HORRIBLE ACCIDENT.

Edward Dougherty Squeezed Between a Car and Coal Chute.

Yesterday afternoon a terrible accident occurred by which Edward Dougherty, of Parke street, nearly lost his life, and the result may prove fatal.

The accident occurred at the Delaware and Hudson company's colliery, below the city. The unfortunate man is employed as runner on the gravity road, and supplies the cars to the mines

road, and supplies the cars to the mines as needed. Along one side of the track at this point runs a series of chutes from which the cars are loaded. The distance from the chutes to the cars while passing is very slight, and the runner is obliged to stand between the cars while passing this point. Mr. Dougherty did not notice that he was so near the chute, and so did not step from the side near the chute to the other side.

other side.

The result was that the man was caught between the cars and the man was caught between the cars and the chute and severely squeezed. How he came to forget himself is not known, as he passes the place several times a day, and knows its danger. He was unable and knows its danger. He was unable to say anything after the accident, and how badly he was hurt could not then be seen. A messenger was dispatched upon a mule for this city, where the ambulance was sent to convery the injured man to his home. Father Nealon was also informed, and he went with the ambulance and looked after the spiritual welfare of the man.

Dougherty was taken to Emergency hospital, where he received medical attention. Just what his injuries are, and how they will turn out, is yet too

#### MID-WEEK SABBATH.

Stores Closed Yesterday Afternoon by Request of Evangelist Schiverea.

Request of Evangelist Schiverea.

The city was unusually quiet yesterday afternon and the stores and general suspension of business gave the day a Sunday appearance. It was well termed the mid-week Sabbath.

Last Sunday Evangelist Schiverea asked that all the stores in the city be closed for at least two hours that all the clerks and those unable to attend at night on account of their business.

night on account of their business might come.

The general interest taken by the people was very encouraging to the evangelist and he proposed making Thursday a day in which services should be held all day. This he called the midweck Sunday and it seemed very appropriate. Many people from out of town attended the services. There were crowds from Jermyn, Mayfield, Forest City and other places nearby, and a City and other places nearby, and a large number of people from the coun-try, who came and brought their din-
