## LACKAWANNA'S LUCK.

The Lending Anthracite County Secures  
Two of the Seven Superior Judges.

Special to the Scranton Tribune.

Philadelphia, Nov. 7.—The unofficial  
returns upon results of Tuesday's elections  
make the election of Judge P. P.  
Smith to the Superior court bench, a  
certainty. In nearly every district  
Judge Smith has made unexpected  
gains and has developed strength in  
the coal regions that has surprised his  
most sanguine friends. The ardent  
supporters of Judge Yerkes who were  
confident of his election last evening  
now concede the election of Judge  
Smith by a plurality of at least 5,000.

The election of Judge Smith gives the  
anthracite coal regions three out of  
the seven Superior court judges.

Two members of the Superior court  
bench, Judges Willard and Smith, will  
come from the city of Scranton, while  
the third, Judge Rice, is a native of  
Wilkes-Barre, which city is less than  
twenty miles distant from Scranton.

By United Press.

Philadelphia, Nov. 7.—Complete re-  
turns have been received from every  
county in the state on the vote for Su-  
perior court judges, excepting Luzerne  
county. Luzerne, however, has re-  
ported the result of Smith and Yerkes,  
and the complete returns on the state  
for these two candidates are given be-  
low. Smith is thus elected as the min-  
ority representative on the Superior  
court bench by 5,018.

The totals for the twelve candidates  
(with Luzerne missing except in the  
vote for Smith and Yerkes) are as fol-  
lows:

Republicans: Willard, 44,203; Rice,  
44,338; Beaver, 44,877; Wickham, 44,  
736; Reeder, 43,051; Ordway, 43,281.

Democrats: Smith, 285,882; Yerkes,  
280,361; Magee, 267,124; Noyes, 265,968;  
Bechtel, 264,136; Moorehead, 265,561.

Information received by Judge Smith  
yesterday from various parts of the  
state led him to believe that he was  
elected beyond the shadow of a doubt.

During the afternoon his office in the  
Commonwealth building was visited by  
representatives of Democratic Republicans  
to tender their congratulations. Among  
those who spent some time in Judge  
Smith's office and assisted in the work  
of receiving returns from the state was  
ex-Sheriff John J. Fahey.

There was much enthusiasm dis-  
played by Democrats generally over  
the election of a representative from  
their party in Luzerne county to the office  
of minority judge of the new Superior  
court and as soon as it became reasonably  
certain that the judge was elected they  
began to formulate plans to properly  
celebrate the notable event.

It is probable that he will be ser-  
nated at his home in the near future  
that later will be tendered a dinner,  
which will be attended by many  
of the prominent citizens of this vicin-  
ity.

There was one man in the city yester-  
day that was particularly gratified over  
the election of Judge Smith and that was John E. Roche, select coun-  
cilman who introduced the resolution  
at the meeting of the Democratic  
county committee last March instructing  
the delegates from this county to use  
every honorable effort to secure the  
nomination of Judge Smith for judge of  
the Superior court.

At the Williamsport convention Mr.  
Roche was a strong advocate of  
Judge Smith's supporters and it was  
due in a measure to his work that the  
judge's name found a place on the  
Democratic ticket.

The latter said last evening that the  
information in his possession led him  
to believe that he would be elected by  
about 5,000 votes.

## SETTLED A QUARREL.

Salsvare Murello and Frank Stortette  
fight a duel on Jersey flats.

Jersey City, N. J., Nov. 7.—Salsvare  
Murello, 26 years old, and Frank Stortette,  
aged 25, both residents of East  
Eleventh street, New York, quarreled  
about a woman and they agreed to set-  
tle the matter by a duel. They selected  
the evening of Nov. 6, to this city and  
went to the meadows. Two boys who  
were passing saw the two men quar-  
reling. Then, the boys say, one man  
drew a knife and the other a pistol.  
The man with the pistol was quicker.  
He fired three shots in rapid suc-  
cession and ended as his opponent fell.  
The wounded man proved to be Murello.  
He was shot in the leg and abdo-  
men and will die.

Murello refused to give the name of  
the woman. He denied that he carried a  
knife and said that Stortette had both  
knife and pistol. The knife was after-  
wards found in the lot near where  
the fight occurred still stuck to his  
body and was only expected to fight  
with fists. It is believed that Stortette  
is in New York.

## THE COLD DIVORCE CASE.

Colonel and Mrs. Colt are concerned,  
will begin at Conway, N. H., tomorrow,  
and a full contingent of attorneys ac-  
companied the respondent, Colonel Colt,  
from Providence today.

The defendant was not a willing  
party to the proceedings tomorrow,  
having resisted the action of the court  
as long as there was any hope of se-  
curing relief.

## CUBAN SYMPATHIZERS.

Meeting of Confederate Veterans at the  
Charleston Court House.

Charleston, W. Va., Nov. 7.—A meet-  
ing of Cuban sympathizers was held  
at the court house tonight which was

## JUDGE SMITH IS ELECTED

called by the State Camp of Con-  
federate Veterans and the Grand Army of  
the Republic. The most significant part  
of the proceedings was the adoption of  
resolutions offered by the Confederate  
Camp, which pledged the confederate  
soldiers to maintain, by arms if necessary,  
the rights of the American people  
in their contest with any foreign nation,  
and claiming that the principles embodied  
in the declaration of independence gives to the Cuban people the  
right to throw off the Spanish yoke and  
to be recognized as belligerents.

The resolutions "deny to our present  
executive the right of espionage  
and the right to send agents and in-  
dividuals, to aid the Cuban people in  
this war against Spain," and add "the  
constitution of the United States was in  
a large part the work of a great Vir-  
ginian. The flag of this Union is in part  
our flag; the honor of America is in part  
the honor of Cuba. We must defend  
against all foreign nations, against ex-  
ecutive usurpation or neglect, indifference  
or timidity, or betrayal of trust."

## VOTE ON STATE TREASURER.

Table Showing the Plurality of Each  
Candidate in the Several Counties.

Philadelphia, Nov. 7.—Following is  
the full vote for state treasurer in each  
of the several counties. The vote of the  
Prohibition and of the party is not  
given for the reason that many counties  
have failed to report it. So far as they  
have been reported Berry, (Pro.) re-  
ceived 11,676, and Dawson, (Rep.) 3,481  
votes.

## MET AT THE JUNCTION.

Freight Trains Collide on Nova Scotia  
Road—Employees Hurt.

Windsor Junction, N. S., Nov. 7.—A col-  
lision occurred here this morning at  
the junction between freight trains on  
the Intercolonial Railroad and on the  
Dominion Atlantic Railroad. Both  
trains were going at a good speed when  
they came together and both were badly  
wrecked.

Several trainmen were injured, in-  
cluding the conductor and the fireman  
of the Dominion Atlantic train. It is  
feared the latter, whose name is Butcher,  
is fatally hurt. The Canadian Pacific  
express was stalled several hours while  
the track was being cleared to patch them  
up to that part of Asiatic Turkey.
