Harrison has his arrangements com-pleted for the annual session of the County Teachers' institute, which will county Teachers' institute, which will commence this year in the Grand Opera house, on Monday, Oct. 21, and continue in session until Friday. ### WHITE HAVEN PROTESTS.

Against Tapping the Lehigh to Supply Wirkes-Barre with Water.

Since the proposition was made to draw a water supply for Wilkes-Barre from the Lehigh river the good people of White Haven, have entered a most emphatic and solemn protest. White of White Haven, have entered a most emphatic and solemn protest. White Haven depends on the water in the Lenigh to supply the power for certain saw mills and other industries. It is urged that if the stream were tapped to give Wilkes-Barre a water supply there would not be enough left to serve there would not be enough left to serve the requirements of White Haven. The Journal of that town calls loudly on the authorities to ask for an injunction restraining greedy Wilkes-Barre. The White Havenites need not lose any sleep worrying about this proposition. The Lehigh water is doubtless of excel-lent quality; but no better than Susquehanna water above the mouth of the Lackawanna. The water supply for Wilkes-Barre must eventually come from the Susquehanna near Campbell's ledge. What this city needs is a water company with sense enough to accept the inevitable, abandon such rotten stink-holes as the Huntsville reservoir and "Crystal" lake, and lay pipes from Campbell's ledge. That is the only log-ical solution of the water question, and that is what the water companies must come to in the end. To draw the sup-ply from the Lehigh would require fifteen miles of piping; to get it from Campbell's Ledge only a little more than half that distance will be required.

# IN THE DIVORCE MILL.

Two III-Sorted Couples Are Sighing for a Release from Matrimony's Yoke. Mary Ann Goldworthy yesterday brought suit in divorce against her hus band, William Goldworthy. Her state-ment sets forth that they were married at Phillipsburg, N. J., on Oct. 31, 189; and lived together as man and wife un-til Feb. 18, 1893. The reason given for the action is that he abused her shamefully, and in April, 1893, deserted her. Both parties are from Hazleton, and the libellant is represented by Attorney

Rose Wilkinson, also, sued for divorce from her husband, William H. Wilkin-son. They were married on March 18, 1882, and lived together until July 17 1895, when the husband deserted and has not been seen since by the libellant. Subpoenas in divorce in both cases were granted and made returnable to the next argument court.

The following were handed down yes terday in quarter sessions cases: In re-appointment of auditors for Pitiston township Judge Bennett ap-pointed Henry Zeigler and James Mangan auditors in said township. In re. Exeter borough into wards Judge Woodward handed down an opin-

ion sustaining the exceptions and set aside the report of the commissioners In re. hotel license of N. H. Rosengrant, rule granted to show cause why license shall not be revoked. Commonwealth vs. Martin Shea, Rule

granted to show cause why the finding of the grand jury as directs the prosecutor to pay costs shall not be set

Commonwealth vs. Peter Lepclock Court orders that the notes of testi-mony shall not be transcribed.

# Republican Committee.

The county committee of the Re-publican party met at the league rooms yesterday morning and was largely at-tended. Chairman Thompkins being absent, Vice-Chairman Robinson occupled the chair, and Evan Jones acted as secretary. Prominent Republicans from all parts of the county were in at-tendance and gave hopeful reports of the situation in their respective dis-tricts. No one doubted that the entire Republican county ticket will be elect-ed by a handsome majority. Among those present were Alvin Markle, mem ber of the state committee; B.W.Wilde, of Hazleton, and W. J. Scott, president of the Republican league.

143d Regiment Tablet.

On Monday next a large party will leave this section for Gettysburg to dedicate the tablet that is to mark the spot where the One Hundred and Fortythird regiment, Pennsylvania Volu teers, immortalized itself by its valor in the greatest of modern battles. This regiment was raised in Luzerne, Lack-awanna, Susquehanna and Bradford counties, and its first colonel was the late General Dana. The excursionists will go over the Pennsylvania railroad, and the rate of fare for the round trip astonishingly low. Colonel George Reichard is the president of the anument committee, and A. J. Colborn, of Scranton, will be the order.

# TAYLOR.

TAYLOR.

The Taylor Herald, under its new editor, H. J. Daniels, made its first appearance on Saturday last in a more condensed form than previously, but, nevertheless, equally as interesting. It contained a bright budget of news of the past week, which was edited in a manner that was undoubtedly pleasing to its readers. If the initial number of the Herald is a sample of what will follow, a future of prosperity may be predicted for it.

The pulpit at the Methodist Episcopal church Sunday morning was occupied by Rev. W. Howland, of New York, and an able sermon was preached by him. At the conclusion of the discourse a love feast was served. In the evening the third quarterly meeting of the year was held, which was presided over by Rev. J. C. Eckman, of Scranton, presiding elder of the Wyoming district, who also delivered a forcible sermon. Rev. H. C. McDermott, of Kingston, will preach at the village camp meeting tonight.

### A DOCTOR AND DISEASE.

THE PLAIN TRUTH, BY A WELL-KNOWN PHYSICIAN, ABOUT THE KID-MEYS AND THE BLOOD.

How to Cure Blood Diseases by Curing the Kidneys-The Action on the Blood of Asparagus and Sparagus Kidney Pills.

Every physician knows that our kidour kidneys filters.
Our kidneys filter our blood.

d diseases are caused by badly iltered blood.

When the kidneys are well they keep the body well by keeping the blood pure. When they are ill, they filter the blood badly and make us ill. The sick kidneys can be made well with Dr. Hobb's Sparagus Kidney Pills, and this is what Dr. John Dobson says

Gentlemen: Being convinced of the truth, so persistently iterated by you, that upon the kidneys depend almost entirely the purity of the blood, and that therefore all blood diseases could be cured by treating the kidneys. I decided to make a fair trial of Dr. Hobb's Sparagus Kidney Pills in my practice.

Previous to this I had many cases which I had found I could only temporarily relieve with ordinary drugs, and I hoped, with the aid of the speand I hoped, with the aid of the spe-cial preparation of Asparagus Offici-nalis (from which, as you have ex-plained to me, your pills are made), to obtain much better results.

I was not disappointed. From the very beginning the results I ot were to me, as a physician, aston-

disorders, were relieved in a few doses, and sooner or later cured. In anaemia, chlorosis, general depression, nervous headache, hysteria, neu-ralgia, etc., the effects were perhaps even more marvelous, the patient seeming to wake up into new life, with new energy, new ambition, new blood and

new complexion. I have now used Dr. Hobb's Sparagus Kidney Pills for some time, and have decided to use them constantly. I know of no preparation which has such immediate and lasting curative power over all diseases caused by impure or
