to identify the teeth in the skull and a scar on the leg that was amputated today. As early as 7 o'clock this morning the grave digger at the American Mechan-ics' cemetery started for the second time to unearth Pietzel's remains. The

time to unearth Pietzel's remains. The coffin was removed to a shed and in an hour Dr. Mattern stepped out with a suspicious-looking satchel in his hand. It contained part of the right leg of the corpse which the doctors amputated and portions of the dead man's coat and trousers. District At-torney Graham had the leg amputated to add to the evidence that the body

ly. Another resolution was presented on the same subject limiting the time in which eight hours' labor shall be performed to eleven consecutive hours. Two resolutions were offered providing for a pension fund. One stipulated that a pension bill on the assessment plan be adopted, and the other requestpoint be adopted, and the other requisit-ed that a law be passed by congress providing that \$1 per month shall be taken from the salary of each letter carrier and paid into a fund. Out of this carriers of fifteen years' service, upon retiring, are to receive \$20 a month. teranty years' service, \$20 a

month; twenty years' service, \$30 a month, and thirty years' service, \$40 a month. A petition was presented from Rochester asking that the next con-vention be held there.

vention be held there. At this juncture a committee from the Cigar-makers' union asked for an audience, and the request being grant-ed, George Chance, the chairman, re-quested that the association endorse the blue label of the International Cigar-makers' union. The request was referred to a committee. The commit-tee appointed to secure the erection of a monument in honor of the late Hon. a monument in honor of the late Hon. Samuel S. Cox, the letter carriers' friend, reported that the monument

now stands in Riverside park, New York. The sum of \$10,919 had been col-lected for its erection, and \$10,913 had been expended. For Next Year's Convention.

For Next Year's Convention. After requests to hold next year's convention had been received from Grand Rapids, Rochester, Buffalo, San Francisco and Syracuse, the meeting went into a committee of the whole to receive the report of Chairman Charles Cutler, of the legislative committee, and John N. Parsons, of New York, took the chair. Copies of the report were distributed to the delegates, and Chairman Cutler detailed how he had conferred with members of congress to forward the tenure of office and sal-ary measure. Mr. Cutler's report was

ed to the constitution.

the ground by the concussion. Their escape is little short of miraculous. The magazine was scattered to the winds. Nothing remains but a huge excavation in the earth. The shock was felt for miles surrounding the location of the building. The cause of the explosion will probably never be ascertained. THE FIRST CHOLERA SCARE Letter Carriers' Association Deliber-Chinese from Honolulu Are Said to ALLIANCA MATTER CLOSED.

spain Refuses to Open the Matter for Further Testimony.

Madrid, Sept. 3.—A Polish count, Hobkirk, who was a passenger on the American steamer Allianca when she was fired upon by a Spanish gunboat off Cape Maysi, Cuba, and who accuses the captain of the Allianca of suppressing his evidence that the Al-lianca carried contraband of war and

was within Cuban waters, has arrived here and has seen the minister of war and marine regarding the matter. clation of Letter Carriers began here today. The committee on credentials reported a representation of 508 out of 528 votes in the convention. Delegate Atkinson offered a resolution request-ing the committee on legislation to pre-The government, however, declines to reopen the question. Count Hobkirk has published his story in the Spanish pare for presentation to congress pro-viding for the increase of salaries of second class carriers from \$550 a year newspapers, and it has created a sen-sation here.

DUNRAVEN SATISFIED.

to \$1,000. Resolutions were also offered request ing the legislation committee to prepare bills granting each letter carrier a cer-tain sum each year for uniforms and He Is Pleased with the Appearance o His Yacht, Valkyrie III. New York, Sept. 3.-Valkyrie III completed her tuning up today and was providing for lighter clothing in summer. A delegate from Washington of fered a resolution requesting the same dry docked this afternoon to have her hull put in shape for the America's cup races. She is in fine condition, and committee to have the eight hour law administered so that the eight hours of labor should be performed indefinitecup races. She is in fine condition, and Lord Dunraven is perfectly satisfied with her barring her color. He sent her across the Atlantic a white boat, and, under his orders, the black coat-ing, which she was given before his ar-rival, is being removed tonight, and she will be painted white tomorrow for the races. Her last sail outside of Sandy Hook this afternoon empha-sized her ability in light winds. A United Press reporter asked Lord A United Press reporter asked Lord

