SCHOOL BOARD MUDDLE.

Fell Township School Board Admitted They Were in Error-Miss Gerrity Reinstated in Charge of Her School.

For some time a serious breach has been pending between the Fell township school board authorities and the teacher of the Forty-third street school. Miss Gerrity, who has been employed for sometime, seemed to have drawn the illfeeling of the parents whose children attended the school, the discipline was very strict. It had become so unbearable that the parents decided that they would lay the matter before the school board and at a special meeting. Jan. 17, the directors decided that they would change their teachers Miss Agnes Brennan, who has taught the Crystal Lake school, was notified by the secretary to report at the Fortythird street school and take charge of it on Monday morning, Jan. 20. Then Miss Gerrity was informed to go to Crystal lake school on the same day. This she blankly refused to do, and went to her school as usual on Monday morning. Miss Brennan also reported on this morning, to find Miss Gerrity charge. She stayed a little while and then returned home.

The school board met on Monday night to consider the state of affairs. All the directors were present and when a vote was taken three were in favor of a change and three in favor of retaining Miss Gerrity in her charge. One of the directors instructed Miss Brennan to take charge of the school She found the school in charge of Miss Gerrity, hence she could not take charge as instructed.

School Director Mr. Howard visited the school last Monday morning and thought he could settle the matter very easily, arriving there shortly before o'clock. He opened the door and stood near it. Miss Gerrity came but was refused admittance Miss Brennan arrived and went inside and proceeded to work as a teacher. But after Mr. Howard had departed, Miss Gerrity proceeded to take charge of the school.

Tuesday morning Mr. Howard thought fit to enter a charge against Miss Cerrity for forcible entry to the property of the board.

The office of Justice Clynn was crowded with interested persons before seven o'clock. Miss Clerrity's attorney. J. F. Reynolds, told the board that they had no right to change the teach-Mr. Lavin contended that they could de so. But Attorney Reynolds retorted by saying that they could not change a teacher, but could dismiss upon proof of certain specified charges The board retired and held a consultation and came in admitting that they were wrong, and that they had de-cided to let the ladies retain their dif-

QUARREL OVER A PICTURE. Squire Flynn, of Simpson, Called Upon to Decide the Matter.

The case of G. J. Bartholomew against P. Anderson, of Vandling, on the charge of assault and battery was heard on Tuesday night. The defendant had the assistance of Attorney J. F. Reynolds, who appeared as his counsel. From what could be gathered, seems that Anderson had ordered a picture of his deceased brother, to be enlarged from a photograph he had in his possession. When giving th order he informed the picture agent. W. L. Knighton, that he would not take the picture unless it was satisfactory, to him and his friends. Upon this the trouble unless it was up to the mark and ward Burke, of Parke Place. perfectly satisfactory.

Yesterday morning the enlarged picture was delivered at the home of Mr. Anderson. He positively refused to agents left and took the small photograph along with them. Mr. Anderson followed them and demanded the rehe paid for the large one. Then he proceeded to take it by force from Bartholomew and succeeded. The plaintiff swore out a warrant against Anderson for assault and battery. A hearing was given before Squire Glynn. Several witnesses testified that Bar-

THE BIG FAIR.

The Entertainment Will Be Continued Friday and Saturday Nights.

Tuesday night's attendance eclipsed the record of all the nights of the fair There were nearly twelve hundred paid admissions, and it was the largest assemblage that was ever together in Burke's hall. The programme was an exceedingly attractiveone. The following were the numbers: Overture, "Rival," Pettee; recitation, by the twin Walkers; instrumental selections, by Italian chandolin players; amusing specialties, by John G. Leonard, comedian; choral, "Tribune and Telegraph," Lewis orchestra.

This was exceedingly well rendered and very much regret was expressed at the thought of the termination of the fair, prior to the announcement of two nore nights. The door prize was a very nandsome hanging lamp, the successful number being 959. Before the fair had proceeded far the general manager, Abe Sahm, announced that the fair would be continued next Friday and Saturday nights, and that the door prize would be ten dollars in gold. drawing for the doll will take place riday night

The Ladies of the Berean Baptis; Church

Raised \$500. The Ladies' Aid society of the Berean Baptist church met Tuesday night in the school room and rendered an account of their stewardship for the past year, which was of a very gratifying character and testified to their energy and loyalty to the cause of Christ. The treasurer, Mrs. Frantwein reported that the society had been the means of raising the sum of \$500 which had been applied to extinguish the church debt, particularly is it so when it is remembered that this the ladies colected without a single enterprise requiring the sympathy of outsiders. The following officers were chosen for the vear 1896: Mrs. W. W. Dimrock, presilent; Mrs. Daniel Davis, first vice president; Mrs. James Smith, second vice president; Mrs. Miles Gardner, secretary, Mrs. A. P. Arautwein, treasurer.

The business being over, the annual supper of the society was held and a large number attended. The whole affain was a great success.

DEATH OF WILL J. DONNLLEY A Prominent Young Pitiston Man Suc cumbs to Blood Poisoning.

Pittston, Jan. 29.-The sad intelligence of the death of Will J. Donnelly, son of C. Donnelly,of South Main street will be received with much sorrow by his many friends. Mr. Donnelly passed away at eleven o'clock this morning. He had been a sufferer from Bright's disease for a long time and had traveled considerable in an endeavor to regain his health. He had almost entirely recovered from this disease, when, about ten days ago, he suffered a carbuncle on his neck. He took to his bed a few days ago, from which he never again rose. The carbuncle had poisoned his entire system, and this

directly the cause of his death. While his death had been caper. past two or three days and the family were somewhat prepared for the worst yet his demise is a severe blow to them and they are grief stricken at his being taken away so young in life.
