She says: "I was entirely relieved of all my suffering and now I am perfectly strong, healthy and well."

"How did you take this remedy?"
Miss Young was asked by our representative. She replied that she followed directions explicitly. Miss Young then told how the malady affected her, saying her symptoms were: "Stooping, bending over, walking or standing any length of time always gave me a pain in the small of my back. I had a pain in the kidneys all the time and if I caught cold it would always settle there; the pain I suffered was of a very exhausting nature; at night I could only lie flat on my back, any other position causing pain and suffering; the nerves passing up my back were affected and this brought with it savere headaches, but as I said before Duan's Kidney Pills have removed all pain and suffering entirely and I never felt better and healther in my life."
