THE TRIBUNE ANNUAL AND POLITICAL HAND-BOOK FOR 1896.

Wide-awake business men who desire to avail themselves of the advantages to be derived from advertising their business in the spaces reserved for that purpose in The Tribune Annual and Political Hand-Book for 1896 will please make their contracts at an early day.

The reason why rheumatism is so hard to cure is because so few people understand it. It is not a nerve or muscle disease. It is a blood disease.

The only medicine specially prepared to make the kidneys do it, is Dr. Hobb's Sparagus Kidney Pills.

Uric acid comes from waste matter in the system. It is collected by the blood on its return trip to the heart. It is filtered out of the blood by the kidneys.

As long as this is done by your kidneys you can't have rheumatism, for there will be no uric acid to make it.

But as soon as the kidneys begin to neglect their duty, rheumatism sets in. The exciting causes of rheumatism are cold, damp, chill, etc. This has a tendency to clog the kidneys; to prevent them from filtering out the uric acid.

Some people never have rheumatism all their lives. Their sick kidneys affect them in other ways. They get Bright's disease and other kidney troubles, sleeplessness, nervousness, chronic, nervous headache, neuralgia, etc.

Dr. Hobb's Sparagus Kidney Pills will cure them as well as the rheumatics. Folks who are subject to rheumatism should take particular pains with themselves. Whenever they have been exposed to catching cold they should take a few doses of Dr. Hobb's Sparagus Kidney Pills.

This may not cure the cold, but it will probably prevent rheumatism. It will prevent clogged kidneys, and help them to filter the blood.

Pure-blooded persons never have rheumatism because there is no uric acid in their blood to make it with.

Your rheumatism isn't very easily cured if you will take Dr. Hobb's Sparagus Kidney Pills. They tone up your kidneys and make them filter the uric acid out of your blood.

This is not hard to understand when you come to think of it. The wonder is that it was not generally understood before.

Physicians understand it and recommend Dr. Hobb's Sparagus Kidney Pills for rheumatism and for all disorders of the kidneys and bladder.

They understand the immense importance of having pure blood. They know that the kidneys filter the blood when they are well. They know what wonderful curative effects Dr. Hobb's Sparagus Kidney Pills have on sick kidneys.

And they recommend Dr. Hobb's Sparagus Kidney Pills to you.

So do all who have used them. The pills are purely vegetable and perfectly harmless. They are pleasant to take and the good effects are almost immediate.

They give you a feeling of renewed brightness, freshness and strength, and ease pains, aches and sickness to vanish. A few doses will relieve. A few boxes will cure.

Sold by all druggists or mailed prepaid for 50 cents a box.

Interesting pamphlet on rheumatism and kidney troubles. "A Filter for Your Blood," mailed free on request. Hobb's Medicine Co., Chicago or San Francisco.

Nothing allowed to leave the establishment unless satisfactory to the customer, and the lowest prices consistent with Good Merchant Tailoring.
