FIRST PUBLIC REHEARSAL Given by the Children's Chorus Classes in Y. M. C. A. Hall.

Given by the Children's Chorus Classes in Y. M. C. A. Hall.

The first public rehearsal of the Children's Chorus classes under the direction of Tallie Morgan was held festerday afternoon at the Y. M. C. A. hall, and every available foot of space was crowded. The chorus numbered over three hundred voices, and it is quite safe to say that an equal number of grown people could not be gathered in this city that would be able to do the musical work done by those children yesterday. It was a revelation, it was a wonder. During the entire lesson of one hour, every member of the class paid strict attention to the lesson. Mr. Morgan, in his opening remarks, said that the classes had been organized only five weeks, and that most of the children had received only three lessons. He said that in March a public recital would be given at one of the play houses, when those present could again witness the progress made. He explained his system of teaching at length and demonstrated its practicability by giving new music to the children, which they readily sang at sight.

The children were repeatedly applauded after the various tests and a more enthusiastic audience could hardly be found. The chorus sang a two

The chorus sang a two part waltz song most beautifully, and two little tots, Mabel Jayne and Edith Morgan, sang a duet that brought forth such a storm of applause that fairly shock the house. In answer, to questions sent to the desk, Mr. Morgan announced that new scholars will be received for two weeks more. The Green Ridge class meets in Nettleton's hall at 9.30, the Providence class in Fenner & Charnel's hall at 11, the Scranton class in the Y. M. C. A. rooms at 2, and the Hyde Park class in the Waghburn Street Preshyterian the Washburn Street Presbyterian church at 4, all on Saturdays. It is pos sible that monthly joint rehearsals will be held from this time forward.

A member of a well-known athletic club, riding along at an easy pace, was overtaken by another wheel, which didn't turn out in time, and a rear end collision was the result. Furious at the stupidity of the other rider, he struggled to get up, shouting:

"Why the devil do you ride like that?"

"Oh, dear! Oh, dear!" said a plaintive voice. "I didn't mean to. I'm all tangled up."

"Oh, Lord, a girl," groaned the young man. "And I went and swore at her;" and his contrition increased when he picked himself up and saw gazing up at him from around the wreckage a very pretty face, flushed with mortification. Lifting the owner to her feet, the young man fried to appled

Gormans at the Academy.

A skit entitled "The Gilhoolys Abroad" served to introduce the Gormans of minstrel fame to a fair-sised audience at the Academy of Music yesterday afternoon and to a crowded house at night at the same place. It is what is termed a musical comedy, consisting of a mere thread of a plot on which is strung a number of specialities. These specialties are very clever, and what is more, a number of them are new. The performance was very entertaining and was much enjoyed. Besides the three Gormans the company includes Arthur Rigby, the well-known comedian; Cora Berong, Leah Starr, Jerome Rivers and others. Gormans at the Academy.

So large was the gathering of young people at the ball of the Century Hose company, held yesterday afternoon and last night at Natter's hall on Alder street, that the space was none too large for dancing. There were upwards of 125 couples present. The music was furnished by the Ringgold band of twenty-four pieces. It was one of the best events of its kind that have been provided on this side, and it was appreciated accordingly. The popularity of the company was well attested. In a manner it was an unique ball, the programme began at 4 o'clock in the afternoon and dancing was kept up uninterruptedly until midnight, when intermission occurred.

The committees that were in charge of the ball consisted of the following gentlemen: S. S. Spruks, Robert H. Deiter, John Wagner, Charles Neuls, Adam Neuls, Ambrose Herz, Louis Scheuer, Louis Scheuers and P. J. Hickey. The affair was a social and financial success. on occurred.

Lost in Minooks Fag.

Four little girls from the West Side started away from home yesterday morning to visit friends in Dunmore and by mistake they got on a South Side car; they rode to the city line and got off. They wandered along the streets and inquired for their friends, but no one knew for whom they were seeking and as a consequence they wandered around until it got dark. They were footsore and weary after a fruitless search in Minooka looking for friends in Dunmore. John J. Coyne discovered their plight and kindly cared for them and sent them back home. Three of them are sisters and their names are Rose; their parents live in Hyde Park.

Bitten by a Dog.

The youngest daughter of John Scott, of Locust street, a little girl a few years old, was painfully bitten by a pet dog last evening. The injuries are not very serious, but the child's face is pretty well lacerated. The pet was playing with the child and suddenly changed its temper and sprung at her face. Dr. Manley was called in; his opinion is that the little one will be all right in a week.

A good story is told of an English minister who lived about 70 years ago. We may call him Smith, and he was a bachelor. He resisted many persussions to marry, which his friends were constantly making until he had reached a tolerably ripe age, and he himself began to feel the need of, or, at least, began to have new ideas of the comfort of being nursed with woman's gentle care. Shortly after entering one of the circuits, a maiden lady, also of ripe years, was strongly recommended to him, and his friends again urged that he had better get married, representing

DISPUTE AROSE AS TO ONE BIRD

It Was Killed by Marsh But Ellio Maintained That It Fell Out of Bounds-Soores Made in the Different Matches.

At the Driving Park yesterday morning and afternoon until it got dark all the expert wing shots of the city were gathered and some fine shooting was the result. A large crowd of sports turned out and they bestowed liberal applause where it was deserved.

The leading feature was the presence of J. A. R. Elliot, of Kansas City, Missouri, one who has often been entered in matches with world renowned shooters such as Dr. Carver, the Evil Spirit of the Plains. Mr. Elliot has a record of having killed 110 birds straight.

The principal match of the day was the one where the prize given is a blooded colt. There were fourteen competitors and each man shot at six birds. The traps were arranged according to the regulation rules governing pigeonshooting matches. Besides Mr. Elliot the following were entered: Clem Marsh, John Barcyn, Captain Frank Robling, ex-Sheriff Robinson J. C. Highfield, Frank Jermyn, Mailcarrier Richard Grimes, Sim Davis, John Lynch, H. D. Swarts, J. B. Van Bergen, David Pritchard and Dr. J. L. Everhart, of this city, and W. G. Frey, of Taylor.

Dispute Between Elliot and Marsh. Mr. Elliot killed six straight and Clem Marsh also killed six, but there was a dispute about one of the birds; Mr. Elliot contended that this bird dropped out of bounds, but the line was after-wards measured and it was found that it fell less than ten yards from the outer circle. The score of each shooter was as follows:

Marsh Marsh Barcyn Frey

The dispute about the prize will be settled in a day or two; it was sug-gested that the two gentlemen toss up a penny to see which one takes it. The first event of the day was a friend-ly match between Mr. Elliot and H. D. Swartz, Each killed five birds, The colt prize was second on the pro-gramme, and the third was a match in which Ben F. Fern, under the name of Mack, and Messrs. Frey, Marsh, Robling, Matters and Swartz were

The last event was a sweepstake match, in which there were eight entries; each man paid in \$5 and there were two prizes, the first 60 per cent. and the second 40 per cent. of the pool. The shooters were Messrs. Grimes, Davis, Fern, Marsh, VanBergen, Highfield, Swarts and Robling. Each man shot at ten birds. Sim Davis won first prize and Fern and Marsh divided the second.
