

CARBONDALE.

FOOT BALL TO-MORROW.

The St. Thomas College to Play the A. A. on Thanksgiving Day. Football on Thanksgiving Day has become an annual event in Carbondale...

Tomorrow's game will be between the Alumni Athletic association, and the St. Thomas College team, of Scranton.

The crowd should be unusually large tomorrow if the weather is good, as the sport has many lovers who are only prevented from being at all the games by lack of time.

It is probable that the Scranton men will bring up a large crowd of rooters with them, as this game between the two teams always seems to be a favorite.

HEPTASOPH BRANCH.

A Society is Formed with a Large Membership Roll.

At the rooms of the Electric Literary club was formed a new branch of the Heptasoph society.

The formation of the lodge is nearly entirely due to the efforts of F. J. Coolican, of Archbald, who has been working hard to interest people in the society.

About thirty persons were present at the meeting and were admitted as charter members of the society.

The officers for the following year were installed by J. W. Kilpatrick, who made a stirring speech.

NEW HOSE WAGON.

The One Now in Use Not Strong Enough for Active Service.

Owing to the breaking of the front axle of the hose cart, The Mitchell Hose company are now in a helpless condition, and will be unable to respond to any alarm should that be necessary.

The hose cart, which has been in use altogether too light for the requirements of the company.

Besides the front axle being broken, the back one is considered to be in an unsafe condition, and the person working upon the cart while going to a fire risks his life.

The rain of the last two days has been greatly welcomed by the inhabitants of the city as it has increased the supply of water greatly and the water famine which was so greatly dreaded, will no longer be feared.

The alarm condition of affairs may be seen in the fact that the water in the water at No. 1 pond has been lowered to the extent of two and one-half inches daily.

The case between Hunt and Keener at Alderman Bunnell's has been settled, and withdrawn.

The following persons have been named by the nominating committee of the Young People's Society of the Baptist church as officers for the following year.

GREAT ATTRACTION.

Romeo and Juliet and Julius Caesar at the Grand.

The appearance of the Handford-Spencer and O'Brien company at the Grand tomorrow should be hailed with delight by theater-goers.

It is only with the greatest difficulty that this company has been secured by Manager Byrne, and people should show their appreciation of his efforts by attending.

TUNKHANNOCK.

Word comes from Sayre that Chester M. Lyman, who has been firing a locomotive between Sayre and Manchester some time, has been pronounced and now handles the throttle.

Tomorrow being a holiday, the schools, bank and postoffice will be closed, the latter being open for the distribution of the morning and afternoon mails.

A stray duck now and then is killed by hunters along the river, but the season is yet too early to furnish much sport.

With this sort of an equipment it is said that the boat can be rowed right up to a flock of ducks sitting on the water, the birds imagining their reflection in the mirror to be other ducks.

CAUTION

TO OUR PATRONS:

Washburn-Crosby Co. wish to assure their many patrons that they will hold to their usual custom of milling STRICTLY OLD WHEAT until the new crop is fully cured. New wheat is now upon the market, and owing to the excessively dry weather many millers are of the opinion that it is already cured, and in proper condition for milling.

SAVING MONEY

Is a desire nearly everybody has, or ought to have; at least. Our dissolution of partnership sale has already helped many hundreds of people in Scranton and vicinity, since it was started on Oct. 14, 1905.

It has come nearer giving them one dollar's worth of value on every fifty cents they have spent with us, than any other sale of similar goods ever inaugurated in the Lackawanna Valley.

At our Branch Store in Carbondale, we carry a large line of Furniture, and to facilitate its disposal the same reductions have been made as upon other lines of goods.
