"Like a charm."

Members of Seneca street Methodist Church, Buffalo, are familiar with the astonishing cure of catarrh with Dr. Agnew's Catarrhal Powder, in the case of a member of the family of the pastor, Rev. B. L. Duckwell. There is a stage of catarrh when the distressing discomfort almost drives the sufferer to distraction, and one remedy after another is tried with discouraging results. In that condition the first use of Dr. Agnew's Catarrhal Powder is followed by a benediction of solacing ease and relief. All the repulsive features of the disease are immediately allayed and a permanent cure follows with delightful rapidity. In Rev. Mr. Duckwell's family this sterling remedy acted, as it does in all cases, like a charm from the very start. That is why sufferers should always insist on getting Dr. Agnew's Catarrhal Powder at the start. Money is wasted and distress is prolonged with trying anything eise. 60 cents at Chas.
