

### The Pure Food Law.

The "Pure Food Law" recently passed by the legislatures of several States, notably those of Pennsylvania, Ohio and Michigan, is a step in the right direction. No manufacturer should be allowed to put upon the market anything that is adulterated or unwholesome.

Cleveland's Baking Powder is not affected by the Pure Food Law of any State, it being perfectly pure and all the ingredients entering into its composition being plainly stated on the labels.

The Cleveland Baking Powder Co. has always so labeled its powder, and assurance is hereby given to everyone handling the goods that it is fully in compliance with the law and that the Company fully guarantees them from all penalties in selling it.

### CITY NOTES.

Marriage licenses were yesterday granted to Thomas O'Connor and Bridget Conway, of this city. Rev. J. C. Madden, of Dimock, Pa., will change pulpits with Rev. A. E. Douglas, of Clark's Green, tomorrow. J. H. Steele and A. L. Franconi are in Philadelphia on business looking to the re-opening of the glass factory. In the estate of Charles Farber, late of the city of Scranton, letters of administration were yesterday granted to Josephine Miller. The Scranton Caledonian club will conduct its annual Halloween social at Fuller's hall, on Lackawanna avenue, Thursday evening.

A special meeting of Keeley league, No. 16, and friends of the cause will be held at the parlors of the Institute on Sunday afternoon at 2 o'clock to welcome Rev. H. M. Cole to this field of labor, and to hear an address from him on an official subject. Mr. Cole is an real lecturer and organizer for the National League.

Charles Phillips recovered yesterday from his drunken stupor and told that his residence was in Wilkes-Barre. When taken before the police he stated that he was somewhat dazed, and in answer to a question as to whether or not he knew where he was, he said: "I don't know, but this is the upper end of Pittston, isn't it?"

The Methodist ministers of Scranton and vicinity will hold their next monthly meeting in the Elm Park church on Monday morning next at 10 o'clock. Rev. Elijah L. Santos, pastor of Lackawanna Methodist Episcopal church, will read a carefully prepared paper on the subject of "Law, Mr. Santos is an able writer, and will doubtless be a very interesting paper from the same standpoint.

The absent-mindedness of Rev. Dr. D. C. Hughes, who resigned as pastor of the Jackson Street Baptist church, will occasion him considerable difficulty in case he soon intends settling in a new home. Dr. Hughes had his household goods carted to the Lackawanna railroad yard, where they were loaded in cars. The minister forgot to pay Drayman Post, before leaving the city, and the latter secured an execution against the goods which will be held in this city until the car is paid.

Special writs were directed by the court yesterday to issue in the matter of the judgments that have been entered up against the Scranton Base Ball association by the directors of it. The sheriff will make a levy now and advertise the lease, franchise, etc., for sale to the highest bidder. The intention of the directors is to buy in the privileges of the association and then dispose of it afterward to Fall River or any other paying the price asked.

Attorney Joseph O'Brien, J. Alton Davis and R. A. Zimmerman, the law examining board for a writ of habeas corpus to compel Edward D. Farr to liberate from illegal restraint Farr's young son, Richard. Attorney Partridge represents Mrs. Augusta C. Farr, wife of Edward D. Farr. The petition recites that the father has been in possession of the child since the child's birth. The hearing on the writ will take place on Thursday, Oct. 25, at 9 a. m. Farr is charged with taking the child on Oct. 23. The couple do not live together, but the mother has possession of children.

Miss Lucy Loring, of Augusta, Ga., lectured on "Freedom" last evening at the First Presbyterian church and delighted a fair sized audience. Miss Loring is a

highly educated and cultured colored woman who has fascinated many an audience in the north in her arguments for advancing the social scale of her race, which, she contends, is capable of a much higher development than is usually believed likely. Her words are those of a peace-loving, loyal and patriotic people, who have in them the many qualities for citizenship of a high order.

### THAT OLYPHANT CONTEST.

Court Yesterday Listened to Argument with Regard to It.

Quarter sessions argument court was held yesterday. The exceptions to the report of viewers in the matter of a road in South Abington was argued and the exceptions were dismissed. On the rule for a new trial in the case of the commonwealth against Thomas Holtham, Attorney John P. Spragg and ex-Judge Ward argued for the defendant and District Attorney John R. Jones for the commonwealth. The argument was very complete on both sides and court took the case under advisement.

The only interesting case argued was the Olyphant contested election case, where exceptions had been taken against the report of commissioners John P. Murray and David J. Davis. Attorney Joseph O'Brien argued for the contestant, Edward J. Burke, and Major Everett Warren and Charles P. O'Malley argued for John J. Flynn, the respondent.

