## DEATH OF MRS. CONRON.

An Old Resident Passes Away at the Age of 96 Years.

On Sunday Mrs. Frederica Conron, of 35 Wyoming street, passed away. Mrs. Conron was one of the oldest residents of the city, being 96 years of age at the time of her death. She was born in Stuttgart, Germany, and when 24 years of age moved to this country with her mother and brother, her father having come over in 1817.

Not long after her arrival in this country she was married to William Abram Dearborn, who now resides in Dakota, being born to them. Her husband having died she was again married to John Conron at Montrose, soon after moving to this city, where she has lived ever since. Two children were born to them, P. C. Conron, of Wakarusa, Kansas, and Miss Eliza Conron, of this city. The deceased was one of the early inhabitants of this place, having moved here when it was yet but a little mining village. Her memory did not desert her in her old age, and she had many interesting tales to tell of the development of the village into a prosperous town. Her funeral services will be held this afternoon at 2:30 o'clock, at her late home, on Wyoming street. Rev. H. P. Hotherway will assist in the services, which will be conducted by Rev. Charles Lee, of the First Presbyterian church.

## MR. FOX HONORED.

His Employees Show Their Respect for the General Proprietor and His Wife.

Sunday afternoon the employees of Hotel Anthracite showed the respect and esteem in which they held Landlord Fox and his wife in a most pleasant way.

Shortly after dinner the employees of the hotel gathered in the dining room and word was sent for Mr. Fox and his wife. He was considerably surprised and not a little alarmed at the gathering, but his fears were soon dispelled when Mr. Woodman, head clerk, stepped forward and in a neat little speech thanked him on behalf of the employees for the kindness and consideration with which he had always treated them. Then he gave Mr. Fox a more tangible expression of their appreciation in the shape of a beautiful ebony walking stick with a gold handle, on which were inscribed the following words: "Presented to Mr. Fox, Mr. Woodman, head clerk, by the employees of Hotel Anthracite." After presenting the cane to Mr. Fox, Mr. Woodman turned to Mrs. Fox and gave her a beautiful silver set.

Mr. Fox was entirely overcome by emotion, and could hardly speak for some time. After he gained control of himself he thanked them for their kind remembrance, and told them that he would always be prized by his wife and himself, and that each employee would always have his kindest regard.

## JUMPED THE TRACK.

One of the Street Cars Ran Off at Moon's Blacksmith Shop.

Sunday night one of the cars of the Rapid Transit company ran off the track at the intersection of Canaan and Belmont street and nearly plunged over into Rackett's car on this side.

Such has been said about the terrific speed at which the company let their employees run the cars down Belmont street, but despite it all, they still continue to let them go, and Sunday night's accident will probably show the danger.

About 9:30 p. m. under the control of Conductor Eugene Hudson started down Belmont street and as there was not much traffic and the track pretty straight, he let the car out. This was all right until the car struck the sharp turn at Canaan street, when it left the track.

It was thought by those on board and by the spectators that it would surely go over into Rackett brook and, indeed, it came within a few feet of doing so. However, the mad ride ended happily and the passengers are congratulating themselves on their narrow escape, as had it ended over the bank it would have gone horribly.

It took quite a while to have the car re-railled and the traffic on the road was delayed for some time.

## PRESENTED WITH A FLAG.

Contractor T. C. Robinson Is Remembered by His Employees.

Contractor T. C. Robinson was remembered by his employees on Saturday night, the occasion being his fifty-second birthday. At 8 o'clock twenty-five employees came into his office. Mr. Robinson was entirely taken by surprise.

He was put at ease, however, when Milo Felt, the oldest employe, stepped forward and said that they had been informed that it was his fifty-second birthday.

"I had scrofula in my eyes and tried several physicians but found no cure. My wife persuaded me to try Hood's Sarsaparilla. I had a choking sensation, was troubled with night sweats, and had dyspepsia in very severe form. After taking Hood's Sarsaparilla two weeks the choking spells and dyspepsia troubled me less. I have now taken several bottles of Hood's Sarsaparilla and find that I am entirely cured."

WILLIAM L. PATYNS, Berryville, Virginia.

Hood's Sarsaparilla is the only true blood purifier prominently in the public eye. \$1; six for \$5. Prepared only by C. I. Hood & Co., Lowell, Mass., U. S. A.

He was suffering from a bad case of catarrh. It had caused catarrhal inflammation of the throat and had extended to the inner ear, impairing his hearing and causing peculiar sounds in his ears, which annoyed him very much. He would frequently imagine some one had spoken to him when, in fact, there was no one near him at the time. He commenced taking magnetic treatments. The first two weeks he thought he was getting no benefit. The second two weeks showed a slight change for the better. He kept on improving and in ten weeks was satisfied that he was cured. All chronic diseases are cured by these doctors. Call and see them. Consultation free, 9 to 5 daily, Tuesdays and Fridays, 9 to 8, at 605 Linton street.