Dunraven if he was satisfied with the condition of Valkyrie. He replied: "No, I am not at all, but I hope to be when she leaves here. Surmising that changes would be

found necessary which would make further trial spins desirable, the refurther trial spins desirable, the re-porter suggested it was a pity that he would not have another week after dry docking before the races. "Oh, no; I don't think so," his lord-ship replied. "Then you are satisfied with the tun-ing up she has had?"

ing up she has had?" "Yes, quite so." "The work in dry dock, then, will be principally dressing her up and im-proving her appearance?"

but as nearly as can be remembered he was born Aug. 8, 1793, making him 102 years of age. He was born in the lower province of Canada. In the year 1819 he moved to the state of New York, and thence to Chicago in the year 1829. After a chort time he area in moved to After a short time he again moved to this place, taking up a homestead on the farm that is now known as the His lordship's dissatisfaction, there John Lynch farm, just east of the in-corporated limits of Lowell. He was a subject of the king of England until Aug. 10, 1837, when he took out nat-uralization papers at Crown Point, Lake county, Ind., before Solomon Rob-ingan who was county clark at that

His lordship's dissatisfaction, there-fore, appeared to be confined to the yacht's appearance. He said he pre-ferred white and that she always has been white, but he did not know whether they could make the changes successfully now. Lord Dunraven was surprised at the cable report that bet-ting in London was 3 to 1 on Defender, and asked how the betting was here. He was told that odds varied greatly.

and asked how the betting was here. He was told that odds varied greatly, and many thought even money was the proper thing, believing that it was largely a matter of betting on wind, with Defender picked for a blow and Valkyrie for light air. Valkyrie will remain in dry dock un-

til Friday morning. After the dock has been floated the Defender will be taken into the dock astern of her, and the official measurements of both yachts will be made by Mr. Hyslop.

will be located.

If he desires to converse with his wife, now decoused he goes into a trance and commences his "exercises." If he desires to converse with his wife, now decoused he goes into a trance and commences his "exercises." If he desires to converse with his wife, now decoused he goes into a trance and commences his "exercises." If he desires to converse with his wife, now decoused he goes into a trance and commences his "exercises be-tween God and the devil." He was then asked if he work did not tire him. He said: 'Oh yes; it fid tire.me at first, but now I have become used to it and do not mind." He is of the opinion that he is good for 100 years more. ore

ANOTHER EASTERN WAR. Hostilitics Between Russia and Japan

Belleved to Be Imminent. San Francisco, Sept. 8.-Chester Hol-

China, after twenty-one years' service in the American legation at Peking, says the recent massacre is traceable to the result of the recent Chinese-Japa nese war. Mr. Holcomb says the most interest-

ing question in the orient sit the pres-ent, outside of themissionary masscores and the cholers, is the approaching conflict between Russia and Japan. "That Japan and Russia will become mixed up in a dispute which will result in war, goes without saying," said he, "and the commencement of actual boshave a big grievance against Russia, and Russia is preparing to make things warm for the Japanese. The other day I was told frankly by a Japanese in a high position in the government that Japan will rue the day that she per-mitted herself to get into war with China. It gives Russia the opportunity she has longed for."

MAN KILLS HIS SON.

Hears a Rattling at the Window and Thinks It Is a Burglar.

Thinks It Is a Burglar. York Station, Ala., Sens. 3.—Allen Toes, of this place, locked up his house last night and retired early, suppos-ing that all his family had retired. Several hours later he was awakened by a noise at his window. Belleving a burglar was attempting to effect an en-trance he fired a load of buckshot through the turned slats. On opening the blinds he found he had killed his 20-year-old son, who had been detained from home until late.

been detained from home until late and who had rattled the blind to awak en his father and gain an entrance to the house.

BRAKEMAN UNDER WRECK.

One Life Lost and Many Cars Demo ished on the Pennsylvania.

Huntingdon, Pa., Sept. 3.-An east-bound freight train on the Pennsylvania railroad was wrecked by a broken axle six miles west of this city late last night.

Twenty cars loaded with coal and bridge iron were demolished and the debris piled up on both the tracks for over 100 yards. E. W. Franks, a brakeman, whose family lives in Harrisburg was caught under the wreck and killed.
