CARBONDALE.

NOW READY TO RUN.

Silk Mill Machinery in Place—Will Be Finished by the First of the Year.

People who have not visited the silk mill for some time would be surprised to see how near completion it is. Most of the machinery is set up and is now ready to run. There are now about twelve winders and twenty spinners in position. The other machinery is being put in as fast as possible. The large engine was put in motion Thursday for the first time, and gives good satisfaction.

Work is now being pushed so rapidly that it is thought everything will be ready by the first of the year. Operations will be then commenced even if all the machinery is not set up as the machinery now in can be started at any time and will not interfere with the other work.

SANTA SCOLA RESIGNS.

Becomes Angry and Gives His Badge to Chief McAndrew.

There has been quite a lively scene lately at the municipal building in which Santa Scola, janitor and special policeman, and Chief McAndrew figured. The difficulty had its beginning in the Genachero case, which has just been finished at Scranton. Scola and Chief McAndrew were talking the case over in Alderman Jones' office when the chief hinted at something which offended Scola, so that he forthwith proceeded to give his badge to the chief.

Scola says that he has been accused of tampering with the witnesses when he has acted as interpreter in several cases. The Genachero case was the last and in this he was particularly interested, as the defendant was his cousin.

ANOTHER CLEARING SALE

AT THE EMPIRE DRY GOODS CO

We have cleaned up about all our odds and ends and sell them as rapidly as they come in, but we were lucky to catch on another snap. We cleaned up one mill of underwear. There is no doubt you are aware how we buy goods; always 50 cents on the dollar, and give the benefit to our trade. This sale is important, and if you want to buy underwear, here you are.

50 dozen of mixtures, woolen underwear, nice, clean staple goods, at 25 cents each, or 25 cents for the suit.
Boys, from 24 to 34, any size, for 35 cents.

Cloaks, never in the history of this line could you purchase a cloak for the price as this season. Plain facts; the season was unfavorable this year and the manufacturers were compelled to throw their goods upon the market. Prices were no object. We have a hold on these goods—200 cloaks, we don't claim they are stylish but they are good for this cold weather, and when you get one for \$2, any size from 22 to 42, in black blue or any other color, short coat, for \$4.99.

We have not time to write ads. We have the biggest bargains you have ever seen in shawls, blankets and wool-knit goods and sweaters.
