PROSPECTING FOR ORE.

Scrunton Parties Are Searching for Cop per and Silver in Canaan.

An enterprising company, with Messrs Graham and Collins, of Scran-ton, as their management, are prospect ing for cooper and sliver ore on the farm of Sylvester Delaney at South Canaan, four miles to the southeast of this city. Both of the managers have had a wide experience as prospectors and are pretty confident that their present enterprise will be a success

The prospecting shaft is at the present time down sixty feet and a steam pump and all the most improved machiners for the work are on the ground. From what is known by bore-holes that have been made by parties from Carbondale and Wilkes-Barre the prospectors will reach the ore beds by the latter end of April. Indications are good and we wish them every success,
