THEIR PLANS SPOILED.
Fortunate Circumstance Prevents the Speech-Making at a Church Banquet.
The King's Sons and Daughters of the Park church had arranged a series of toasts and speechmakings in connection with their banquet in the supper rooms of the church last night, but through a fortunate circumstance the toasting part of the programme had to be done away with and the affair became only a delightful supper without the trimmings. It was anticipated that fully 100 persons would be present, but twice that number appeared, necessitating a re-setting of the twelve large tables and spilling the plans of the Sons and Daughters.
Rev. Dr. W. H. Pearce, the pastor, was to have delivered the address of welcome, Mayor Connell was to have been toastmaster, and several prominent churchmen were on the programme for responses to the toasts. The amount of revenue derived from the supper was double the amount anticipated, which explains why the plans of the societies went fortunately in the funds were divided equally between the Sons and Daughters. It was called a "Welcome Home" banquet, a sort of reunion and welcome of the many who have been out of the city during the summer.

AFTER THE COLLECTORS.
City Solicitor Torrey Preparing to Sue the Bondsmen of Delinquents.

LETTERS FROM THE PEOPLE.
(Under this heading short letters of interest will be published when accompanied by publication by the writer's name. The Tribune will not be held responsible for opinions here expressed.)
WHY THE TRIBUNE IS POPULAR.
Editor Scranton Tribune.
Sir: Permit me to give some reasons why I like the Tribune. It don't publish a Sunday paper for boys to peddle through the streets Sunday morning and distribute the pious ones while having family prayers. Then, it's a clean family paper that the refined ones of the city give us news the world over. Then, it's local correspondence is valuable. Then, it's clear and readable so that aged persons can read it with pleasure and profit. Then, it's news is generally reliable. I don't publish quite so many false statements like some other papers in the city. Then, it's generally right on most all leading subjects of special interest to the people, and when men and papers are doing wrong the Tribune is not afraid to speak out plainly. Then, it's delivered with promptness every morning before breakfast. These are a few of the reasons why I prefer taking and reading the Tribune. I prefer it may give some other time.

CLOSING PERRETTO CASE
Testimony of Commonwealth and Defense Has Been Heard.
PERRETTO PUT ON THE STAND
He Denied in Toto the Charges Laid Against Him by the Commonwealth. Attorney Martin Closing for the Defense to the Jury.

Parquetta Perretto's fate will be in the hands of the jury today. The last witness for the defendant stepped from the stand at 3:20 yesterday afternoon and Attorney John T. Martin made known to the court that his side had finished. District Attorney Jones called A. A. Ayers, of Peckville, in rebuttal. Mr. Ayers, in answer to the question put to him, has known Perretto for the past four years, and his reputation for peace and quiet is bad. As Ayers was passing the jury box he bowed to one of the jurors. Attorney Brown called Judge Archibald's attention to this fact. Mr. Ayers explained that he noticed the juror was a Grand Army button, and he always bows to an old veteran, he being one himself. Perretto was the last witness in his own defense. He walked to the stand with a quick, nervous step, and answered sharply, sniffling his brows and, quashing his heres-looking teeth. He was shown the leather case of the stiletto. He said that the case which heathed his stiletto was torn on the inside, the leather on the commonwealth wealth contents belonged to Perretto's stiletto is not torn.

Patrick Boyle, of Winton, was the first witness called to the stand yesterday morning. He was sitting on the front porch of his house the evening of the murder. His home is across the street from Angelo Camerota's house, where the tragedy happened. He heard the affray and saw Perretto, the defendant, run toward his (Boyle's) house. Perretto was bleeding.

Mr. Boyle didn't want to let Perretto in; he locked the door, but Perretto ran upon the porch. Finding the door locked the defendant went away. Mr. Boyle came out a few minutes afterward and found blood on the porch. County Detective Leyshon was called by Attorney Martin, and on Irvington avenue, above Mulberry street, the price for the former being \$174, and the latter \$2.50 per lineal foot. The bids were received for the job of constructing a sewer line on North Washington avenue, between New York and Larch streets, Howley Brothers and Hart & Gibbons each proposing to do the work for \$1.81 per lineal foot. The bids were referred to the sewers and drains committee.

