THE DICKSON MANUFACTURING CO

SCRANTON AND WILKES-BARRE, PA. Manufacturers of Locomotives, Stationary Engines, Boilers, HOISTING AND PUMPING MACHINERY.

WE FURNISH HOMES DAILY BY THE AID OF OUR LIBERAL CREDIT SYSTEM.

WE'RE AMERICANS

For America and American ideas—but certain things we appreciate in others—and they're Rockers in our windows—while they are American products, the designs are strictly in keeping with the emblems of the different countries they represent—England—France—Denmark and Flanders—Their make is of the highest grade—and the price, \$12.00, is much below their worth—Our line of Rockers numbers over three hundred different styles, ranging in price from 65c. to \$35. After Thanksgiving Day Christmas selling begins—We'll store your purchases until ordered delivered.

Chiffoniers Reduced

Now we show more than twenty-five styles of Chiffoniers. Too many. Trouble was, two months ago when receipts were so slow and uncertain that we placed orders that we might not run short. Now every lot is here. If you do not take them we must rent storage room. Rather cut the prices and let our public have the advantage. Here goes:

1 Antique Oak Chiffonier, \$5.00 instead of \$8.00. 2 Antique Oak Chiffonier, \$11.00 instead of \$16.00. 3 Early Birch Chiffonier, \$18.50 instead of \$21.00. First Floor, Left Side.
