THE ONWARD MARCH of Consumption is stopped short by Dr. Pierce's Golden Med-ical-Discovery. If you haven't waited be you'd reason, there's complete me

there's complete recovery and cure.

Although by many believed to be incurable, there is the evidence of hundreds of living witnesses to the fact that, in all its carlier stages, consumption is a curable disease. Not every case, but a large percentage of cases, and we believe, fully 98 per cent. are cured by Dr. Pierce's Golden Medical Discovery, even after the disease has progressed so far as to induce repeated bleedings from the lungs, severe lingering cough with copious expectoration lincluding tubercular matter), great loss of flesh and extreme emaciation and weakness.

Do you doubt that hundreds of such cases reported to us as cured by "Golden Medical Discovery" were genuine cases of that dread and fathl disease? You need not take our word for it. They have, in nearly every instance, been so pronounced by the best and most experienced home physicians, who have no interest whatever in misrepresenting them, and who were often strongly prejudiced and advised against a trial of "Golden Medical Discovery," but who have been forced to confess that it surpasses, in curative power over this fatal malady, all other medicines with but who have been forced to confess that it surpasses, in curative power over this fatal malady, all other medicines with which they are acquainted. Nasty codliver oil and its fifthy "emulsions" and mixtures, had been tried in nearly all these cases and had either utterly failed to benefit, or had only seemed to benefit a little for a short time. Extract of malt, whiskey, and various preparations of the hypophosphites had also been faithfully tried in vain.

The photographs of a large number of those cured of consumption, bronchitis, lingering coughs, asthma, chronic massl catarrh and kindred maladies, have been skillfully reproduced in a book of 160 pages which will be mailed to you, on receipt of address and six cents in stampe. You can then write those cured and learn their experience. AddressWorld's Dispers.

THOMAS ORCHARD DEAD.

Passes Peacefully Away at His Home Vesteday Mrorning.

After a long and severe illness, Thomas Orchard, master car builder of the Delaware and Hudson Canal com-pany, passed peacefully away at his home on John street vesterday

home on John street yesterday morning at eleven o'clock. Mr. Orchard was one of Carbondale's most prominent and respected citizens. He was born in Straton, Cornwall, England, on February, 27, 1820. In 1840 he came to the United States and shortly afterward moved to this city. It was at this time that he became connected with the Delaware and Hudson company, which he served so long and faithfully. Mr. Orchard was an archi-tect and in 1862 was made master car

builder of the company.

During the early days of Carbondale the new residences were erected under the supervision of the company and Mr. Orchard was generally put in charge the work. Many of the houses erected by him are the most prominent struc-tures in the city and they bear silent testimony to Mr. Orchard's skill and ability. Among some of the buildings are the court house, graded school.
Mayor Hendricks' house, the Meredith
cottage, residences of Mrs. J. B. Van
Bergan, the old Catholic church and
Judge Archbald's house in Scranton.

Mr. Orchard was a devout member of Mr. Orchard was a devout memoer of the Episcopal church for many years. He was a faithful worker and one of the oldest vestrymen of Trinity parish, having been first elected April 19, 1869, and served eyer since. He was also a prominent member of the Palestine Commandery

The deceased was twice married, his first wife being Miss Martha Monies, sister to Colonel Monies, of Scranton, now deceased. One son was born to them, John. On the second of January, 1862. Mr. Orchard was wedded to Mrs Mary Griffin Smith, who survives film. Their sons and daughter are Charles and Frank Orchard and Mrs. N. L.

No person in the city was better known and more esteemed than Mr. Orchard. Not only in this city, but iar beyond its limits was his ability recog-nized, the passenger coaches built by him for the Pennsylvania division having won for him a wide reputation. He is warmly spoken of by those who have been employed in his shops.

The funeral will take place Thursday afternoon at three o'clock from Trinity church, the services to be conducted by Rev. E. L. Balsley. Interment will be made in Maplewood cemetery.
