OUR BLOOD FILTERS.

BLOOD SHOULD BE PURE AS WATER.

What Keeps It Pure and What Happens When It Is Impure.

Our Natural Blood Purifiers, Our Kidneys; How They Keep Us Well, and How We Ought to Keep Them Well.

What makes a sallow complexion, rickety, rheumatic, muscular weakness, depression, lack of ambition, anæmia, chlorosis or green sickness, nervous headache, dizziness, hysteria, Bright's disease, gravel, rheumatism, pain in the back, diabetes, etc.

It is the failure of our blood filters. Our blood should be as free from impurities as drinking water. If it becomes impure we fall sick. Our kidneys are simply blood filters. They filter the impurities out of the blood. That is why it is so dangerous to have kidney disease, because when our kidneys are sick they cannot keep our blood pure.

Diseases are generally caused by blood poisoning. Especially those mentioned above. The poisoning is caused by impurities in the blood. These impurities could be kept out if our kidneys were healthy. If they were not worn out, or did not have too much work to do.

Dr. Hobb's Sparagus Kidney Pills remove the impurities out of the blood. This means pure blood and the cure of all diseases caused by blood impurities. Asparagus has a very strong tonic effect on the kidneys, and combined with other herbs it is used in Dr. Hobb's Sparagus Kidney Pills, and is the ingredient which does the kidneys the most good.

This filtering of the blood has probably never been explained to you in this way before.

Yet it is true. Every physician knows it is true. A medicine that will cure the kidneys will cure any disease caused by blood poisoning, because as soon as the kidneys are pure it ought to be done. When our drinking water is pure it will not poison us, and when our blood is pure it will not poison us.

Dr. Hobb's Sparagus Kidney Pills will bring you new life and ambition, cure your pains and aches, give you a bright, rosy complexion, and health, freedom and comfort.

It is not a miracle. It is simply pure, clean blood. It is only a question of renewing and cleansing your filters.

It is Dr. Hobb's Sparagus Kidney Pills acting on your kidneys. All the dangerous diseases of impure blood that doctors are often unable to cure can be cured with Dr. Hobb's Sparagus Kidney Pills.

Rheumatism, gout, Bright's disease, kidney troubles, etc., will all disappear after taking a course of Dr. Hobb's Sparagus Kidney Pills.

A few doses will relieve. A few boxes will cure. Sold by all druggists at 50 cents per box, or sent postpaid on receipt of price.

Write for valuable pamphlet, explaining about the kidneys and their action on the blood. Free on application to Hobb's Medicine company, Chicago, or San Francisco.
