M. E. Church - Brief liems of News. Today will practically be the last onof the mission that opened two weeks ago in St. Luke's church in charge of Fathers Burke, Cullen and O'Callahan, three Paulist missionaries from New York. It has been a season of deep religious fervor and of inestimable value to the congregation. As one of the fathers said, it is only until the last day that the ocean of mercy and grace that God pours forth upon the people, can be seen in its complete abundance. The first week was devoted to the spiritual needs of the women and girls, this week has been for men and bys. The attendance at all the services throughout, beginning with the 5 o'clock mass in the morning was remarkable. The fathers will leave for Fall River. Mass., to begin a mission there. The men's mission will close with a sermon tomorrow night.
