RECORD BREAKING WEEK

All the Cases on Quarter Sessions List Except Two Disposed of.

THIS WILL BE SENTENCE DAY

Perretto Will Receive the Penalty of the Law for Killing Michael Demarko. Mr. Clark's Light Sontence-Cases That Were Heard Yesterday.

This week of quarter sessions court has been a record breaker. Every case on the list was disposed of except two which were continued until the next term. Judge Gunster thanked the jurors yesterday and so did Judge Euwards; both said that to the intelligent and expeditious manner in which the cases were passed upon was due the most of the credit for the success of me week.

Pasquela Perretto, convicted of murder in the second degree for stabbing to death Michael Demarko at Jessup or Sunday, June 30, will be sentenced this morning. Charles Wardo will also be sentenced. He pleaded guilty this week to feloniously wounding Nicholas Demarko, a brother of the murdered man. Others who will be sentenced are Thomas Price and Reuben Morris for robbery; Joseph Thomas for felonious assault: Charles Barnhart for bigamy: and the other defendants who were returned guilty during the week.

The story told by Alex. ...efcofski and Alex. Kessler, the defendants charged with feloniously wounding George Swigle, of Greenwood, was that the prosecutor and some of his friends attempted to rob Lefcofski. Rather than let this be done the defendants picked up stones and one thrown by Lefcofski struck Swigle on the head. In giving the case to the jury Judge Gunster said

there could be no verdict for felonious wounding, but if they believed me evilence of the defendants a verdict of acquittal ought to be returned. The jury agreed about 5 o'clock and sealed the verdict; they will turn it into court this morning.

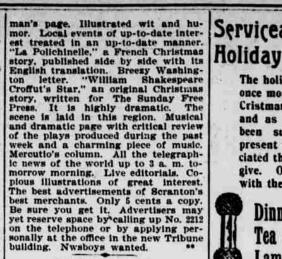

Five Dollars and Costs for Clark. Butcher William N. Clark, of South Abington, was sentenced to pay a fine

of \$5 and the costs of the court. He was found guilty of horsewhipping Arthur Dateson, a cripple boy. Mr. Clark, upon his word of honor, told the court that he had not whipped young Dateson, but admitted he lashed the Diamond boy. Judge Gunster said he had no doubt but they deserved a whipping, yet the law does not justify a man in taking the law into his own hands.

The five men from the Ridge mixed up in the Easter Monday christening rumpus were all found guilty of assault and battery. Judge Edwards felt that they had been well punished by one another already, each man having a badly battered head. John Shecilska was sentenced to pay a fine of \$20 and costs; John Conello and John Hamanick were sentenced to pay a fine of \$5 and costs, and Wassa Lazak and John Huhaltis were sentenced to a fine of \$1 and costs

Henry Goodman, Indicted for perury, was declared not guilty of the offense because the prosecutor Henry Herrick did not appear to prosecute and for which neglect he will be required to pay the costs.

The Other Cases Heard. The case of the commonwealth against Stephen Radky was tried before supplies-sometimes more, some times Judge Edwards. Mrs. Stephen Gura was prosecutrix. The jury found a verdict of not guilty and the costs were

All honor to that great Frenchman, Louis Pasteur, whose famous hydro-phobia cure and other scientific dis-coveries have made him famous. Peace to his ashes now that he has left this world. But it is a problem, meas-ured by actual results, whether he has done more for the world than the dis-coverer of Dr. Agnew's Cure for the Heart. We speak of heart disease as incurable, and yet there is a remedy that has practically grasped thousands from the hands of death. In cases where it seemed that every breath taken would be the last, in half an hour's time patients have been brought hour's time patients have been brought around, and a little perseverance in its use removes the disease, even when of a thoroughly chronic character, Sold by Matthews Bros.