M. A. Donahoe proposed to grade Pine-brook avenue, between Washington and Division streets, for \$23.85. This was also referred. Mr. Keller introduced an ordinance providing for grading Prescott avenue, between Mulberry and Erie streets; a resolution directing the city controller to issue a bond identifying property holders on the line of Farber court sewer, and resolutions for lateral sewers on Colfax and Wheeler avenues. Mr. Loftus introduced an ordinance providing for two electric lights in the First ward, and Mr. Grier asked for one for the Third ward. Mr. Nealls introduced an ordinance directing the transfer of \$1,500 from the Sewer and street right of way fund to provide for the widening of Robinson and Ninth streets. Mr. Gilroy introduced an ordinance for a lateral sewer on Hyde Park avenue passed third reading.

Petersburg Extension Ordinance.
The following ordinances passed first and second readings: Granting the Valley Passenger railway permission to extend their lines to Petersburg; providing for the purchase of a team of horses and a drop harness for the General Phinney Engine company; providing for a lateral sewer on Capouse avenue from the main sewer to New York street.
An ordinance providing for a lateral sewer on Hyde Park avenue passed third reading.

One of the Lunch Wagon Proprietors Seeks a More Benign City.
Common council last night approved the ordinance providing for the refunding of the \$10 license fee which M. Garda paid for the privilege of running a night lunch wagon, which privilege he could not exercise, owing to police interference.

Garda came here a short time ago with the understanding that he could conduct his business upon the payment of \$10 for a license. After he brought his wagon from Worcester, Mass., he discovered that it was necessary to have a permit from the street commissioner. This official did not answer his way clear to grant a permit, consequently Garda had to close up business. Last night his wagon was loaded on a flat car and today he will be himself to other fields. This is the first of other which are allowed to do business secured a permit from ex-Street Commissioner Kist, and on the strength of that refuse to vacate.

POCKETFUL OF COUNTERFEITS
An Old Man Just Out of Penitentiary Gets Back at His Former Tricks and After Causing Much Trouble Is Corralled by Police.
For some weeks past counterfeit money has been in circulation in this city and Dunmore, and although the police have been keeping a sharp lookout for the source of the spurious coin, they were unable to get the slightest clue to the guilty parties until yesterday, when, by mere chance, one of the gang, and the supposed leader, dropped into their hands.
About 3 o'clock yesterday afternoon an innocent looking old man of rural aspect dropped into the confectionery store of David Block, 443 Penn avenue, and made some trifling purchases, for which he tendered a silver dollar in payment. The clerk was about to drop the coin into the till when he noticed that it was seemingly of light weight, and upon a closer investigation became convinced that the coin was "queer." He threw the dollar back to the old man with the remark that he would have to produce something better. The innocent looking old man assumed an air of great surprise, dropped into a meditative mood, scratched his gray locks for a moment and then declared that he knew where he had gotten it. Picking up the dollar he started out in great haste, leaving an understanding with the party who was base enough to impose upon him.
Followed by the Clerk.
The clerk did not like the actions of the injured old innocent and followed him up to see where he took himself. On the way Patrolman Block was encountered, and the clerk related the incident. The old fellow had turned a corner and gotten out of sight by this time, but the officer secured from the clerk a clear description of him, and started out to report the case to headquarters. He met Patrolman M. J. Walsh on Lackawanna avenue, and as he was telling his brother officer of the case, along comes a man answering the description which Patrolman Block had in his mind's eye.
"If I'm not greatly mistaken," said Patrolman Block, "that's our man."
"You couldn't be greatly mistaken in fastening almost any crime on that old sninner," replied the veteran Walsh.
"That old Bill Kent, one of the most troublesome men that ever infested these streets," picked him up."
"Sitting the action to the word, they corralled the greatly-startled Kent and conveyed him to the station house, watching him carefully upon the way to prevent him from getting rid of any incriminating evidence. He was stripped and searched and, as was expected, he proved to be the guilty party. Nine counterfeit silver dollars, a 38-calibre revolver and two knives were found on his person. He said nothing, but a more thoroughly downcast, disgusted man would be hard to find. COMMON COUNCIL DOINGS.
Many New Improvements Provided for by Members of the Lower Branch.
Fully one-half of the time of last night's common council meeting was devoted to the reading of petitions for exonerations of taxes and dog assessments. The councilmen bore the ordeal good naturedly, however, and at the close of the meeting will be called upon to deal with such matters, as hereafter they will go direct to the board of revision and appeals.
The reading of the petition committee's recommendation was made that the disputed claims of Frank Shiffer for \$374.81 and \$6,707.53 be referred to the mayor and city solicitor, which was done. All the other claims read were ordered paid.
