FOR INDEPENDENCE OF CUBA

A Resolution Is Reported in the Senate Requesting the President to Use His Good Offices with Spain in the Interest of Cuba.

Washington, Jan. 29.—The senate chamber was today a theater in which scenes of history were enacted in the presence of crowded galleries.

Washington, Jan. 29.—The senate chamber was today a theater in which scenes of history were enacted in the presence of crowded galleries.

The event of the day, however, was the speech made by Mr. Tillman, S. C., ostensibly in favor of the free coinage substitute for the house bond bill, but really in denunciation of the president and of the secretary of the treasury.

Mr. Tillman was on this occasion a splendid combination of oratory and actor, giving to senators and spectators alike a most entertaining and instructive performance.

At the close of Mr. Tillman's speech the senate chamber and galleries, which had been thronged for two hours, were practically vacated, and the senate at 4:30 p. m. adjourned until tomorrow.

CAMERON CHAMPIONS CUBA

Historical Matter Produced by the Pennsylvania Senator.

ACTION OF PRESIDENT GRANT

Early in 1869 He Signed a Proclamation Recognizing the Cubans as Belligerents—General Martinez Campos, Peace-maker.

Washington, Jan. 29.—A minority report was submitted by Senator Cameron requesting the president to interpose his friendly offices with the Spanish government for the recognition of the independence of Cuba.

The report of Senator Cameron consists of twenty-four typewritten pages, much of which is historical matter. Mr. Cameron said that early in 1869, during the previous revolution, a proclamation was actually signed by President Grant recognizing the Cubans as belligerents, although the fact was known by very few persons.

THE COMMONWEALTH'S CASE

Farrell, Doran and Wilson Were Together in Altoona and Attacked P. A. Swab—Remarkable Nerve of the Prisoner on Trial.

Harrisburg, Pa., Jan. 29.—After eight long days of tedious sitting, the court this afternoon completed taking the evidence in the trial of Frank Wilson for the murder of the old hermit, Henry Donike, of Altoona. The Commonwealth made a strong case, when showing by Policeman Koelle and Lewis Detrick, that Farrell, Doran and Wilson were together and had attacked P. A. Swab on Sixth street, in Altoona April 27, contradicting flatly Wilson's denial that he was with them.
