ATTITUDE OF THE CUBANS

They Are Fighting the Spanish Government.

INTERVIEW WITH A LEADER

Fidel G. Pierra, a Prominent Citizen, Talks Entertainingly Upon the Situation on the Island of Cuba.

New York, Sept. 30.—The New York Times will publish tomorrow an interview with Fidel G. Pierra, a prominent Cuban, and a leader of thought among his countrymen.

In contradiction to statements made by Senator Montoro, a leader of the Autonomist party, Mr. Pierra presents facts to show the extent and strength of the Cuban revolution.

Neither Senator Montoro nor other Cubans calling themselves Autonomists, Mr. Pierra says, have the right to speak in the name of the Cuban people.

Mr. Pierra declares that war waged by the Cubans is not directed against the Spanish government in the island who he calls the "Spanish president in the island who he calls the 'Spanish president in the island'."

Mr. Pierra feels confident that Spain will not be able to subdue the rebels, for they will fight to the bitter end, well knowing that the triumph of Spain will mean for the Cubans political, economical and social annihilation.

Seyfert, of Pine Grove, for director of the poor, Steve Middleton, of Gilberton, for surveyor, G. W. Geary, Jr., of Pottsville. In the vote for chairman of the convention, D. D. Phillips, the Quay leader, was defeated by H. L. Albright, representing the anti-Quayites by a vote of 161 to 154.

Washington, Sept. 30.—Ex-Senator William Mahone had a slight stroke of paralysis this morning. He has been stopping at Chamberlain's Hotel, and this morning his son, Butler Mahone, calling at his father's room, found the general still in bed, and apparently very drowsy. Not suspecting anything wrong, Butler left the room, and calling again later, found his father still in the same condition. He became alarmed and a physician was summoned.

After examination the doctor pronounced it a case of paralysis. The right arm is useless and the tongue is paralyzed so that speech is impossible. Both lower limbs are all right.

JEFF ROESLER KILLED.

The Well-Known Constable of the Eighth Ward Run Down by a D. & H. Passenger Train.

Jefferson L. Roessler, constable of the Eighth ward and one of the best-known men in the city, was killed by a Delaware and Hudson passenger train at the Dodgetown crossing last evening.

It was ascertained that the constable was crossing the Delaware and Hudson tracks on Hickory street, the passenger train due here from Wilkes-Barre at 7:30 o'clock p. m. on Tuesday. The constable was killed by the train as it was passing under the arch of the stone bridge.

The constable was conveyed to his home, at 225 Franklin avenue, in the Lackawanna hospital ambulance, which had been summoned to convey him to the hospital. The news of the sad fatality nearly prostrated his aged father, ex-Alderman C. W. Roessler, and his wife, from whom he had parted less than an hour before in the full vigor of his health.

The deceased was 45 years of age. His father was alderman of the Eighth ward for twenty-seven years and during the greater part of that time he served as constable. He was well known throughout the city and county from his long connection with his office and had many interesting experiences.

In the absence of Coroner Kelly, Alderman Miller directed the undertakers to prepare the body for interment, and in the afternoon the body was interred in the cemetery. The funeral will be held at 10 o'clock this morning to investigate the cause.

The fiscal postoffice will receive \$100,000 in salary, the action being based on the gross receipts of \$200,000 per year.

The next increase of \$100 in salary will occur when the receipts reach \$140,000. The salary of the assistant postmaster is similarly governed, but increases by \$100 in \$100 instead of \$100. Postmaster Vandling now receives \$3,300 per year.

MRS. KELLEY'S Doves. Mrs. Fallon's Game Chickens Annoyed Them and a Scolding Bee Resulted.

A much mixed up case was disposed of in Alderman C. C. Donovan's court last evening. On one side Sarah Siddons, of Palm street, Mrs. Mary Fallon and Mrs. Mary Kelley are neighbors. The family pets of the Fallons are game chickens, and of the Kelleys, doves. The doves got quarreling, and finally the heads of the families.

Mrs. Fallon had Mrs. Kelley arrested on two warrants, common scold and surcity of the peace. The alderman dismissed the case of common scold against Mrs. Kelley, but bound her in the sum of \$50 to appear at court to answer the charge of scolding Mrs. Fallon. Attorney John P. Quinn appeared for the prosecutor and Attorney D. J. Reedy for the defendant.

Another case before Alderman Donovan was the one in which Patrick Gaughan, of Hickory street, had a warrant out for assault and battery against Joseph Smith, of Stone avenue. Smith struck Gaughan. He waived a hearing and entered bail.

Assaults a Neighbor's Wife Who Came to Nurse His Own.

According to Mrs. Levy's story she was attending Ward's wife on the night of Aug. 29, when an heir was born to him, and while she was taking a nap toward morning Ward assaulted her. She managed to defeat him in his base purpose, and upon going home related the story to her husband.
