Physicians professionally called to the house of English Anmie, at 118 Frank-lin avenue, reported to the officers of the Associated Charities a most appaling case of a young woman dying a slow and horrible death who was found in one of the back rooms where she had been suffering untold misery for weeks and compelled to listen to the hideous orgies from a participation in which she had come to her terrible condition. She begged to be taken away to some place where she could die in peace, which wish was granted her.

In the feeble voice that is left to her she told that she was twenty-one years of age and had run away from her husband and child in Williamsport last spring to come to live with a man in this city. Finds a Cure.

(From the Buffalo News.)

Mrs. A. E. Taylor has resided in Buffalo for over forty years, her address is 250 Herkimer avenue; as a professional nurse she has nursed back to health many a sufferer. Disease in all its varied forms have become as familiar to her as to the regular practitioner. Her occupation is one that takes the strongest constitution, but the fatigue of Jong watching and nursing at last brought her to a bed of sickness. Mrs. Taylor speaks of her complaint and cure as follows: "After being confined to my bed for some time my disease assumed such a serious aspect that a doctor was called in. He pronounced my aliment Bright's disease of the kidneys in the third degree and a very bad case. My limbs swelled up so that I could not walk across the floor, or, indeed, help myself in any marked improvement from the doctor's treatment, but all without any lasting benefit until I felt like finally giving up in despair. Hearing of Doan's Kidney Pills I gave them a trial, and after taking three boxes I was able to get up without assistance and walk, something I had not done in months. I continued to steadily improve with their use. The swelling in my leg left, the color returned to my face, changing from a chalky color to a healthy bloom. Inow consider myself entirely cured and I shall never rest praising the little pill that saved me.

"Doan's Kidney Pills are certainly a surprising discovery for hidney aliments. I shall be giad to tell anyone of the wonderful cure they performed for me."

Base Ball Creditors Scrambling for the Sheriff's Sale Proceeds.

QUESTION OF MANY SIDES

Creditors Cisim to Be "Frozen Out" and Want the Judgment Holders to Make a Division-Charges of Fraud . and Palse Protouses.

M. H. McDermott yesterday signed a contract to manage the Scranton Base Ball club during 1896. That's one thing new in local base ball, but there's something else new that will create more talk than the signing of a new manager. Ben Cusick, a North End saloonkeeper, and a stockholder in the defunct association, has openly made the charge of and a stockholder in the defunct asso-ciation, has openly made the charge of fraud and false pretenses in connection with the recent sheriff's sale and has given his case in charge of Attorneys O'Brien & Kelly. One of the judgment creditors, Edward Coleman, and possi-bly P. P. Jordan, like Coleman, an ex-directors baye taken vides with Cusics:

creditors, Edward Coleman, and possibly P. P. Jordan, like Coleman, an exdirector, have taken sides with Cusick; W. A. St. John, another stockholder, also can be classed with them and there are several outside creditors urging the saloonkeeper to push his case.

The signing of McDermott as manager can be briefly told: He met Harry P. Simpson, the new owner of the franchise, in the latter's office at 9 o'clock yesterday mornig. The details of what transpired are not known, but in thirty minutes McDermott had signed a Scranton contract and went to the St. Charles hotel, where he paid his bill and immediately took the 9.50 Lackawanna train for New York. He will return here for a few days during December and after an explicit understanding of his employer's wishes will return to Fall River, which will be his headquarters during the winter. In the spring he will come here to reside, and it is expected that in the meanwhile he will have secured a batch of players from among whom the team will be chosen.

Out One Hundred and Fifty Dollars. Saloonkeeper Cusick's complaint is that he has been mulcted out of \$150, which represents two sums advanced by him during the early season to help by him during the early season to help tide the waning fortunes of the old as-sociation over a spell of financial dis-tress. He claims there was no proper formal action taken in a regular direc-tors' meeting preliminary to the pro-ceedings and judgments of seven direc-tors which caused the sheriff's sale. He tors which caused the sheriff's sale. He says it is a case of "freezing nim out," along with W. A. St. John, who is minus \$109 paid for lumber and carpenter work; Reese & Long, who performed the base ball bill posting; Fred. Schoen, who has a bill for printing, and a number of creditors of the small-fry variety. But there is another and a serious phase to the controversy. Yesterday one of the "frozen out" creditors told a Tribune reporter that for over a year. one of the "frozen out" creditors told a Tribune reporter that for over a year there has been no accounting of moneys received for the rental of the park, or for other financial transactions not immediately connected with the club, and its games during the season. The Tribune's informant intimated there might be trouble on this account.

account.

It is not known what steps will be taken by O'Brien & Kelly in Stockholder Cusick's interest. Mr. Simpson, the new owner, is in no wise involved, excepting the possibility of losing the franchise and having his purchase money returned in case the sheriff's sale is found to be irregular. He now has a bill of sale signed by the sheriff and will get a deed on Thursday, the stated day for acknowledging sheriff's deeds. account.

What Director Coleman Says. Director Coleman said to a Tribune reporter last night, "When the decision was reached among us seven directors to secure judgments, there was no unat the sale and know that President Betts was offered \$3,000 for the property by Morris Davidow and Alex Dunn, but the offer was refused and every-thing was allowed to go for \$2.180, at which price President Betts sold to Mr.

Simpson." Several days ago Mr. Betts explained Several days ago Mr. Isetts explained his refusal to sell for \$3,000 by the assertion that Mr. Davidow and Mr. Dunn would have bid the property up to near that figure and then withdraw from the bidding, thus forcing the fees of the sheriff nearly a hundred dollars higher.

Dr. R. V. Pierce, Chief Consulting Physician to the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., was the first to introduce a Little Pill to the American people. For all laxative and cathartic purposes these sugar-coated "Pellets" are superior in a great many ways to all mineral waters, sedlitz powders, salts, castor oil, fruit syrups, laxative teas, and other purgative compounds. Made of concentrated vegetable ingredients, they act in a mild, natural way. Their secondary effect is to keep the liver active and the bowels regular, not to further constipate, as is the case with other pills. They don't interfere in the least with the diet, habits or occupation, and produce no pain, griping or shock to the system.

Dr. Pierce's Pleasant Pellets cure biliousness sick and bilious headache, diz-

ing or shock to the system.

Dr. Pierce's Pleasant Pellets cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspepsia, windy belchings, "heart-burn." pain and distress after eating, and kindred derangements of the liver, stomach and bowels. These "Pellets" are easily dissolved in the stomach and absorbed into the blood, stimulating a flow of bile from the liver, and arousing to activity all the glandular secretions. Thus they act in nature's own way. In proof of their superior excellence, it can be truthfully said, that they are always adopted as a household remedy after the first trial. Put up in glass vials, therefore always fresh and reliable.
