FIGHT IS DECLARED

Corbett Fails to Agree with Julian,

Champion Expresses Desire to Chastise Fitzsimmons for Money or for Fun. Bob Also Indulges in Big Talk at a Safe Distance.

Hot Springs, Ark., Oct. 22.-There may be two or three more fights pulled off in this resort within the next two or three weeks, provided that the decison of the Supreme court is favor-able, and that, as is expected, the gov-ernor will not further interfere; but there are less prospects of Corbett and Fitzsimmons meeting in the ring than there was twenty-four hours ago. Corbett came to town from his training quarters this evening for the express purpose of meeting Martin Julian, the representative of Fitzsimmons, and as the result of a stormy interview, in which Julian rejected every proposi-tion made by the champion, the lat-ter "washed his hands of the whole

training at once. President Dan Stuart, of the Florida club, who goes to Dallas in the morn ing, to return on Sunday, said tonight that the club still has under consideration the matching of Corbett with anothe man, and the pulling off of the two remaining fights. Julian also leaves in the morning for Corpus Christi. His final announcement in the imbroglio is this: I will have Fitzsimmons here on the list, and ready to fight as pro-vided by the articles of agreement. If the Florida club is no longer connected with the affair, and there is no purse in sight, then we will be willing to fight in private, in a place to be selected by a Chicago man now here for the side bet of \$10,000 each. If Corbett will not consent to this, then we will demand the forfelt of \$2,590, and as the people identified with the Florida club are supposed to be all honorable men, we assume they will pay over promptly.

Corbett Thirsts for Blood. In the course of the conversation Ju-lian intimated that Corbett wished the fight postponed because he could not get into condition in time. Corbett replied: "Well, now to relieve your mind, I will tell you what I will do. You know if we fight on Oct. 31 we do not get a cent, we light for nothing. Now if you think the club postponed the fight to allow me time in which to get into condition, go and get Fitzsimmons as quickly as you can and I will fight him

for nothing. Can you get him before the governor can do anything to pre-vent the fight?" "I have heard nothing about the governor going to stop it."
Corbett laughingly replied: "Have you been in a trance. I told you I would fight Elizsimmons for nothing and I want to do it right now before the law prevents us."