The commissioners filed their report and found that twenty-eight illegal votes had been cast in the election in the Third Abington Olyphant borough, where John J. Flynn and Edward J. Burke ran for the office of councilman. Of these twenty-eight it is believed a majority of them were cast for the contestant, so that the contest instead of rebounding to his interest only made more effectual Flynn's title to the seat. The argument made by O'Brien was on the manner of the finding of the commissioners. After the rule for exceptions is disposed of the court will order the ballot box opened and the illegal votes for whichever of the two candidates they were cast will be deducted from the face of the returns. Minor cases in reference to remitting costs were heard.

### CHIESS AND CHECKER CLUB.

Organization Perfected—Will Have a Home at 416 Lackawanna Avenue.

The Scranton Chess and Checker club perfected its organization Thursday night in the room they will occupy at 416 Lackawanna avenue, second floor. Edward Merrifield was chosen temporary chairman and the following per se: President, John J. Griffin; Secretary and Treasurer, Professor F. Kopf; and S. Friedwald, executive committee; Edmund J. J. Anderson and Mr. Worden. Committees were appointed to provide furnishings for the rooms, tables and playing paraphernalia. Wednesday and Saturday nights were designated for playing night and on the former night patrons of the games and friends of members will be admitted.

### THE NEW VEHICLE.

RUBBER TIRES AND BALL BEARINGS FOR CARRIAGES.

William Blume & Son, the Scranton Carriage Makers, Advocate Their Use and Will Build These Styles of Vehicles.

Among the various improvements which have been brought about within the last few years, none are of more importance than those adopted in methods of locomotion. The old styles of carriages are rapidly going out of use and more elegant and improved styles are taking their places.

Scranton will be, as usual, to the front in adopting these improvements, and in the coming spring we may expect to see on our streets quite a number of the new styles of vehicles, fitted with Rubber Tires and Ball Bearings.

The Rubber Tire is a comparatively recent occurrence, and is one which is giving delightful satisfaction wherever it is used. Only those who have ridden in this kind of vehicle, are able to realize what "perfect comfort" and what zest and enjoyment of riding, is to be derived from the use of the Rubber Tire.

The Rubber Tire has now won its way to the forefront in the carriage industry, and has come to stay. Its merit has been thoroughly tested and proven to satisfaction in this city, by that enterprising firm of carriage makers, Messrs. William Blume & Son, who regard the Rubber Tire as one of the indispensable of the future—not as a luxury, but as a necessity.

This firm has long been trying to advocate the use of these vehicles, they having constructed the first Rubber Tired and Ball-Bearing Axle Buggy used in this city. This buggy was made over a year ago, and is now in the possession of one of our prominent citizens. Two others have since been built, and one of these is used by C. W. Blume, the junior member of the firm.

William Blume & Son, in soliciting orders for their winter trade of sleighs, (of which they will have a magnificent stock), have looked several orders for these vehicles, some of which are now being built, and others are to be delivered next spring. They will also have a varied stock for show in their repository. Every intending purchaser or person interested in these improved vehicles will do well by calling on Blume & Son, who will be pleased to give any information, regarding them, and will also demonstrate the superior merits of the Rubber Tired and Ball Bearing Axle vehicles over all others.

### MUST GO TO THE HOME

No More Outdoor Relief for Old Persons Without Families.

### POOR HOUSE THE ONLY REFUGE

Will Not Be Supported Outside of the Hillside Home—Bad Story of a Young French Widow—Aldermen's Bills Too High.

The poor board met yesterday afternoon, Mr. Gibbons presiding, in the absence of President Langstaff. Some acrimonious discussion was aroused by the introduction of a resolution by Mr. Shotton, making it obligatory upon directors to refuse outdoor relief to applicants, who should be sent to the poor house, such as aged persons who have no one to care for them, or no one to care for.

Mr. Gibbons characterized the resolution as unnecessary legislation and intimated that his originator's prime idea was to make a reform. It passed, however, and a few minutes later Mr. Shotton got back at Mr. Gibbons by questioning the propriety of Mr. Gibbons' action in advising a man to defy the law which provides for the imposing of a penalty on delinquents.

It was agreed by the board that hereafter, unless the directors are previously notified of the application, no alderman or Justice of the peace will be allowed a fee for making out an order of relief.

