CHARGE IN JESSUP CASE

One of the Jurors Wanted It Repeated for His Benefit.

VERDICT IN THE BARBER CASE

It Was for the Defendant by Order of Judge Gunster—Munley Trespass Suit on the List for the Third Week.

Judge McPherson's charge to the jury in the Jessup case, of J. H. Gunster, assignee of the defunct Scranton City bank, against George Jessup and his partners, occupied a little more than one hour yesterday morning. In the trial there had been many witnesses recalled to testify and also to contradict other witnesses and a most complicated case was the result. The judge made a lucid compendium of the law and the evidence and left the facts to the jury. One of the jurors, ending yesterday at McPherson at 4 o'clock, he would like to hear the charge over again. This made the judge smile and he informed the juror that he would attempt to give a particular point, but could not go all through with the charge again. The election suit of Attorney R. A. Zimmerman against E. J. Barber yesterday afternoon, Judge Gunster instructed the jury to find for the defendant. Twenty-nine acres of land in Denton township were in dispute. Zimmerman claimed he bought the land and Barber is in possession of it. The suit was to dispossess Barber. Many years ago Barber bought the land from his father, and took in payment judgment notes. The following year the elder Barber died and named as his executor, Coleman Wells.

The property was sold at sheriff's sale on a judgment held by Sidney F. Firth against Ira Barber, but in view of the fact that the notes in payment of the farm were anterior to the Firth judgment, it was amicably agreed that the property should be bought in for the heirs and that was accordingly done. The sale bringing only a nominal sum, the notes were sold to the plaintiff and would have been necessary for him to consider the other debts against it. Pardon Barber lent Coleman Wells, executor, the \$200 that the sale brought to bid in the property for the benefit of the heirs, who were himself and brother Ira. In 1885 Wells sold the property to Attorney Strause, of Wilkes-Barre, and Zimmerman bought it from Strause for \$200, though C. H. Soper, attorney for the heirs at the time of the sale, protested against the conveyance of the land. Judge Gunster took the case from the consideration of the jury on the ground that Coleman Wells bought the land as trustee and had no right to sell it to Strause.

The trespass suit of J. W. Sisco and others against Joshua R. Miller was before Judge Edwards in No. 1 court and went to a jury soon after dinner. The plaintiff was represented by Attorney S. B. Price. On September 14, 1892, the plaintiff was driving along the main road in Elmhurst with a team of oxen and a wagon. The defendant's bull scalded a nearby fence and came vigorously forward toward the oxen, goring one of them so that a deep wound was left on its side.

Jury Stated Its Verdict.
The wagon was broken, too, and the plaintiff wants damages in the sum of \$1,275 for personal injuries to the ox; \$75 for nursing it and medicine and for the damage done to the wagon. The jury agreed upon a verdict late in the afternoon, sealed it and will hand it into court this morning. By order of court the trespass suit of Mrs. Ann Munley against the city of Scranton was placed at the head of the list for the third week of this term of common pleas court. The visiting judge next week to meet the local judges will be Judge John G. Love, of Bellefonte, whose first visit it will be to Scranton.

MILLAR'S ANSWER FILED.

Defends His Action in Holding Police Court in the Municipal Building.
The answer to the bill in equity filed by Alderman O. B. Wright, of the Ninth ward, asking the court to restrain Alderman W. S. Miller, of the Eighth ward, from holding police court in the Municipal building, which is situated in the Ninth ward, was filed yesterday by Alderman Miller's attorney. Among other things it sets forth: "That in accordance with the spirit of the laws of the state he has at various times when the mayor has been absent from the city or otherwise unable to hold police court, at the request of the mayor and chief of police attended the police court in the Municipal building to give preliminary hearings to persons arrested and detained by the police, the officials of the city being required by law to hear such cases within twenty-four hours after arrest, at which times he has imposed fines and other provisions of the city ordinances, and has committed offenders to county jail for failure to pay fines so imposed, that all fines so collected have been paid to the chief of police for the use of the city, and that the defendant (Mr. Miller) has neither charged nor received any fees for his services as committing magistrate; that he has never received any process returnable to the Municipal building or elsewhere than at his own office in the Eighth ward, and has never acted in any capacity in the Municipal building except as a committing magistrate."

FIRE AT PARK PLACE.

Caused by the Knocking Over of a Lamp in Mrs. Reynolds' Home.
The alarm for fire which was sounded from box 72 last evening about 8:15 was caused by a small blaze in the house at Park Place owned by Mrs. Miller and inhabited by Mrs. Reynolds and her children. Her children were playing in the kitchen and knocked over the lamp, which caused the fire. The furniture and carpets in the kitchen were ruined, but aside from that no serious damage was done. The Liberty, Excelsior and Niagara Hose companies quickly responded to the alarm. The fire was extinguished by members of the family without the assistance of the firemen.