Mr. Alice Theron, a young widow, who was among yesterday's list of applicants, told a sad story to the board. Her uncle, Constantine Theron, of Providence, is the owner of six or seven houses. He is 65 years of age, and she was his housekeeper. She came to this country as his sole heiress, bringing her little boy with her. Her uncle told her that she would make a lady of her own, and that she would have servants and carriages, and all that sort of thing.

When she arrived her dream of wealth and luxury had a sad awakening. She found her uncle to be penniless, wanted her to do his housework, and to pass herself off as his wife. When his importunities became unbearable she fled and found shelter with a neighbor, who took her into the poor board. The case was referred to Mr. Shotton with power to act.

John Parker, who came before the board for admission to the home, was stricken with an apoplectic fit just outside the meeting room, and created a deal of noise and excitement until he was restored.

### Notice of Removal.

With this issue The Tribune news and editorial departments cease to be located at Penn avenue and Spruce street, and will, after today, occupy The Tribune's handsome new building on Washington avenue, four doors above Linden street, where, within a few days, they will be joined by the job printing and bindery departments. The business office, until otherwise announced, will remain in the familiar place; but the new office on Washington avenue will, after next Monday, be open for the receipt of subscriptions and transient advertising.

### DIOCESAN CHANGES.

New Parish in Pittston and Priests Appointed to Stations.

A new parish consisting of Pittston Junction and Duryea was yesterday formed by Rt. Rev. Bishop O'Hara. Father Gibbons has been assigned to the new parish, and Father Moran to the old parish. Father Moran will be pastor of the new parish.

Rev. J. J. Griffin is to be transferred from the parish of Carbon to that of Father O'Byrne, one of the newly organized parishes succeeds him. Father Dixon, who has been at St. Thomas' college, and is leaving, both new parishes, go to Pittston. Father Malone will take Father Dixon's place at the college. Father Kelly, of Pittston, will be assistant to Father Moran at Ashley.

### FOOT BALL NOTES.

The foot ball team representing the Scranton High school left here this morning on the 6 o'clock Delaware, Lackawanna and Western train for Shamokin, where they will meet the Shamokin Athletic team on the gridiron. Shamokin was to have gone to Shamokin last Saturday, but the game was postponed until today. It will no doubt be a very interesting contest, as both teams are about equal in weight and skill. Though Scranton will be weakened by the absence of Captain Welsh, who was suddenly called to Pittsburg by the sickness of a friend on Wednesday night, the team will still be a formidable one. The team will arrive at 12:45 p. m. with, they hope, a homecoming and a victory.

The boys' athletic team, which has been successful in defeating every team they have met since the beginning of the season, will be worsted in their own city.

### HERE'S A WHOLE FAMILY.

Husband, Wife and Children Made Well by Paine's Celery Compound.

The pre-eminence of Paine's celery compound over all other remedies could not be better illustrated than in the case of the Turney family, of St. Anthony, Iowa.

Mrs. Turney had recovered her health by the use of Paine's celery compound.

She had suffered from a variety of ills all due to a nervous system improperly nourished.

As it frequently happens the entire family overcome perhaps by anxiety and care, began to feel "run down" and to suffer with the hardest disease in the world to diagnose—the trouble they have when they say: "Doctor, I don't feel well."

The advice of their physicians to use Paine's celery compound, the one known remedy that restores lost nervous energy, creates an appetite, purifies the blood and builds up the strength of the entire system, was followed. Mrs. Turney, in a letter to Wells & Richardson company, who prepare the remedy, soon wrote as follows:

"My husband and three children were greatly benefited by the use of Paine's celery compound. As I was after an unusually hard stage of the grip, with variations of the disease, we regard the compound as a most remarkable remedy."

### FUNERAL OF MRS. NORTON.

Interment was made in Hyde Park Catholic cemetery. The funeral of Mrs. Mary Norton took place yesterday morning at 9:30 from her late residence, 215 Penn avenue, and was attended by a large concourse of sorrowing friends. At St. Peter's cathedral a solemn high mass of requiem was celebrated by Rev. M. J. Millane, Rev. J. A. O'Reilly was deacon, and Rev. Father Carmody, subdeacon.

After the mass Rev. Father Millane delivered a short sermon in which he spoke of the necessity of ever being prepared to die. He paid an eloquent tribute to the worth and Christian character of the deceased. At the conclusion of the services the remains were taken to Hyde Park Catholic cemetery, where they were interred.

The pall-bearers were M. J. Kelly, Anthony Kelly, Anthony Clark, John McLean, James Gavigan and John O'Hara. The numerous floral tributes were carried by William McLean, John Kelly and Messrs. Golden and O'Hara.