Funeral of Carl Hollister.

The funeral of Carl Hollister was held at the home of his parents, 221 Ash street, yesterday. Rev. M. J. Ford conducted the services. The singing was by a quartet consisting of Messrs. J. N. Hamaker, J. W. Williams, Thomas Watkins, D. Richards and I. Mitchell. Among the floral pieces were a pillow from Thomas J. Myers, of Philadelphia; a star and crescent from Charles S. Myers, of Hollister, and another from Mrs. J. E.

MR. VAN NORT'S SPEECH

Members of Poor Board Decided Not to Listen to It.

HE OBJECTED TO THE PENALTY

As His Opinion with Regard to Its Legality Had Not Been Asked It Was Not Heard—Mr. Gibbons' Pleading Was in Vain.

Charles F. Van Nort, for many years a collector of poor and other taxes, was at the poor board meeting yesterday with a bundle of law books, newspaper clippings, note books and manuscript of a fifteen minute speech to back up the contention of Director Gibbons that in the collection of the \$112 penalty on poor tax delinquents is unjust and illegal and a crying abuse. During the progress of the meeting Mr. Van Nort occupied a seat at one side of the enclosure and as the members knew what was coming they were ready for him when he delivered his speech. The board of the floor and arose to address them. Mr. Gibbons introduced him by saying that he was a citizen who had been called upon to pay a \$112 penalty on his poor tax and who wanted to pay it if it was proper, but who had some reasons to advance showing it was far from proper. Then Mr. Van Nort began by untangling his bundle of data and announcing that he had a fifteen minute speech which would please him to read if the board could not entertain such utterances and brought down his gavel with a force that betokened that he was in earnest. "Let him go," said Mr. Gibbons, "he knows more about this law than your attorney. He was in the tax business before any of you know what taxes were. He wants a hearing about his poor tax and the board should give him a hearing."

SCRANTON FIRE MARSHAL.

Creation of the Office Will Be Recommended by the Board of Trade.
A resolution requesting City Solicitor Torrey to frame and report to the board of trade creating the office of fire marshal will be considered at Monday night's meeting of the board of trade. A bill empowering the board of trade to create such an office was passed by the state legislature during its last session. The Scranton Underwriters' association has more than a dozen members on record as favoring a fire marshal for Scranton; the board of trade occupies the same position almost as a unit. On two recent occasions the council has disapproved the idea.

THAT JENNINGS NON-SUIT.

Attorney Smith Alleges Reasons Why It Should Be Stricken Off.
Attorney Cornelius Smith has filed the following reasons why the non-suit granted Monday in the case of John G. Jennings against the Lehigh Valley Railroad company, and others should not be stricken off: "First—The court erred in refusing to grant the plaintiff's motion for a continuance of the case. Second—The court erred in refusing the plaintiff's motion for a reasonable time to produce his witnesses and the provisions of his petition for a change of venue. Third—The court erred in hearing and deciding the rule for a change of venue without allowing the plaintiff any time to produce his witnesses to prove the facts alleged in his petition for a change of venue. Fourth—The court erred in changing, at the request of the defendants, the order made by the court, by substituting the word 'venue' for the word 'Nov. 25, 1895, at 9 a. m.' the order being 'Nov. 11, 1895, at 9 a. m.' in filing within petition a rule is granted, and the court is to hear the case. Returnable Nov. 25, 1895, at 9 a. m. Fifth—The court erred in excluding the following offer: Plaintiff proposes to prove that Kason jacked the jury in the case of James Jennings vs. Lehigh Valley Railroad company, and in the case of John G. Jennings vs. Lehigh Valley Railroad company, and to waive the same in manner in which the juries were drawn. Sixth—The court erred in excluding the following offer: Plaintiff proposes to prove that John Jennings has made three attempts to try his case, that by reason of the juries being packed each attempt to try resulted in a mistrial. Seventh—The court erred in refusing to grant a change of venue in the case. Eighth—The court erred in granting a non-suit on the motion of the defendants."

"What did you do for it?" This is a question frequently asked of Rev. W. H. Main, pastor of the Baptist Emanuel church, corner Normal ave. and Rhode Island street—one of Buffalo's most popular clergymen, and a firm believer in the unfailing curative virtues of Dr. Agnew's Catarrhal Powder. He had previously tried in vain many different remedies for catarrhal trouble. Instead of relief, some only gave additional distress, until a happily-timed suggestion induced him to use Dr. Agnew's Catarrhal Powder. "That benefited me at once," is Rev. W. H. Main's reply, and he praises the easy and convenient way of using the remedy quite as much as he does its quick and permanent relief.
